

**University Grants Commission**  
Sanothimi, Bhaktapur  
**Collaborative Proposal Presentation Schedule**

**Venue: University Grants Commission, Sanothimi**

**Cluster: Science & Technology**

**Date: 2081/01/24 (May 6, 2024) Monday**

**Session I**

SN	Title of Proposal	Research Team	Time	Remarks
1	Molecular Characterization of Colistin and Vancomycin Resistant ESKAPE Pathogens in A Tertiary Care Hospital Setting of Nepal	Dr. Sarita Manandhar, Dr. Shraddha Basi Chipalu, Sudhitra Thapa	11:00 AM	<ul style="list-style-type: none"> <li>• Prepare slides for 20 minutes</li> <li>• All members of research team must be present</li> <li>• Include budget justification (categorical description of the proposed cost)</li> <li>• Role of the Research Team (need analysis &amp; job description)</li> </ul>
2	Screening and Identification of Bioactive Compound(s) Present in Rhododendron Cowanianum and Rhododendron Lowndesii with Anticancer Activity	Prof. Dr. Janardan Lamichhane, Rajan Shrestha, Ashwini Kumar Shrestha, Anup Luitel, Ronak Shrestha, Rabindra Kumar Rokaya	11:45 AM	
3	Morphological, Molecular Characterization, Taxonomic Status, and Ecological Study of Genus Pseudolaguvia from Different River Systems of Nepal	Dr. Kumar Khatri, Santoshi Shrestha, Dr. Dhiraj Giri	12:30 PM	

**Date: 2081/01/25 (May 7, 2024) Tuesday**

**Session I**

SN	Title of Proposal	Research Team	Time	Remarks
1	Microplastic Contamination in Bottled Drinking Water Sold in Kathmandu Valley	Dr. Kishor Kumar Maharjan, Dr. Rita Singh, Dr. Rajeshwori Malla Pradhan	11:00 AM	<ul style="list-style-type: none"> <li>• Prepare slides for 20 minutes</li> <li>• All members of research team must be present</li> <li>• Include budget justification (categorical description of the proposed cost)</li> <li>• Role of the Research Team (need analysis &amp; job description)</li> </ul>
2	Preparation, Characterization, And Application of Biomass Derived Activated Carbon-Based Composite for Waste Water Treatment	Dr. Armila Rajbhandari (Nyachhyon), Dr. Sarmila Pradhan Amatya, Dr. Santosh Khanal	11:45 AM	
3	Study of Anisotropic Strength and Elastic Behavior of Foliated Metamorphic Rocks	Dr. Suman Panthee, Dr. Moti Lal Rijal, Dr. Ranjan Kumar	12:30 PM	

**Cluster: Agriculture & Forestry**

**Date: 2081/01/24 (May 6, 2024) Monday**

**Session I**

SN	Title of Proposal	Research Team	Time	Remarks
1	Diversity Assessment of Local Papaya Genotypes in Lumbini Province: Unravelling the Potentialities for Future Breeding Programs	Dr. Puspa Raj Poudel, Subodh Khanal, Rukmagat Pathak, Dr. Bal Krishna Joshi, Dr. Tek Prasad Gotame	03:00 PM	<ul style="list-style-type: none"><li>• Prepare slides for 20 minutes</li><li>• All members of research team must be present</li><li>• Include budget justification (categorical description of the proposed cost)</li><li>• Role of the Research Team (need analysis &amp; job description)</li></ul>

**Cluster: Education**

**Date: 2081/01/25 (May 7, 2024) Tuesday**

**Session I**

SN	Title of Proposal	Research Team	Time	Remarks
1	Effectiveness of Federal Government Service Delivery System in Educational Sector: A Comparative Study of Federal, Provincial and Local Government's Roles, Responsibilities and Accountability	Dr. Narayan Prasad Timilsena, Dr. Hikmat Bahadur Khatri, Dr. Rajendra Khanal, Ganesh Prasad Khanal, Krishna Maya Devkota	03:00 PM	<ul style="list-style-type: none"><li>• Prepare slides for 20 minutes</li><li>• All members of research team must be present</li><li>• Include budget justification (categorical description of the proposed cost)</li><li>• Role of the Research Team (need analysis &amp; job description)</li></ul>
