# SECTION I

## INTRODUCTION

---

### 1.1 Background

Established as an autonomous and statutory body under the *UGC Act* (1993), the University Grants Commission (UGC) aims to promote, facilitate, support, and enhance quality higher education in the country so as to make it competitive and in par with global standards. As one of the outcomes of the political changes in 1990s, the UGC was envisaged to address the people's aspirations for revolutionary and qualitative changes in education leading to the multifarious development of the nation. This statutory and autonomous body also brought about into existence to face the challenges and problems that were historically impairing the higher education.

Until 1990, the development of higher education was highly constrained as there were only two universities: Tribhuvan University (TU, established in 1959) and Mahendra Sanskrit University (MSU, established in 1986). Both of these universities could enroll and educate only a fragment of aspiring population. For instance, in 1980, the total number of students enrolled in TU was thirty-eight thousand; and the majority of them were enrolled at proficiency certificate level (PCL). The students passing school leaving certificate (SLC, i.e., grade ten) were eligible to join university at PCL. However, after the establishment of Higher Secondary Education Board (HSEB) in 1992, a phase-out plan for PCL level from the universities was enacted and higher secondary school system was developed. By 1990, the total enrolment to the university had risen to ninety-four thousand, yet the country's gross enrolment ratio (GER) was only about 5%, a small improvement compared to 3% in 1980. That is, the university could cater the needs of a tiny fragment of total population, and the inclusion of disadvantaged sections of the society including females, dalits and other disadvantaged social groups in higher education was rather a new concept. However, after the successful revolution and the restoration of multiparty democracy in 1990, the development of higher education has been one of the priority concerns of the country ever since. It is in these contexts that the University Grants Commission (UGC) was established to promote quality education to each and every section of the society and to enhance culture of qualitative academic pursuits in the country.

### 1.2 Functions of UGC

As a statutory and autonomous body, UGC makes proper allocation and disbursement of the grants to the universities and higher education institutions to

strengthen their smooth operation and academic excellence. In regard, UGC is also expected to address and define academic standards of higher education, and to formulate plans and policies for its development that enhance the overall development of the country. In addition, UGC is expected to foster and ensure good rapport and coordination among the universities in the country, thereby encouraging them to cooperate, collaborate, and exchange their academic experiences.

In line with this spirit and expectation, *UGC Act (1993)* envisages the University Grants Commission to carry out the following functions:

- Formulate policies on the allocation of the government grants to universities and higher education institutions;
- Disburse grants to universities and colleges, and make recommendations to the government for the grants provision;
- Award research grants, scholarships, and fellowships;
- Take necessary measures to determine and maintain the criteria and standards of higher education;
- Formulate necessary policies and programs to promote and enhance the quality of higher education;
- Advise the Government of Nepal on the establishment of new universities;

This also applies to the process of establishment of new institutions of higher education aiming to operate with the affiliation to foreign universities/institutions.

- Make necessary arrangements for the exchange of facilities and fellowships between universities and educational institutions within and outside Nepal;

### **1.3 Organization and Structure of UGC**

The supreme authority of UGC lies with its apex body consisting of eleven members headed by the Executive Chairman. As per the *UGC Act (1993)*, the formation of the apex body takes place as its members and office bearers are either nominated by the government or they act as the *ex-officio* members. The Executive Chairman and the Executive Member Secretary of the commission are nominated by the Council of Ministers from among the academic leaders and eminent professors upon the recommendation of MoE. The secretaries of the Ministry of Education and Ministry of Finance and the member of National Planning Commission (Social Sector/Education Desk) are the *ex-officio* members. The two Vice-Chancellors are represented, usually one from Tribhuvan University and another from among the other universities of the country. Further, two distinguished professors and two prominent educationists are nominated to the apex body. The tenure of the members including the Chairman and the

Member-Secretary is of four years from the date of the appointment; however, they are eligible be reappointed.

The present Board Members of UGC are as follows:

**Table 1. The University Grants Commission Members List - 2068/69**

SN	Name	Designation
1.	Prof. Ganesh Man Gurung	Chairman
2.	Mr. Bholanath Pokharel	Member-Secretary
3.	Prof. Shiva Kumar Rai (Member, National Planning Commission)	Member (Ex-officio)
4.	Secretary, Ministry of Finance	Member (Ex-officio)
5.	Secretary, Ministry of Education	Member (Ex-officio)
6.	Prof. Hira Bahadur Maharjan (Vice Chancellor, Tribhuvan University)	Member
7.	Prof. Maheswor Man Shrestha (Vice Chancellor, Purbanchal University)	Member
8.	Prof. Vidya Nath Koirala (Tribhuvan University)	Member
9.	Prof. Mahendra Singh (Tribhuvan University)	Member
10.	Prof. Shiva Sharan Maharjan (Tribhuvan University)	Member
11.	Mrs. Chirik Shova Tamrakar (Tribhuvan University)	Member

In order to undertake the various roles and responsibilities, UGC had initially set up four divisions: Administration Division, Finance Division, Planning Division, and Monitoring Division. With the implementation of the Second Higher Education Project in 2007, it has further added Quality Assurance and Accreditation Division, Research Division, EMIS Section, and Reform Unit. These divisions and units are headed by the officers of different abilities and experiences: the Administration Division is led by a Joint-Secretary Level officer, Finance Division by an Under-Secretary Level Financial Controller; Research Division and Quality Assurance and Accreditation Division by Professor Level academic staff. In addition to these, UGC forms different committees and tasks-force units to undertake and accomplish various responsibilities. The Regulation of the University Grants Commission charted out a number of provisions for the formation of different committees along with the provision of recruiting necessary temporary staff for such committees or other purposes, their service terms and conditions, or hire service providers, or get services of consultants and/or experts.

Currently, UGC has following committees working under it:

- University Coordination Committee
- Second Higher Education Project Steering Committee
- Research Council
- Quality Assurance and Accreditation Committee
- Research Evaluation Committee
- Quality Assurance and Accreditation Technical Committee
- Academic Committee

Besides the committees mentioned above, several other teams, tasks force units, and special task committees have also been formed. In this regard, Reform Committee, Cluster Committees, Peer Review Team, and Theme/Task Committee, University Feasibility Study Task Committee can be mentioned. To create a systematic archive of its activities and achievements, UGC has also formed a Publication Board which has achieved commendable success by publishing some historically important documents.

#### **1.4 Operation and Functioning of UGC**

The University Grants Commission has its systematic mode of operation and functioning concerning the uplifting the academic standards of higher education and enhancing and encouraging research activities in the country. In addition, it has significant roles concerning process of starting a new university; formulation of national academic policy; processing of budget allocation and grants distribution; setting criteria, norms and standards of higher education; and proving fund for research and academic activities.

##### **Process of starting a new university**

For establishing a university, Ministry of Education (MoE) asks UGC for formation of a task committee to undertake feasibility assessment, prepare suitable outline of the university, and develop a proposal. Accordingly, UGC forms a high level committee of experts to undertake the study – to review documents, interact with the stakeholders, and visit the proposed university site for making an assessment of the infrastructure as well as human resource. If the committee finds the prerequisites for opening a university to have been met, it charts out and suggests necessary steps to be undertaken along with a draft of the Act for the proposed university and presents it to UGC, which subsequently submits it to MoE. The final draft of Act is tabled in the parliament for approval. The new university is approved by the parliament with the endorsement of the Act.

Regarding the request for opening of higher education institution with affiliation to foreign universities, institutions, and/or programs, UGC presents its expert advice to MoE. The decisions are made on the basis of such report and advice.

### **On Formulation National Educational Policy**

Another crucial role of UGC is to provide expert advice on the formulation of the most appropriate higher education policies for the nation. Usually upon the request of MoE, UGC forms a policy drafting committee and/or task groups that undertake extensive review of the existing national policies on education, weigh its pros-and-cons, consult and interact with the stakeholders, take account of and analyze regional and global trends on the face of ever changing technological and economic world. Having studied all the necessary factors, particularly national, regional, and global needs and demands, the expert committee reaches to conclusion for a most suitable academic policy for the country. In order to effectively contribute to the nation's social, political, economic and environmental development processes, the higher education policies must address ever increasing demands for quality education to speed up the multifarious development of the nation. Viewing all such aspects, the expert committee of policy makers drafts its perspective on appropriate educational policy for the country. The draft is then submitted to MoE for formal adoption by the government. That is, UGC has its significant role in the adoption of national policies on education.

### **Process of budget allocation and grants distribution**

UGC also provides its advice to the government on the allocation of national budget for the education sector. The education-sector budgeting is coordinated by MoE, and it forms a task committee representing concerned organizations to formulate a suitable framework for allocating the budget. The final allocation of the budget is done by the Ministry of Finance in consultation with NPC and MoE. MoE and MOF may consult the concerned organizations and institutions in the process. Basically, budgeting process covers recurrent aspects and developmental aspects. In this regard, as one of higher education planning agencies of the country, UGC provides its advice to the government on how to allocate funds for developing and enhancing educational sector of the country.

### **Setting criteria, norms and standards of higher education**

Besides aforementioned roles and activities, UGC also sets up criteria, norms and standards of higher education in the country. In this regard, it is noteworthy that UGC initiated the establishment of a system called Quality Assurance and Accreditation (QAA) of educational institutions in 2007. For this purpose, it had formed a Quality Assurance and Accreditation Committee consisting of 17 members including UGC Chairman, Member Secretary, QAA Division Director, representatives of all the professional councils, selected representatives of universities, MoE, student unions, Deans and Department Heads, and prominent professors. Now, QAA Division has been formed at UGC and is fully functioning to accredit the quality of institutions of high quality of education.

UGC with the recommendation of QAA Committee has adopted criteria, benchmark and process for quality assessment and accreditation. Schemes of quality enhancement based on important criteria and indicators have been developed, and the process of QAA has been activated in selected number of campuses with the support of the Second Higher Education Project (SHEP). Currently, the process of QAA has been opened for participation of all interested and eligible institutions on voluntary participation basis. Process has already been launched to form an independent QAA Board for quality assessment and accreditation.

### **Funding for research and academic activities**

UGC is also devoted to the enhancement of research activities in the country as it provides different amount of grants to support the research activities of individuals and institutions. It has been providing funds for research activities of university teachers, independent researchers, and educational institutions for conducting academic seminars, workshops, and curriculum orientation programs. Besides, UGC also has its Academic Committee of Professors which provides necessary expert advice and facilitates the various quality enhancement programs run by academic institutions under the funding of UGC.

Since 2007, UGC initiated various schemes for supporting research activities of faculty members and institutions in order to link teaching and learning to the developmental needs of the nation through research and exact knowledge, thereby enhancing a culture of research and enquiry in higher education in the country. The funding schemes, which are sub-components of SHEP, include provisions of grant support to competitively selected research projects developed by faculty members and institutions, trainings on research methodology, conducting dialogues with industry and business establishments, establishing research management cells, and development of research library, and so on.

To support its efforts for enhancing research activities and culture of enquiry in the country, UGC has formed a 13 member Research Council represented by various stakeholders including universities, professional researchers, and the Federation of Nepalese Chamber of Commerce and Industries. It has also established a Research Division to undertake the initiatives and develop an effective system of research support. The initiatives are being supported by the Second Higher Education Project (SHEP).

### **Publication of Education Management Information System (EMIS) report**

As a stakeholder and system capacity developer of SHEP, UGC has been publishing higher education management information system (EMIS) data annually since 2007/08. It has identified EMIS to be an important factor in the formation and implementation of

higher education policy. Hence, it has laid due emphasis to the creation of archive system and publication of objective materials. Accordingly, the Research Division of UGC has developed tools for data collection which have been used for collecting data every year, and are proven to be very effective. After a proper and logical analysis of the collected data, they are published in a form of EMIS Report. In this regard, UGC has also hired consultant technicians and experts on competitive basis for the development of EMIS software, by which more effective management and analysis of the data can be made.

### **Implementation of Second Higher Education Project (SHEP)**

In order to materialize the major national goals of improving quality and relevance of higher education, the Government of Nepal, with the support of International Development Agency (IDA), has been implementing the Second Higher Education Project (SHEP, 2007-2014). The project has two major objectives and four main components. The main objectives of the project are to (a) achieve enhanced quality, efficiency, and relevance of higher education through a set of systemic reforms, and provide incentives to some selected exemplary institutions; and (b) improved access for academically qualified students from marginalized and disadvantaged groups to higher education and higher secondary education. In addition, there are four major components of SHEP: i) making timely and appropriate reforms in higher education; ii) providing financial assistance to needy and deserving students; iii) enhancing the quality of higher secondary education; and iv) strengthening the capability of UGC system. UGC in collaboration with TU and Student Financial Assistance Fund Development Board (SFAFDB) is responsible for implementing the components 1, 2 and 4 whereas MoE/DoE is liable to implement the component 3.

The successful implementation of SHEP is expected to i) enhance stakeholders' contributing participation in the reform process with the provision of matching grants; ii) provide grants on the basis of assessment of the performance; iii) select and provide financial assistance on the basis of "proxy means" to needy, poor, and disadvantaged so that they can complete their higher education; iv) provide financial support to public higher secondary schools to motivate them for better performance and to enhance their intake capacity; and v) strengthen system capability mainly through the implementation of Quality Assurance and Accreditation and EMIS.

### **1.5 Highlights of Activities of UGC in 2011/12**

The most important regular activity of UGC is to ensure the proper allocation of government-budget for higher education and to provide grants support to universities and community campuses. The second important responsibility of this statutory body is to

formulate and implement quality improvement programs. Thirdly, UGC regularly conducts seminars, academic exchanges, and policy reviews to uplift the academic standards of the country. Currently, the major bulk of its responsibility is to implement the Second Higher Education Project to its successful completion. Such activities are discussed in details in the following sections:

1. Budget and finances of UGC – Section II
2. Quality Improvement Program – Section III
3. Second Higher Education Project – Section IV
4. Higher Education Issues, Challenges and Way Forward – Section V

The followings are some of the brief highlights of the other major activities undertaken during the last fiscal year:

### **Celebration of Eighteenth Anniversary of UGC**

UGC organized a special ceremony to mark the eighteenth anniversary on 23<sup>rd</sup> November 2011. It was a remarkable ceremony in terms of participation and the exchange of ideas. Held in the UGC seminar hall, the ceremony was attended by the then Hon'ble Minister, and the Secretary for Ministry of Education, Vice -chancellors of different universities, professors, educationists, journalists, and the staff of UGC.

Addressing the ceremony, the Hon'ble Minister for education Dina Nath Sharma stressed on the urgent need to change the traditional mindset of the political leaders of the country. He asserted that this kind of mindset was responsible for the backwardness of the education sector, and it did not have any clear and concrete national education policy. He argued that, in an era of open economy, open politics and globalization, the four-decade-old education policies and the legal provisions pertaining them had been useless; it was evidenced by the relative disadvantage of Nepalese graduates in the international job-market. As panacea to these problems, Minister Sharma stressed that the parliament would pass the higher education bill, popularly known as “umbrella act”, which would revolutionize the country's education sector by producing much needed competent workforce and latest technologies for the nation.

As the key speaker of the function, Prof. Dr. Suresh Raj Sharma, Vice-chancellor, Kathmandu University, said that instead of promoting studies abroad, the state should enhance the quality of education within the country. Presenting the paper on higher education, he stated that the government is giving ‘No Objection Letter’ to 35,000 students every year for abroad study. Prof. Sharma stated that the government should increase the budget and draft appropriate policies to retain students by giving them quality education that up to the standards of 21<sup>st</sup> century.

Former Chairman of the UGC, Dr. Kamal Krishna Joshi emphasized that academics and universities should have full freedom for development of the higher education. He also suggested the government to make necessary revisions to the umbrella act as it undermined the roles and responsibilities of UGC.

The Member-Secretary of UGC, Mr. Bholu Nath Pokharel said that the traditional education system was of no use when the world was based on “knowledge economy”. Highlighting the programs and activities of UGC, he informed that the UGC was making interaction with the stakeholders regarding the formation of higher-education policy for the imminent federal structure of the country. He also urged the government to cancel out the proposed “umbrella act” that aimed to destabilize and undermine the autonomy of UGC.

The Chairman of UGC, Prof. Ganesh Man Gurung thanked all the participants, especially to the Hon’ble Minister Sharma, for their participation in the program. Closing the ceremony, he also requested to the Hon’ble Minister to incorporate the suggestions from the concerned stakeholders before passing the proposed education bill.

### **Seventh Meeting of the Committee of the Heads of UGC/Equivalent Bodies**

At the invitation of the Royal Government of Bhutan, Prof. Ganesh Man Gurung, the Chairman of UGC, Prof. Vidya Nath Koirala, Member of UGC, participated in the Seventh Meeting of the Committee of the Heads of University Grants Commission/Equivalent Bodies held in Thimpu from 19<sup>th</sup> to 20<sup>th</sup> April 2012. The meeting was chaired by Dr. (Dasho) Pema Thinley Hon’ble Vice Chancellor of Royal University of Bhutan as the leader of the delegation of the host country. The meeting discussed the matters relating to mutual recognition of professional degrees awarded by chartered universities of the member states in the SAARC region to achieve common regional educational standards, Quality Assurance and Accreditation mechanism and harmonization of the curriculum. In addition to this, the meeting also discussed the open and distance learning education with high priority.

### **Meeting with the President of Nepal**

The Chairman and the Member Secretary of UGC and the Vice-Chancellors met the Rt. Hon’ble President of Nepal Dr. Ram Baran Yadav at his office at Shital Niwas on 5<sup>th</sup> of April 2012. In the meeting, the President was updated on the present status of higher education as well as the challenges of higher education system in the country. Vice-Chancellors briefed the president about the status of individual universities. UGC Chairman Prof. Ganesh Man Gurung highlighted the issues such as policy gaps and

status of proposed “umbrella act”. Similarly UGC Member Secretary Mr. Bhola Nath Pokharel explained about the financing of higher education and challenges related to the governance.

### **Formation of University Coordination Committee**

In order to foster mutual exchange of experiences among universities, a University Coordination Committee (UCC) has been formed as per the Article 5 of *UGC Operational Guidelines*. The Vice Chancellors of all universities are the *ex-officio* members of UCC, in which the Chairman and Member-Secretary of UGC hold similar designation. The members of UCC are Prof. Dr. Hira Bahadur Maharjan, Tribhuvan University; Prof. Dr. Suresh Raj Sharma, Kathmandu University; Prof. Khagendra Bhattarai, Pokhara University; Prof. Maheswor Man Shrestha, Purwanchal University; Prof. Dr. Shiva Hari Marahaththa, Nepal Sanskrit University; Prof. Dr. Tri Ratna Manandhar, Lumbini Baudhha University; Prof. Dr. Kailash Nath Pyakurel, Agriculture and Forestry University; Prof. Dr. Padam Lal Devkota, Midwestern University; and Prof. Dr. Jai Raj Awasthi, Farwestern University. The first meeting of the Committee was held on 16th August 2011 at the UGC office, and all the members except Prof. Khagendra Bhattarai of Pokhara University were present in the meeting.

### **Participation in Asia Pacific Quality Network Conference**

At the invitation of the Secretary General of the Accreditation Committee of Cambodia, the Member-Secretary of UGC, Mr. Bhola Nath Pokharel participated in Asia-Pacific Quality Network Conference 2012 and Annual General Meeting (AGM) held from 28<sup>th</sup> February to 2<sup>nd</sup> March 2012 in Cambodia. Mr. Pokharel was accompanied by Prof. Dr. Kanhaiya Bhakta Mathema, the Director of QAA Division at UGC. The Member-Secretary Pokharel had the honor to chair the session on 29<sup>th</sup> February.

### **Disbursement of Physical Development and Regular Grants**

The University Grants Commission disbursed grants worth 40 million to the community campuses for the development of physical infrastructure during the fiscal year 2011/12. Upon the basis of set criteria, UGC accepted the grants-request proposals of the eligible campuses and provided them with funds, which is expected to contribute to their pursuit of academic excellence and physical infrastructure development. In this fiscal year, UGC also disbursed Rs. 16 million as regular grants to different community campuses. The total amount of grants has been increased this year to cover the additional number of community campuses that have been registered with UGC, and

have become eligible for the regular grants. The grants provided to such campuses ranges from Rs. 3 lakh to Rs. 9 lakh on the basis of pre-defined criteria and indicators.

### **Feasibility Study Report of Proposed Khowpa University**

UGC received the report from the task force that was assigned to conduct feasibility study of the proposed Khowpa University to be established in Bhaktapur. The task force led by Prof. Soorya Lal Amatyia submitted its report to the Chairman of UGC, Prof. Ganesh Man Gurung, at a meeting held on 5<sup>th</sup> September 2012. UGC had formed a five-member task force which included Prof. Uttam Narayan Shrestha, Dr. Lekh Nath Sharma, Hari Prasad Lamsal, Representative from Ministry of Education, and Kedar Prasad Acharaya, the Chief Finance Controller of UGC.

### **Publications for Systematic Archive**

In the last fiscal year, UGC initiated the systematic documentation and creation of print archive of its activities since the inception of this autonomous body. At the first phase, it published up-to-date abstracts of mini research projects in three volumes. The publication of the abstracts has made it easy for new researchers under the aegis of UGC to make it sure whether their proposed study-areas have already been undertaken. In the year 2012, UGC also initiated its much appreciated flagship publication entitled *The Journal of University Grants Commission*. Aimed to publish research articles in English for global audience in APA-style, the first volume of the journal published eighteen research articles by eminent scholars of the country. In addition, the *Annual Report 2011/2012*, as a record of annual activities of this autonomous body, also received much appreciation from all the stakeholders. Besides these publications, UGC has many other “to be published” projects in the pipeline.

### **Quality Improvement Programs**

The watchword for UGC in higher education is “quality” for which it provides substantial financial assistance to the researchers and scholars. In the last fiscal year, it provided fellowship to higher education fellowship to faculty members for pursuing their higher studies. In this regard, UGC awarded Ph.D. fellowship to forty-one teachers and M. Phil. fellowship to thirty-one teachers. In addition, twenty-five teachers of constituent and affiliated campuses are provided with financial grants for their Ph.D. study under miscellaneous support program. In the last fiscal year, UGC provided the financial support to 22 handicapped students from different campuses for their Master's thesis preparation.

UGC provided travel grants to thirty-eight teachers who were invited by international institutions to participate in conferences, workshops and seminars. Likewise, forty-five teachers from higher educational institutions received mini research grants in 2068/69. In addition, UGC provided the financial support to 55 higher educational institutions to host seminar/workshop/conference/training in the fiscal year.

### **Second Higher Education Project**

As the government has handed in the major responsibility to implement SHEP to UGC, this autonomous statutory body has initiated coordination with different stakeholders and brought about some remarkable activities and decisions to uplift the standards of higher education in the country. Some noteworthy outcomes of its coordinating role can be listed as follows:

- As per decision of the TU Executive Council, Mahendra Ratna Campus, Tahachal, Kathmandu, became an autonomous academic institution for better governance and better academic output. For the same purpose, additional six constituent campuses have become decentralized, and other 7 campuses are undertaking “in-house consultations” to move toward the decentralization.
- All the selected nine community campuses have received four rounds of performance grants under Scheme-A. Similarly, ten community campuses have been selected under Scheme-B and twenty-seven under Scheme-C, and have received four rounds of performance grants. Forty-two campuses selected under Scheme-D have received the first round of performance grants.
- Kathmandu University and Pokhara University have received fourth round of performance grants whereas Purbanchal University has received three rounds of the performance grants and is in the process of getting the fourth round.
- Funding support has also been provided to TU for the development of TUCL as a National Research Library on the basis of the strategic development plan that it had submitted.
- Fifty institutions have been selected, on the basis of national competition, are provided with funds for the development of research management cells (RMCs).
- In the last fiscal year, the call for proposals, their evaluation and selection was made; accordingly, presentation of shortlisted proposals for faculty research (300), institutional research (40), research support for Ph.D. (80), Master and M. Phil. thesis support (300) had been accomplished.

- Final round of support for conducting training on Research Methodology (55) has been completed. Supporting final round of seminars on Industry Academia Dialogue (25), and Culture of Inquiry (30) has been accomplished.
- The eight of the nine applying campuses have been awarded with QAA accreditation under Scheme-A.
- Currently, UGC has been undertaking higher education policy formulation initiatives. For this purpose, a twenty-two member Policy Committee representing various stakeholders has been formed under the aegis of UGC Chairman to undertake necessary steps.
- UGC has successfully launched the Educational Management Information System (EMIS) Report of 2010/11.

## SECTION II

### BUDGET & FINANCES OF UGC

---

University Grants Commission is a statutory and autonomous agency that manages the government funding to universities and community campuses. The government fundings to universities are made in the form of block grants. The block grants consist of two types of funds – operational and developmental. The operational funds for TU and NSU are estimated on the basis of the salaries and basic logistics provided to the teachers and other staff members. In the case of other universities, the funds are provided on the basis of the previous year's budget. In the case of the community campuses, a token amount of grants is provided on the basis of number of students and the programs run. Development funds are provided on the basis of need as well as the availability of government funds.

TU and NSU are run mainly with the government grants, which cover almost 90% of their operating costs. The government grants also form parts of the operating costs of PU and PokU. The operating cost of LBU, which is still at its developing stage, is almost totally covered by the government grants. The government grants are also allocated for the upcoming universities for their establishment and development. Since last two years, community campuses are receiving government grants on the basis of their location, student number, and the types and levels of the programs being run.

#### 2.1 Grants Received by UGC

In the fiscal year 2011/12, University Grants Commission received the total of Rs. 5,805,929,000 from the government under different allocation titles. Particularly, the government provided this funding to UGC under the two categories: as regular grants and to implement SHEP. In the form of recurrent and capital grants it received Rs. 5,021,429,000 whereas Rs. 784,500,000 was received to implement the Second Higher Education Project (SHEP). The total income of UGC during 2011/12 was Rs. 7,267,413,457.63, which included its opening balance of Rs. 1,446,288,284.12, miscellaneous income Rs. 15,196,173.51, and the grants received from the government Rs. 5,805,929,000.

#### 2.2 Grants Disbursed to Higher Educational Institutions

During the last fiscal year, UGC disbursed the total of Rs. 5,897,417,143.32 as funds to higher educational institutions and other grants to individuals. The disbursement of this fund was made under two broad titles: recurrent and development funding, which amounted to Rs. 5,154,973,643.32 and Rs. 742,443,500.00 respectively.

The both types of funding were made available to TU, NSU, PU, PokU, LBU, MWU, FWU, AFSU, whereas only recurrent funding was made available to KU. The recurrent funding was also allocated and disbursed for QIP Grants, Girls Scholarship, and SFAFDB. For the disbursement of the funds, UGC follows strict procedures as charted out by the *UGC Act* (1993), and other regulations and rules created under it.

### **2.3 Operating Expenditure of UGC in 2011/12**

In the fiscal year 2011/12, the total operating cost of UGC was Rs. 5175923044.27 on the different expenditure titles, of which broad ones include consumption, office operation, grants, services, and capital transfer expenses. The largest share of the expense was made for grants, which covered total of Rs. 5,162,496,852; the second largest portion of expense was made on consumption expenses that amounted Rs. 8,403,554.51; and it was followed by office operating expenses totaling Rs. 3,840,761.96. The other expenses were Rs.1,180,425.80 for services; and a nominal amount was spent on capital transfer which amounted Rs. 1,450. The official records of all these expenses have been neatly maintained and duly audited as it is a must for all the public organizations and institutions that receive significant regular grants from the coffers of the state. Thus, University Grants Commission has provisioned the initial auditing of its fiscal transactions by a licensed auditor, and then by the Auditor General.

## SECTION III

### QUALITY IMPROVEMENT PROGRAM

The University Grants Commission is not only devoted to the expansion of higher education in the country but also to the continuous improvement of its standards and quality. This approach serves the two-pronged objective: meeting the national need and competing in the global markets. In this regard, UGC has been organizing the Quality Improvement Program (QIP), which has the onerous responsibility to modify and improve the existing curricula of higher education, to conduct refresher courses, and to launch skills-and-capacity-building programs for teachers. In addition, QIP promotes the culture of research, improves academic, educational, and physical capabilities of the higher education institutions. The quality improvement programs are organized as per the *Quality Improvement Program Guidelines 2007*, and necessary endeavors for improvements have been made on the basis of the results of previous programs and suggestions from the stakeholders. The following table specifies the expenditure details of quality improvement programs organized in 2011/12 under the regular schemes of UGC.

**Table 2. Expenditure Details for Quality Improvement Programs under Regular Scheme of UGC in 2011/12**

SN	Programs	Expenses
<b>1</b>	<b>Refresher Course/Training Programme/Research</b>	<b>50,000.00</b>
	Refresher Course	50,000.00

### 3.1 Refresher Training/Training Program

The main objective of this program is to bring about discussions among the teachers for possible changes in the courses of study and to identify the best pedagogical methodologies. It also helps the teachers to enhance and build up their academic capability by making them familiar with to the latest information technologies and tools used in teaching.

#### 3.1.1 Refresher Training

The objective of “refresher training” is to help university teachers to get updated about the changes in the course-contents and teaching-methodologies. The refresher trainings are conducted by different authorities such as universities, subject committees, dean’s offices, departments, campuses, or other higher education institutions. The program-hosting institution or authority can submit a grant proposal to UGC along with an outline of the programs; if it matches the set standards, UGC provides a specified amount of grant. The proposal should be prepared according to the following guidelines:

- The proposal for refresher training and workshop can be prepared and submitted by a university, a campus, a department, or a subject committee.
- The proposal should include recommendation of the Dean, or the Department Chief, or the Campus Chief.
- In general, the timeframe for the refresher training should be of up-to three weeks.
- The subject matter of the program should be related to the curriculum of Bachelor’s or Master’s level.
- The related subject-teachers of the constituent and affiliated campuses of universities should participate in the program.
- The approved grants can be used for the following purposes:
  - Development of educational materials for training/workshop
  - Remuneration for experts
  - Report preparation
  - Other necessary expenditures.
- The grant amount will be decided by UGC.

### **3.1.2 Training Program**

Under this program, different trainings can be conducted to develop the capacity of the teachers and staff as proposed by the university, subject committee, office of the dean, department, campus, or other related body. Proposals for training program should meet the following criteria:

- The proposal should include the recommendation letter from the university, the dean, the chief of central department, or the campus chief.
- Subject teachers and staff of the university or constituent and affiliated campuses can participate in the program.
- The approved grants can be used for the following purposes:
  - Educational materials for training
  - Remuneration for experts
  - Report preparation
  - Other necessary expenditures
- The grant amount will be as decided by UGC.

### **3.2 Fellowship Program**

Fellowships are provided every year to the teachers of universities, affiliated, and constituent campuses to strengthen their academic capabilities. Particularly, UGC avails these fellowships for Ph.D. and M. Phil. scholars, who are also the university teachers. In order to obtain these fellowships, the scholars should come up with the set standards and procedure.

#### **3.2.1 Ph.D. Study Fellowship**

Ph.D. study fellowship is provided for teachers to enhance the quality of higher education through capability building. To be considered for the Ph.D. study fellowship, the permanent teachers from universities/affiliated campuses apply by submitting an application along with recommendations of the educational organization in which they are involved. The application and award process for the Ph.D. fellowship is as follows:

#### **Application Process:**

- The candidates should fill out the standard application form of UGC, and submit it within the stipulated deadline. Incomplete and late applications are not entertained.
- The application fee of Rs. 100 can be paid to the Financial Administration Division of UGC, or be sent by a bank-draft payable to it through Rastriya Banijya Bank, Sanothimi branch.

- For Ph.D. study fellowship, the age of the applicant should not exceed 50 years by the application deadline (for women, Dalits, and Janajatis the age limit is 52 years).
- Ph.D. study fellowship is provided only for those scholars who plan to study within Nepal, or SAARC countries.
- The teachers that have not yet been enrolled for Ph.D. study can still apply. If they are selected for fellowship, they should begin the study within one year of nomination.
- Candidates must submit a study-leave approval letter from the university, or the campus they are involved in.
- An interview will be conducted with the applicant to judge the appropriateness of his/her candidacy.
- The merit list of candidates will be published basing on their academic performance, publications, subject-matter of the study proposal, knowledge of the subject-matter, presentation, quota and quality of the research proposal.
- The number of fellowships will be determined in accordance with the availability of the budget.
- The details of the fellowship is as follows:
  - a. Fellowship of Rs. 4,500 per month will be provided.
  - b. A maximum of Rs. 10,000 for field-study on the recommendation of the supervisor. For this purpose, the candidate should present a detailed plan. Half of the amount will be provided in advance, the remaining amount will be provided after submission of the field report along with the recommendation of the supervisor.
  - c. For books and reference materials, Rs. 8,000 will be made available in two installments.
  - d. Up to Rs. 7,000 will be provided for laboratory expenditures for candidates of the faculty of science and technology. The candidate should present the bills of the items procured and a proof of the use of such items along with a recommendation of the supervisor.
  - e. Rs. 10,000 will be provided for typing and binding after submission of the thesis.
  - f. Rs. 10,000 will be made available as an incentive for the candidates submitting the thesis within three years of the enrollment to the program.
  - g. Monthly fellowships will be awarded in two installments per year. However, the fellowship amount for the last six months will be provided only after the submission of the thesis.

- h. Scholars should submit progress reports in every six months along with the recommendation of the supervisor, or the institution concerned. UGC can withhold the installments if the candidates fail to submit their progress report.
- i. The progress of the fellows will be reviewed through the presentations organized at the UGC office. The Ph.D. fellows are required to present the progress report once a year. The payment is withheld in case of failure to present the progress report.
- j. The miscellaneous work related to the fellowship will be as decided by UGC.
- k. Ph.D. fellows should sign an agreement with UGC concerning the terms and conditions of the fellowship.
- l. This fellowship is only for the candidates who have not received support from any other sources. The academic committee can terminate the fellowship and recover the paid amount from the fellows, if UGC learns of other sources of funding for the same Ph.D. study is being received.
- m. The chief supervisor of each Ph.D. fellow from a university in Nepal will be provided Rs. 5,000 once the fellow submits his/her thesis.
- n. The fellowship recipient will have to submit a report with appropriate reasons in case of failure to submit the thesis within three years after the registration for Ph.D. study. With a review of the report, the academic committee of UGC can extend the deadline for a maximum of two years, one year each time, if the reasons look satisfactory.
- o. The file of the scholars will be closed after five years and they will not get any support thereafter. The scholarship term will be terminated after five years when the candidate may not re-apply for the same thesis topic.

**Table 3. List of Ph.D. Fellowship Awarded in 2011/12**

SN	Name	Address	Subject
1	Kamal Prasad Acharya	Central Department of Education, TU	Education
2	Babu Ram Bishwokarma	N. R. College, Nepaltar	Education
3	Nathu Ram Chaudhari	Tikapur Multiple Campus, Kailali	Education
4	Subhab Thapa Magar	Namuna Bageshwori Multiple Campus, Dhading	Education
5	Gajendra Malla	Tri-Chandra Campus, Ghantaghar	Education
6	Santosh Ghimire	Sindhuli Multiple Campus, Sindhuli	Education

33	Sunesh KC	Myagdi Multiple Campus, Beni	English
34	Yadav Prasad Sharma	Saraswati Multiple Campus, Thamel	Nepali
35	Pradip Sharma	Dhaulagiri Multiple Campus, Baglung	English
36	Netra Pd Neupane	Chiran Milan Bishwo Shanti Campus, Bansbari	Nepali
37	Santosh Acharya	Urlabari Multiple Campus, Morang	Economics
38	Maya Timsina	Goldengate International College	Economics
39	Udhab Dev Bhatt	Siddhanath Multiple Campus, Mahendranagar	Nepali
40	Mahendra Bhandari	Brilliant Multiple Campus, Chabahil	Nepali
41	Rukmini Sharma	Ratna Siksyia Public Campus, Koteshwor	Nepali

### 3.2.2 M. Phil. Study Fellowship

A limited number of M. Phil. fellowships are provided every year to university or campus teachers pursuing M. Phil. study in their university or affiliated/constituent campuses. Fellows are selected through open competition. The number of fellowships depends on the availability of the budget. Under this program, a stipend of Rs. 2,500 a month is provided to each fellow in two installments in a year. An additional Rs. 5,000 is provided to the candidates once they submit the final copy of their thesis and a letter from the concerned department as a proof of thesis submission. Academic qualifications, publications, and interviews with the candidate will be the basis of selection to this program.

**Table 4. List of M. Phil. Fellows Candidates Awarded in 2011/12**

SN	Name	Address	Subject
1	Gyan Bahadur Tamang	Thames International College, Purano Baneshwor	Management
2	Kanchha Bhai Manandhar	Kavre Multiple Campus, Kavre	Mathematics
3	Rabindra Joshi	Liberty College, Anamnagar	Management
4	Saraswati Acharya	School of Science, KU	Mathematics
5	Shree Krishna Kharel	Padma Kanya Multiple Campus, Bagbazar	Management
6	Geeta Thapaliya	British Gurkha College, Bansbari	Nepali
7	Ganesh Prasad Bhandari	Panchthar Multiple Campus, Phidim	Sanskrit
8	Rosy Shrestha	B.P.Koirala Institute of Health Science, Dharan	Public Health
9	Ramesh Ghimire	Pindeshowr Campus, Dharan	Nepali
10	Krishna Bahadur Chand	Siddhanath Science Campus, Kanchanpur	Mathematics
11	Sherjung Khadka	Padma Kanya Multiple Campus, Bagbazar	Management
12	Bir Bahadur Karki	Prithivi Narayan Campus, Pokhara	Management
13	Dilli Ram Prasai	Post-Graduate Campus, Biratnagar	Sociology
14	Pitri Bhakta Adhikari	Tri-Chandra Multiple Campus, Ghantaghar	Physics

23	Krishna Raj Adhikari	Paschimanchal Campus, Pokhara	Physics
24	Govinda Pd. Acharya	Ratna Rajya Laxmi Campus, Exhibition Road	Nepali
25	Sanjay Kumar Jha	Patan Multiple Campus, Patandhoka	Botany
26	Atindra Dahal	Kantipur Valley College, Kumaripati	Buddhism
27	Dillee Prasad Paudel	Karnali College of Health Science, Ratopul	Public Health
28	Khageshwar Mandal	Padma Kanya Multiple Campus, Bagbazar	Mathematics
29	Man Bdr. Khattri	Dhawalagiri Multiple Campus, Baglung	Anthropology
30	Narendra Narayan Sahu	Chaitnaya Multiple Campus, Banepa	Linguistic
31	Dipak Raj Joshi	Jaya Prithivi Multiple Campus, Bajhang	Economics

### 3.2.3 Support for M. Phil. Thesis Preparation

A pre-defined number of teachers pursuing M. Phil. study in Nepalese universities are eligible for this funding if they have not received this fellowship or any other grant support previously. A maximum of two best theses selected by the concerned central departments will be awarded Rs. 15,000 each. Each year, a maximum of two students

from each central department will be awarded such support. The central departments of universities in Nepal will have to select the theses of two best students every year and submit them to UGC to get this support.

### 3.2.4 Support for Handicapped Students

Under this program, every year, up to 15 handicapped students pursuing Master's degree in any of Nepalese universities are provided up to Rs. 20,000 each for the thesis preparation through open competition. The application should include a letter from their respective departments testifying that the student has been registered for thesis; and photocopies of certificates of disability, Bachelor's degree, and provisional mark sheets of Master's degree should also be submitted. A half of the amount will be released in advance and the rest after the submission of thesis. The full amount is to be provided in a single installment if the student submits the thesis during the selection period. This fund has already been provided to the following handicapped students:

**Table 5. Support Programs for Handicapped Students in 2011/12**

SN	Student Name	Institute
1	Shiva Kumar Chapagain	Central Department of Education, TU
2	Nahendra Bahadur Chettri	Department of Nepali Bhasa, TU
3	Janak Bahadur Titara	Sanothimi Campus, Sanothimi
4	Hari Prasad Badal	Shankar Dev Campus, Kathmandu
5	Chunna Bahadur Thapa	Central Department of Education, TU
6	Vinod Parsad Paudel	Central Department of Rural Development, TU
7	Rudra Bir Karki	Central Department of Education, TU
8	Indra Prasad Upadhyaya	Public Administration Campus, Jamal
9	Kaladhar Bhandari	Central Department of Education, TU

13	Sampat Kunwar	Butwal Multiple Campus, Butwal
14	Hum Nath Adhikari	Butwal Multiple Campus, Butwal
15	Devendra Ghimire	Central Department of Economics, TU
16	Prahlad Khadka	Shankar Dev Campus, Kathmandu
17	Shreekanta Sapkota	Prithivi Narayan Campus, Pokhara
18	Madan Pundit	Apex College, Kathmandu
19	Ravi Dawadi	Central Department of Education, TU
20	Hari Prasad Baral	Mahendra Ratna Campus, Kathmadu
21	Sudan Maharjan	Shankar Dev Campus, Kathmandu
22	Krishna Prasad Dahal	Central Department of Education, TU

### **3.3 Research Promotion**

The promotion of the culture of research among individuals and institutions is one of the major objectives of UGC. This statutory body firmly believes that a research activity not only enhances academic and objective knowledge of an individual, but also of the concerned institution. In this effect, UGC has promulgated research support programs since its inception.

The following programs were carried out under this program in the fiscal year 2011/12:

#### **3.3.1 Mini Research Projects**

The aim of mini research projects is to orient teachers towards research by providing financial support for a period of six-months to the academics, who are up to Associate Professor Level, but without a Ph.D. degree. If the research is not completed within six months, the candidates can apply for an extension with justification up to two times.

The procedures for the grants:

- The proposals should be submitted within the stipulated deadline as mentioned in the notice.
- The proposal should be submitted in the format prescribed by UGC.
- The proposal should include recommendation from the concerned department and or campus along with an updated CV of the researcher.
- Selected candidates should sign an agreement within 45 days of the acceptance of the proposal.
- The researcher is provided with maximum Rs. 30,000, which is subject to tax deduction.
- The researcher should complete the research and furnish three spiral-bound copies of the draft report of the research work within the stipulated deadline to UGC.
- Incorporating the evaluations and suggestions received during presentation, the researcher should submit three corrected and final hard-bound copies and a CD copy of the report to UGC.
- The grant approved is to be provided in three equal installments. The first will be paid after acceptance of the proposal and submission of research plan; the second one, after submission of the draft research reports; and the final installment will be paid after the submission of final report.
- The draft and final reports must include an abstract of at least two pages.

- After submission of the draft report, Rs. 5000 will be provided for supplementing the typing and binding costs.
- The best researchers completing the research within the set deadline are conferred special awards on the anniversary day of UGC.

(See Annex B for the list of individuals who were awarded the mini research grants for the year 2011/12.)

### 3.3.2 Special Research

Under this program, one or more teachers/experts are provided grants for the research on the pre-defined topics. The Academic Committee of UGC invites applications for research on specified topics. Grants can also be provided for special research proposals received from educational institutions, departments, dean's offices, and professors, and associate professors with a Ph.D. degree.

### 3.3.3 Research Materials

Grants can be provided to researchers for certain research journals, books, equipment, and educational materials needed in the course of the research. After completing the research, they should submit the equipments acquired to their related department/campus. This support will not apply for those receiving a Ph.D. fellowship from UGC.

### 3.3.4 Miscellaneous Support

Under this program, teachers of constituent and affiliated campuses pursuing Ph.D. study without any support from any other sources are provided with financial grants. This support can be availed for field study, research materials, typing and binding, and other activities depending on the nature of the work. Candidates can apply for support with a recommendation letter of the campus chief, or the supervisor along with a proposal/progress report. This grant is available to candidates for one activity every six month. The support for typing and binding will be available to the candidates after the submission of their thesis. The candidates, who have past the five years of their Ph.D. registration, are not eligible for this support. For the support for field-study, candidates should furnish the supervisor's recommendation as well as a detailed plan of action. For obtaining grants for books, candidates must submit the bills thereof.

SN	Particulars	Maximum Amount (Rs.)
1	Field Study	10,000
2	Book/Reference	8,000
3	Typing/ Binding	7,000

**Table 6. The list of teachers who received miscellaneous supports in 2011/12**

SN	Name	University
1	Bishnu Timilsina	TU
2	Narayan Chalise	Nepal Sanskrit University
3	Shyam Prasad Khanal	Nepal Sanskrit University
4	Birendra Pudasaini	Amodya M. Campus, Gorkha
5	Bishnu Kumar Khatri	Pashupati M. Campus, Chabhil
6	Laxmi Pokhrel	TU
7	Hari Prasad Aryal	TU
8	Dhurba Prasad Dhakal	Butwal M. Campus, Rupandehi
9	Medani Prasad Sedhai	Post Graduate Campus, Biratnagar
10	Raj Narayan Yadav	M.M.A.M. Campus, Biratnagar
11	Dila Sangraula	M.M.A.M. Campus, Biratnagar
12	Gopal Prasad Bhandari	Urlabari M. Campus, Jhapa
13	Ajay Bhattarai	M.M.A.M. Campus, Biratnagar
14	Shree Ram Khanal	TU
15	Laxmi Raj Pandit	
16	Murai Prasad Parajuli	New Horizon College, Butwal
17	Purushotam Marhattha	Ratna Rajya Laxmi Campus
18	Prakash Jung Shah	Prithivi Narayan Campus, Pokhara
19	Rajendra Prasad Regmi	Birendra M. Campus, Chitwan
20	Rojnath Pandey	Kathmandu University

### 3.4 Teaching/Study Visits

#### 3.4.1 Senior Professors' Teaching Visits to the Campuses

Under this program, the subject teachers are provided the grants for short-term teaching visits to constituent/affiliated campuses of universities in order to improve teaching-learning activities and provide assessments to improve teaching standards.

The following process should be followed to receive the funding:

- The teacher has to be a professor or senior associate professor having expertise and experience on the subject.
- UGC or the concerned campus will select the teacher and the program should be conducted by the campus itself.
- The concerned campus should submit the details about the subject, time period, and the service expected from the expert to the UGC.
- If the proposal is accepted, necessary expenditures needed for up to two teachers per college can be provided. The amount provided can be used to cover the daily allowance, travel allowance, and remuneration of the teachers concerned.
- The remuneration will be paid after the teacher submits the details of the activities certified by the concerned campus.

### **3.4.2 Visit to Institutions of SAARC Countries for Special Study/Research**

Under this program, financial support is offered to teachers of universities or affiliated campuses to participate in short-term special study or research within the SAARC countries.

The following process should be followed:

- With justifications and recommendations of the concerned department, application for funding can be made to travel to any university or educational institution within SAARC for special study or research.
- Under this program, UGC pays partial costs of the teacher's travel, accommodation, and living costs during the stay in the institution.
- Candidates should submit the acceptance letter from the host institution along with the application.
- This support is not provided to those who have already received fellowship from UGC or any other organization.
- The amount of support will be decided by the Academic Committee of UGC.

### **3.4.3 Travel Grants for Participation in Seminars/Conferences**

Under this program, partial financial support is offered to teachers invited by international institutions to participate in conferences, workshops, or seminars to present their work papers or posters. The support can include travel costs, living costs, and in special circumstances, or registration charges.

The following documents are required to seek for this grant:

- Letter of Invitation from the host institution;
- Recommendation letter from the head of the applicant's educational institution;
- A letter from the host organization clarifying the availability or non-availability of the financial or other support;
- A ticket or letter from the official sales agent or travel agency with the tariff;
- Acceptance letter from the organizers specifying the applicant's topic of presentation, work paper, or poster along with its brief summary.

The concerned academics must present a report with the description of the program to UGC within a month after returning back from the visit. Although UGC can approve the travel grant before the travel, the amount is reimbursed after submission of the

necessary documents to UGC upon the completion of visit. While providing travel grants, priority will be given to teachers who have not received such support in the past. This grant will be provided only once a year. In the case of group delegation, the grant support is provided only to the group leader.

(The details on travel grants received by teachers in the last fiscal year are presented in Annex C.)

The mode of support is as follows:

SN	Country	Maximum Amount (Rs.)
1.	Bhutan, Bangladesh and India	10,000
2.	Pakistan, Sri Lanka, Maldives, Thailand, Burma, Malaysia and Combdia	15,000
3.	Country expect 1 and 2	20,000

### 3.5 Seminars/Workshops/Conferences

Under this program, partial financial support is provided to academic societies of universities, campuses, departments, and the related agencies to host a seminar, workshop, and conference to study and analyze contemporary issues or problems in a specific area. The societies should organize such events jointly with the campus or the concerned department.

The following procedure should be followed to receive the fund:

- The institution should submit a proposal with the details of the theme, nature, duration, and venue of the program along with the estimated costs, topics of the working papers, list of writers, and the detailed schedule.
- The teachers whose subject is related with the theme of the program will be the participants of the program as far as possible.
- The approved amount will be provided after the completion of the program and the submission of the report.
- After the completion of the event, detailed description of the program and documents should be submitted to the UGC office.
- To apply for the support, proposals should be submitted in a prescribed format of the Quality Improvement Program under UGC.

The amount for such support is decided on the basis of the nature of the seminar, workshop, or conference, and its duration, number of participants, objectives of the event, and the possible impact of the program.

The following table specifies the range of the support that can be provided to such events:

SN	Program	Support Amount (Rs.)
1.	Local level program	30,000
2.	National level program	50,000
3.	Regional (SAARC) level program	75,000
4.	International level program	1,00,000

(The list of the higher education institutions that received grants for conducting seminar/workshop/conference is presented in Annex D.)

### **3.6 Grants for Strengthening Library and Purchasing Equipment**

In order to enhance the quality, capability, and infrastructure of community campuses, a number of grants are provided on a number of topics. The major topics for this type of funding include grants for purchasing books, furniture, computers, physical infrastructure, and teaching materials.

#### **3.6.1 Grants for Purchasing Books**

Under this program, UGC provides grants to community campuses to purchase books to enrich their libraries. The process for receiving this grant is as follows:

- The campuses should submit their proposals seeking grants to purchase textbooks and reference books explaining the overall situation of their libraries.
- Proposals should include separate list of the textbooks and reference books that are deemed essential along with a complete price list the books and the number of copies required.
- Proposals should arrive at the UGC office within the stipulated deadline.
- The grants received under this heading must be used for purchasing textbooks and reference books.
- In the case of constituent campuses, a grant for books and journals can be provided if the campus/department is running or going to run a new post-graduate course.

#### **3.6.2 Grants for Purchasing Furniture**

Under this program, grants can be provided to community campuses to purchase furniture for their libraries. The process of obtaining the grants is as follows:

- The campus should submit a proposal along with the detailed description of the existing situation of the furniture in their libraries.
- The proposal should also include the details of the furniture needed.
- The proposal should arrive within the deadline as mentioned in the notices or circulars issued by UGC.

- The proposal should mention the total cost of the furniture to be bought, and also should specify how much is being sought from UGC and what amount is being allocated by the concerned campus.
- The grant-support received under this heading must be used for buying the furniture as mentioned in the proposal.

### **3.6.3 Grants for Purchasing Computer**

UGC also provides grants to community campuses to purchase computers to help them efficiently execute their administrative and academic activities through a systematic use of information technology. To receive this support, the campuses should apply within the stipulated deadline, and the grant received under this category must be used for purchasing computers. The approved amount is released only after the bills are submitted.

### **3.6.4 Physical Facility Development**

The grants under this program are provided to extend the physical facility of classrooms and library rooms in community campuses, where they run Bachelor's or Master's courses. The procedure to obtain the grants under this category is as follows:

- The proposals, which have to be submitted within the stipulate deadline, should explain the current situation of classrooms and library rooms, reasons for adding the rooms, and the estimated cost for such extension.
- A partial grant can be provided on the basis of matching fund depending on the physical infrastructure of the campus and the number of its students.
- The campus receiving the grant should submit a report on expenditure details for the construction of library rooms and/or classrooms.
- UGC can monitor or supervise the activities under this funding program.

### **3.6.5 Development of Teaching Materials**

Under this program, financial support is provided to institutions to publish books, reference materials, and study materials by forming an expert taskforce or by organizing workshops on a specific subject. To receive this support, proposal should be submitted by a university, campus, Dean's office, subject committee, department, or educational institution. The proposal must mention the names of experts, date, venue, and period of the event as well as the number of participants.

(The list of the community campuses that received grants for physical development, purchasing books, furniture and computer is presented in Annex E.)

## **SECTION IV**

### **SECOND HIGHER EDUCATION PROJECT**

---

#### **4.1 Background**

The Second Higher Education Project (SHEP) has been in implementation effective since 27 July 2007 and will continue till 15 January 2014. International Development Agency (IDA) has provided technical as well as grant support to the project under the agreement IDA Grant H274-NEP. The project has been designed and implemented in line with the national objective of developing higher education system in Nepal: it aims to produce professional human resource capable of serving national demands and competing in the global market, to develop technological base that is much necessary for the national economic growth and prosperity, and to foster research-based knowledge that is capable of making social reforms, harmony, and all inclusive democratic society.

The main objectives of SHEP are to achieve --

- i. enhanced quality, efficiency and relevance of higher education through a set of systemic reforms, and incentives to selected institutions; and
- ii. improved access for academically qualified students from disadvantaged groups in (a) higher education and (b) higher secondary education.

#### **4.2 Components of Project**

The project has following four major components:

1. Reform grants;
2. Financial assistance to students;
3. Enhancing higher secondary education; and
4. Strengthening system capacity.

The Second Higher Education Project (SHEP) envisages to achieve its objectives by providing grant assistance to above-mentioned components. The UGC as the most accountable implementing authority of SHEP, it has initiated following assistance, reform and policy making activities.

- Reform in higher education institutions through incentive grants motivating them to undertake bold initiatives to bring about remarkable reforms; performance grant for better performance and progress; and matching grants for encouraging participation of stakeholders for resource mobilization initiatives have been provisioned.

- The other part of the reform grants is to support research activities, thereby improving teaching and learning with strengthened research capability, and also inculcating research cultures in the institutions.
- Improvements in governance, management and financial sustainability have been emphasized.
- Establishment and operation of a student financial assistance scheme, with the seed money from the pocket and expand the provision of trusting fund that is being rolled as strategic expansion of the funding support from the stakeholders.
- UGC is supporting improvements of higher secondary level education to reinforce quality and capability of the students.
- Establishment of Quality Assurance and Accreditation System (QAAS) and Higher Education Management Information system (HEMIS) are deemed as the milestones for enhancing the quality of higher education.

In this regard, UGC along with TU and SFAFDB is responsible for implementing components 1, 2, and 4. DoE is responsible for component 3. This report covers the progress components 1, 2 and 4. The components have been further specified in terms of subcomponents, major specific aspects and provisions.

### **4.3 Brief Overview of SHEP Implementation and Achievements**

The project implementation is reviewed jointly by IDA, MoE, MOF and UGC along with other implementing agencies, i.e. TU and SFAFDB, annually. The monitoring reviews are carried out on trimester basis. The mid-term review of SHEP implementation was conducted in February 2010 following which the project was restructured to the current provisions.

Originally, the budget allocation was 60 million which has appreciated to 63.27 million because of the exchange rate adjustment of USD against SDR under which the allocation amount of SDR 41,600,000 is fixed. The fund available in NPR has further appreciated due to depreciation of NPR against USD. As of August 2013, the total expenditure is about USD 47.32 million which is about 74.8% of the total. A recent review of the project in July 2013 rated the project management as “satisfactory” which is an upgrade compared to earlier status of “moderately satisfactory”. The overall implementation progress in terms of expenditure remains moderately satisfactory.

The following is a brief account of the component-wise achievements of SHEP implementation under UGC, TU and SFAFDB until July 2013.

### **Institutionalization of Autonomy**

- Mahendra Ratna Campus, Tahachal, Kathmandu, became “autonomous” as per the decision of TU Executive Council, and a MoU was signed between SHEP PIO and the campus on March 13, 2013 for the support of the project. This is the fourth campus to become autonomous. The other three autonomous campuses are Mahendra Ratna Multiple Campus (MRMC) in Ilam, Dharan Technical Campus in Dhankuta, and Ayurveda Campus in Kathmandu. The project, as per revision of the mid-term review, has aimed to support three other TU constituent campuses that are in the process of becoming autonomous. All these campuses have been receiving earmarked grant as per the TU Autonomy Regulation.
- In order to address and incorporate the concerns of the teachers and students of the first autonomous campus, the *Autonomy Regulation* was revised in 2011.
- Additional six constituent campuses of TU have become decentralized; further seven campuses are undertaking in-house consultation to become decentralized.
- Twenty-one market oriented new “window programs” have been launched by the seventeen different institutions, faculties, central departments, and campuses. Several support requests have been received.
- TU has initiated measures to build confidence among the institutions to move towards the reformations. One important aspect of such measures is to encourage them to adhere to its academic calendar.

### **System of Performance-Based Grants**

- Four TU autonomous campuses and 27 decentralized campuses of TU have been selected for participation in the SHEP reform-grant, and are getting funds to this effect. The first batch of the ten decentralized campuses, that were initially provisioned and joined for SHEP grants, have produced the baseline data and annual progress data for the 1st, 2nd and 3rd. Accordingly, they have obtained 3 rounds of performance grants.
- After MRMC became autonomous campus in 2009, there were nine other campuses working towards their autonomy. Based on the progress, the provision has been expanded to include twelve decentralized campuses, and recently to additional six decentralized campuses. Six of the participating decentralized campuses have applied for “matching grants”.
- A total of ninety community campuses -- nine under Scheme-A, ten under Scheme-B, twenty-eight under Scheme-C, and forty-three under Scheme-D -- have joined for SHEP reform grants. One of the Scheme-D campuses has been dropped from the

support for the lack of compliance to participation criteria. With this provision, the participation thus covers all the districts that have community campuses.

- All the nine community campuses selected under the Scheme-A have produced performance-indicator-baseline data and annual progress data since 2009. Accordingly, they have received four rounds of performance grants. Similarly, ten community campuses selected under Scheme-B and twenty-seven under Scheme-C have received four rounds of performance grants. Forty-two campuses selected under Scheme-D received the first round of performance grants. The campuses are on the process of getting the next round of the performance grants, some of them have already received.
- All the campuses under Scheme-A, -B, -C, and -D have prepared their respective strategic development plans for the years of their selection. They review their respective plans annually. The campuses are undertaking the reform activities in line with their strategic development plans using the SHEP provisions of “matching grants” as well as “performance grants”.
- Kathmandu University and Pokhara University have received fourth round of performance grant. Purbanchal University has received three rounds of the performance grants and is in the process of getting the fourth.

### **Formula Based Funding for Universities**

- UGC has established the standards for funding to KU, PokU, and PU as per the MoUs signed between UGC and the universities regarding their participation in SHEP Reform Grants. Additional regular budget from the government source has been arranged for the universities on the basis of the agreed upon standards.

### **HE Research for Quality and Relevance: System of Competitive Research Funding**

- The research funding support is provisioned on the basis of annual target. Public announcements are made on national dailies, UGC website and notice board for the submission of proposals that are selected on competitive basis. Funding support has also been provided to TU for the development of TUCL as a National Research Library on the basis of the strategic development plan that it had submitted.
- IoST is undertaking the tasks of strengthening research labs of 12 central departments in TU with the SHEP research infrastructure support fund. Earlier, UGC had supported IoST to undertake detailed assessment of the lab equipments. Based on the assessment outcomes, IoST prepared a detailed proposal for strengthening the labs. The proposal included listing of repairs and updating of equipments as well as the addition of accessories to strengthen the labs. It has also

identified the goods and service-procurement required, and prepared a procurement plan. A MoU was signed between UGC and IoST for the provision of the fund to IoST.

- Also 50 institutions selected on the basis of national competition are provided support for the development of research management cells (RMCs). Fifty percent of the supports are provisioned for the institutions operating outside of Kathmandu Valley. Provisions are also made for additional support, for which the results of the initial round of institution-selection have been announced; the final round which consists of field verification is in the process.
- The calls for all annual proposals, their selections including proposal evaluation, presentation of shortlisted proposals for faculty research (300), institutional research (40); research support for Ph.D. (80), Master and M. Phil. thesis support (300) have been accomplished.
- Orientations have been carried out for all the recipients of the research-support grants award.
- Desk monitoring, field-based monitoring, and follow ups of all the research supports as well the observation-evaluation of the supported TU central library have been conducted. Similarly monitoring visits to nineteen RMCs have been completed; the process for monitoring of the remaining ones is being undertaken.
- Similarly, final round of support for conducting training on Research Methodology (55) has been completed. Supporting final round of seminars on Industry Academia Dialogue (25), and Culture of Inquiry (30) have been accomplished.
- Fifteen articles published by the SHEP research-support award recipients in indexed/referred journals with ISI impact factor have been tracked; more than thirty additional articles published in professional journals have also been tracked. An advisory committee and a task group have been formed to expedite the process of strengthening laboratories. The process is being conducted in collaboration with the Dean of Institute of Science and Technology, TU.

### **Student Financial Assistance**

- SFAFDB is now processing selection for the scholarships awards to the 5th cohort of the higher secondary level and bachelor's level students. It has accomplished the scoring of PMT applications of both categories (Cat.-A and Cat.-B) of students by checking SLC and HSEB examination results published by OCE and HSEB to ascertain the veracity of the applicant's claim; preparing preliminary welfare ranking; and verifying and finalizing the preliminary list. Thus, a final welfare ranking list of the students has been prepared for the scholarship support. It is undertaking Award

Confirmation Form (ACF) finalization of the 2nd, 3<sup>rd</sup>, and 4<sup>th</sup> cohort of students under the both categories.

- SFAEDB has already formed the Work Study Committee (WSC) and the Fund Raising Committee (FRC), and has developed a system to analyze and disaggregate PMT applicants and eligible students for providing financial assistance from SFAFDB on the basis of the levels of education, poverty quintiles, ecological and political development regions, districts, gender, *Dalit* communities, marginalized and disadvantaged groups, and *Janajatis*.
- In order to ensure more effective and efficient implementation of the SFA plan, SFAFDB has developed a communication strategy; the SFA Information Booklet has been updated. It has developed up-to-date website; through internet access, students and stakeholders can now get information regarding individual/category/district wise total PMT score and the final result. The information in PDF files can be downloaded. The results can also be checked individually through Nepal Telecom (NTC) automated system by dialing 1640 through any of the NTC telephone system across the country. A web-based SFA administration system including use of e-banking in close coordination with the commercial banks has been setup.

### **System of Quality Assurance and Accreditation**

- Implementation of QAA system development continues to progress; a legal framework for QAA has been prepared; its guidelines are reviewed annually, the roster of the resource persons are reviewed regularly. The calls are made public for LOI from potential and eligible institutions for participation. Further, UGC has developed functional relation with National Assessment and Accreditation Council (NAAC), India, for collaborating on the development and implementation of QAA in Nepal. It has become a member of Asia Pacific Quality Network (APQN) for Higher Education and International Network for Quality Assurance Agencies in Higher Education. It has also extended relation with other international organizations such as Australian Universities Quality Agency (AUQA) and Council of Higher Education for Accreditation (CHEA) of higher education institutions.
- Application of QAA system was started with pilot implementation in the nine Community Campuses (Scheme-A) selected from national and regional level competition for participation in the SHEP Reform Grants. Eight of the nine campuses have become QAA accredited. Only Birendra Multiple Campus, Surkhet, could not complete QAA cycle.
- Further, School of Science and School of Engineering under Kathmandu University have completed QAA cycle and are accredited by UGC. Similarly, Adikavi

Bhanubhakta Multiple Campus, Tanahun, selected under Scheme-C and Tikapur Multiple Campus selected under Scheme-B have completed QAA cycle.

- With the strategy of system development, disseminations, and media mobilization, QAA has gained public interest and participation. In response to the public call for participation of higher education institutions in QAA, eighty-two additional institutions have applied so far. Until June 2013, additional fifty-four eligible institutions have been provided orientation and technical support for participation and are in the process of undertaking self-assessment. The remaining will get orientation in August.
- The ground work is being done for the formation of an autonomous National Quality Assurance and Accreditation Board. Draft of the Regulation has been prepared and already been submitted to MoE on April 4, 2011 (2067/12/21) for necessary action.

### Higher Education EMIS

- EMIS for higher education is on the progress with accomplishment of consolidating the system of routine data collection from higher education institutions. *UGC Annual Report* has been prepared on annual basis for publication and circulation. UGC has already published the 4th issue of the Annual HEMIS Report.
- Framework for an up-to-date website has been prepared and launched; preparation of the data for progress monitoring and calculation of performance grants has been accomplished routinely supporting the implementation of the SHEP Reform Grants.
- UGC has been, on annual routine basis, contributing data for higher education statistics of the Ministry of Education; preparing performance grants baseline and progress data.
- UGC is gearing up its EMIS unit by developing comprehensive software for enhancing its system of higher education database. A consulting firm and a group of technical experts have been selected through national bidding process; and they have already prepared software which has been launched on the website (<http://ugc.nitc.gov.np>) for piloting purpose. Currently, UGC is also undertaking collaborative work with the universities and other higher education institutions in this regard.
- TU is also developing a comprehensive software based EMIS consisting of modules for exams system, teacher and staff record, financial management, student records, overall planning and monitoring.

### **Higher Education Policy Framework**

- Currently, UGC has been undertaking higher education policy formulation initiatives. In order to make policy-framework comprehensive, credible, acceptable to all stakeholders, their participation in policy formulation remains crucial. With this view, UGC policy committee emphasized on wider participation of stakeholders in policy formulation process for higher education. Thus a twenty-two member policy-committee representing various stakeholders has been formed under the UGC Chairman to take necessary steps.
- The committee has identified five crucial areas of policy concerns and has formed five thematic task groups each consisting of five experts of the concerned areas, and coordinated by a senior expert to draft theme-based policy documents. The identified thematic areas include: 1) redirecting thrust for development and innovation in higher education; 2) establishing and strengthening universities and higher education institutions; 3) regulating and monitoring the educational institutions operating in the country with foreign affiliations; 4) quality assurance in higher education; and 5) financing for higher education. The thematic committees have prepared discussion papers.
- Consultation seminars have been organized to learn and incorporate the views of --
  1. The policy level stakeholders such as incumbent and former ministers, NPC members, VCs, Registrars and Rectors, UGC members, members of academic committees on 10 February 2013;
  2. Different stakeholders in five development regions of the country such as higher education institutions, local government bodies, industry and business communities, employers, students, teachers, and administrators, local leaders, educationists between 26 February and May 31, 2013;
  3. Teachers, students and staff unions on June 20, 2013.
  4. Finally, a national workshop for finalization of the draft organized in July, and the draft has been submitted to MoE for the final endorsement by the government.

Earlier, UGC had announced the initiatives and called for feedback and suggestions from people in general through national dailies and the UGC website. Email address [hepolicy@ugcnepal.edu.np](mailto:hepolicy@ugcnepal.edu.np) was created to collect on line feedback and suggestions.

### **Overall Development of Higher Education System**

- Orientation programs are conducted for all the higher education institutions participating in SHEP to create specific guideline on different topics and issues such as reformation process, strategic planning for developmental tasks, QAA process and self-assessment, development of EMIS, and the procurement

procedures including the provisions and regulations. System of follow-up supervision and technical support has been gradually built with the participation and support of the institutions.

- Financial management and control system has been improved with operational FMIS, intensified monitoring, and technical support. In this regard, UGC FM team has visited more than twenty institutions including the two participating universities and reviewed their financial management and control systems.
- Procurement processes are progressing with proper planning, and acquiring goods and services as listed in the plan. Annual field-based follow-up and progress monitoring have been scheduled since the last year.
- All participating higher educational institutions benefitting from procurements have prepared the procurement plans that are reviewed and consolidated by UGC, and also duly reviewed by IDA before the approval and commencement of the funds. This is a significant move towards improved fiduciary management at the level of beneficiaries.
- Systematic reform of Financial Management Division is further geared up. Computerized Financial Management System has been prepared and installed. Similarly, internal audit, settlement of audit compliance as well as overall capacity development of procurement, financial management, planning and program development, monitoring and evaluation have been initiated.
- Because of the vigorous efforts, reform grants disbursement has improved substantially since last fiscal year despite the challenges and hurdles faced by UGC.

#### **4.4 Prospects and Challenges**

There are three major challenges for this year: 1) clearing of the backlog tasks from the earlier period which were impaired due to various difficult circumstances; 2) timely completion of the regular tasks as well as other tasks initiated by the project; and 3) systemic absorption of good features and results of the project works, modalities, and researches. Accomplishing the tasks as per the annual plan of this year has been a matter of central concern this year.

While discussing component-wise progress, it is noteworthy that all the recently selected forty-three community campuses under Scheme-D have prepared their baseline and progress data, and are in the process of the second round of performance-progress assessment. They need to be facilitated for effective utilization of the performance and matching grants. In addition, all the participating institutions such as the universities, autonomous and selected decentralized campuses of TU, selected community campuses

under Scheme-A, -B, -C and -D have produced the baseline and final round of annual progress data. The monitoring of their progress and utilization of the performance grants needs to be continued.

Provisioning matching grants for the universities and the campuses participating in SHEP reform grants has remained a challenging task. Although there has been remarkable increase in the volume of the proposed procurement activities, the capacities of implementing bodies as well as the beneficiaries are stressed to the limit in order to ascertain the fairness of the procurements. It has been pointed out that there is need for expanding the personnel capacity to address the challenges of implementing matching grants. The important matching grant tasks concerning Scheme-D campuses have been accomplished; they also are being supported in preparing procurement plans in line with their approved strategic plans.

This year, coordination efforts have been intensified particularly with TU through the joint-coordination committee. The efforts are focused to address the challenges of solving systemic issues such as developing integrated EMIS, inducting QAA system in TU, and coordinating performance based progress monitoring.

The main goals of research funding to universities, faculty members, and students under SHEP are to develop their research capability and inculcate research culture in higher education. There are two important aspects in the research funding: the first one to enhance research activities and the second one is to develop robust system and mechanism of research funding. In this regard, UGC has made explicit provisions of: i) prioritizing the research area in line with the national development needs and issues for research support and; ii) creating systems for monitoring and providing technical support to ensure quality of research. Similarly, the scheme of mobilizing subject-area clusters committees, evaluation committees, and expert pools for quality monitoring, supervision and technical support have been brought into action; and there is good scope for their effective mobilization. The Research Division of UGC has started desk-monitoring of all the awards under SHEP; there is scope and need to make it effective in monitoring the quality aspects of research activities and the reports. As per strategy for reform in research funding, consultation meetings have been held with the major stakeholders including deans, head of the central departments, campus chiefs, and experts.

As a new thrust towards enhancement of research quality, UGC has started publication of the abstracts of research reports. From this year on, UGC has also started regular publication of the journal of research articles based on the research projects that it had supported. The first volume of the journal has already been published.

The scheme of student financial assistance has been gradually established as a credible system of identifying the needy students using proxy-means test and bringing support through a transparent and traceable funding mechanism involving SFA, the system of DEOs, and a financial institution, RBB. A web-based scholarship tracking and

disbursement through RBB has been established. SFA scheme expertise has been extended to similar students support in their technical and vocational education. There are three challenges for the system: i) expanding the system and making it sustainable ii) setting up an effective mechanism for work study program and iii) setting up a system and mechanism of student loan.

The QAA system under UGC has now has established a set of criteria, benchmark and assessment tools, and modalities to ensure the high standards of higher education institutions. The system is governed by QAAC, the technical committee, and the roster of peer reviewers. It is now moving further to strengthen its linkages with APQN and NAAC to improve the system. The QAA system has gradually acclaimed due recognition by attracting more institutions to participate in the process. Since last two years, UGC has made regular public announcement for eligible and interested institutions to submit LOI on annual basis; and in response it, a number of institutions have joined themselves to the process. There are now sixty-seven institutions that have participated in the system— ten accredited, additional two have completed the QAA cycles and four have submitted final SSR. This year, further twenty-six institutions including private and public ones have submitted LOI, and they are being processed for eligibility assessments for QAA participation. QAAC is also undertaking the task of follow-up monitoring of the accredited institutions. UGC has envisioned formation of an autonomous QAA Board, and has prepared necessary regulations for it. The challenge is to get the process accomplished: Act has to be endorsed by the government, regulations have to be prepared, and comprehensive office has to be established.

Higher education EMIS is another important aspect of system capacity development. Towards this, UGC and TU are working together to ensure regular data-generation, analysis and reporting. Both UGC and TU have initiated development of computerized comprehensive data-base systems. Besides, UGC has consolidated the system of annual EMIS report publication and dissemination thereby getting feedbacks. In addition, developing a culture of data use is another aspect the project. Data reliability, accessibility, and timely availability are important parts for which UGC has now prepared computer based EMIS, which is available online at [www.emis.ugc.gov.np](http://www.emis.ugc.gov.np). The challenge for this project is to get the system comprehensively implemented to all the higher education institutions. The universities and the campuses participating in SHEP have continued to face the challenges of up-keeping and maintaining the data system.

Attaining functional autonomy of constituent campuses under has remained a major challenge mainly because of the national political milieu directly affecting the decisions. Political consensus building regarding national strategy for keeping higher education a purely academic domain where political issues are considered for academic/conceptual solutions rather than inhibitive political activities.

Field-based monitoring of the performance progress has been started. The monitoring exercise has indicated a need for more support to the participating institutions in establishing EMIS at the level of participating institutions. There is a need for developing an adaptable framework, capacity building work and a system of technical support. Performance progress monitoring is important for ensuring that the reform initiatives are bringing progress in priority indicators set by the expected outcomes of the project. A robust performance progress monitoring is also important for development of a more comprehensive system of performance-based public grants to higher education institutions. Reform in management, capacity building and information dissemination of all concerned constituent and affiliated campuses has continued to remain challenging. A comprehensive system of EMIS and a policy regarding enforcement of information transparency and sharing should be in place to support information and knowledge based higher education society.

Matching grants have remained a difficult challenge to the SHEP participating institutions due to limitation in fund raising and resource management for matching grants. Consequently, they have not been able to request for matching grants to an optimum level. The campuses continue to emphasize on their demand that the matching ratio be relaxed further. From last year on, matching grants have been provided in the ratios adjusted according to the ranking of the institutions as per district level HDI rankings. There is a further need to explore other parameters to enhance equitable approach to matching the reform grants.

The efforts of regular consultation, facilitation and coordination remained a very important aspect in the implementation of the activities. Particularly, consultation meetings with the participating campuses and follow up provisions need to be carried out to enhance reform grants management following the public procurement system.

One of the technical difficulties faced by SFA implementation relates to RBBL process. Claims and reports after disbursement of grants to be submitted by RBBL remained delayed. A restructuring of fund administration was made to correct RBBL process however, accordingly the Board has been preparing ACF and sending to RBBL center to disburse FA to the individual accounts of the beneficiaries, however delays continued due to the mid level managerial weakness of the institution. Sustainability of SFAS has been one of the crucial issues. UGC and DoE have already forwarded their consent to the “PMT based scholarship management/ mainstreaming in Nepal” proposed by SFAFDB.

### **Measures Taken for Improvements**

In order to identify the solutions for the existing problems and weaknesses of higher education in the country, follow-up provisions were emphasized by all the implementing agencies such as UGC, TU and SFAFDB in an orientation program entitled Training

Workshop on Reform Grants Management and Public Procurement. The lack of funds for strengthening the operational capability of higher education institutions is another area of common concern. Because of this, for example, UGC piloted programs such as EMIS cannot be activated in full-fledged manner. In this regard, UGC has intensified its consultations with concerned institutions and has provided them with technical and grant assistance to them so that they can establish objective database. As a result, UGC has completed the development and implementation of FMIS and is undertaking the task of preparing EMIS framework for higher education.

In this connection, TU has developed special package for facilitating institutions in implementing autonomy program. Scheme for development of implementation capacity of the implementing agencies including UGC, TU and SFAFDB are being seriously reflected on and steps are planned.

In order to solve the delaying process of RBBL, it has been principally agreed to disburse the FA amount from Board office directly. To manage the system RBBL IT department will allow Board to access in its Banking Software by providing confidential username and password. After the execution of the system Board can directly deposit FA amount to its beneficiaries' account from its office, deposit receipt and individual student's bank statement can be printed by the Board. This will not only enhance the disbursement system but the issue of disbursement will also be addressed automatically. SFAFD Board has decided to prepare concept paper for the sustainability of SFAS which will be forwarded to UGC, MoE and WB/IDA after the approval of the Board.

All the stakeholders are now of opinion that the project should be extended at least for a year mainly to correct more than a year of impairments in the implementation due to political quandary and confusions, particularly during the prime implementation period of 2010 which directly affected the functioning of higher education bodies including UGC and the universities. The process for extension of SHEP to ensure its meaningful and logical completion is underway. Similarly, the questions are being discussed regarding sustainability of the HE reforms brought by SHEP and the next reform thrust. In this line, steps are undertaken to prepare another phase of HE reform and development.

## **SECTION V**

### **HIGHER EDUCATION ISSUES, CHALLENGES AND WAY FORWARD**

---

#### **5.1 Issues and Challenges**

In Nepal, the demand for higher education has been growing rapidly, particularly since the 1990s. Accordingly, student enrolment at the tertiary level education is expanding, new universities have been established and every year numbers of their affiliated community managed as well as private campuses are increasing. In the process of development several issues have come up. The first issue relates to quality and credibility of higher education institutions, their programs and the graduates they are producing. The second crucial issue relates to relevance, relevance to country needs and priorities as well as to students' need to connect to the world of work and society including employment and/or economic activities and social interactions. The third issue relates to concerns for equity and inclusiveness of access to higher education. The fourth relates to regulating the management and operation of higher education institutions for effectiveness and efficiency as well as rationalization. The fifth issue relates to linking higher education provisions and development nationally as well as globally, ensuring mutual recognition of degrees, course equivalence and provisions of credit transfer. Most importantly the sixth issue relates to lessening priority of higher education in national budget allocation and program provisions. As the nation got overwhelmed with the need to address educational development at school level higher education remained sidelined creating a big gap in terms of national provisions and systemic inter-linkages between the two levels.

Nepal is now facing a number of significant challenges in addressing the issues. Ensuring quality is a big challenge because many institutions have developed and launched programs when there was no system of quality assurance, there is still a need for a system of norms and standards to regulate establishment and development of higher education institutions. Consequently, many institutions do not have adequate and appropriate infrastructures, adequate number of professionally competent teachers, and provisions/services as well as activities for students and faculties needed to insure satisfactory level of quality. It has been a big challenge for the government to increase budget allocation to higher education for addressing the quality improvement needs.

There is a need for a comprehensive education sector development perspective and plan with well balanced proportion of budget provisions. Balanced growth across all levels of education is necessary to ensure healthy and sustainable development of education sector as a whole. Transitional political contexts of the country has been further augmenting the challenges as the activities of the unions of students, teachers and staff in collusion with the political parties in the country have often created situations with undesirable implications on academic programs as well as environment. Good governance and rationalized financing still remain major reform agenda because of the current challenging situation and also inadequate system capacity to address the issues and the challenges.

In view of the issues and the challenges there has been a growing realization among all stakeholders that the country needs a long term vision, forward looking policy, good planning and programs to transform the current higher education scenario making it more beneficial to all stakeholders including students, teachers, society and country.

## **5.2 Way Forward**

UGC has been initiating the tasks of reform through the Second Higher Education Project (SHEP), preparing comprehensive higher education policy draft, and planning for further long term development. The Second Higher Education Project has been in implementation since July 2007 with technical as well grant support of International Development Agency (IDA). It has been designed and implemented in line with the national objective of developing higher education system in Nepal which aims to produce professional human resource, with knowledge and technological base, capable of supporting economic growth and social reform towards building a prosperous, harmonious and knowledge based inclusive society. The project has four major components: Reform Grants, Student Financial Assistance, Enhancing Higher Secondary Education, and Strengthening System Capacity. It is supporting comprehensive activities for reform in higher education that include:

- reform in higher education institutions through performance grant, incentive grant and matching grant for resource mobilization initiatives,
- improvements in the teaching and learning with strengthened research capability,
- improvements in governance, management and financial sustainability,
- establishment and operation of a student financial assistance scheme, and
- establishment of Quality Assurance and Accreditation System (QAAS) and Higher Education Management Information system (HEMIS).

UGC has already undertaken steps to develop a comprehensive policy framework that is credible, owned and well respected by all stakeholders. It has taken a broad based participatory approach towards formulating a policy framework. For this a 22 member committee represented by various stakeholders has been formed under the UGC Chairman for taking necessary steps. The committee listed five crucial areas of policy concerns and suggested to form task groups to prepare theme papers for extensive discussions/interaction with all stakeholders to get feedback and prepare draft policy papers. The thematic policy areas are as follows:

1. Redirecting thrust for development and innovation in higher education: National priorities; strategy for reform in governance, organization structure, operation and management of higher education in the country (MOE, UGC, Universities, Colleges)
2. Establishment and strengthening Universities/Higher Education Institutions: Open learning, distance learning and continuing education; norms for establishment of new universities and institutions – Locations; Programs; Standard requirements; Regulating affiliations; Effectiveness, efficiency and sustainability; Operation management, development and monitoring.
3. Regulating and monitoring foreign affiliated institutions in Nepal: affiliation framework and monitoring system; norms, standards; priority, and protocol
4. Quality assurance in higher education: standards, norms and monitoring; Quality Assurance and Accreditation System; ensuring curriculum relevance, credibility of student examination; developing a system of course equivalence, mutual recognition, and credit transfer.
5. Financing in higher education: Aligning public funding in higher education to national priorities; performance based grants; formula based funding; fiscal norms, regulating public and private financing; management effectiveness, efficiency, and sustainability.

UGC has also created five thematic task groups each composed of five professionals coordinated by senior academician for drafting the policy framework. Further a coordination committee consisting of the five thematic coordinators along with the UGC Chairman and Member Secretary to synchronize the task group activities and to prepare synthesized policy framework draft. UGC has earlier announced the initiatives and called for feedback and suggestions from people in general through national dailies and through UGC website. A series of consultation with the stakeholders are held in all five development regions of the country. Currently the draft is being finalized incorporating the inputs from all stakeholders.

UGC is planning for further activities and reform programs to facilitate expansion of professional and technical programs that are potential for economic development and job creation. It aims to develop measurable performance based public funding system

that emphasize on quality, service, efficiency, social equity, professionalism, and cost effective management with participation of stakeholders. UGC is planning for an effective system of support and facilitation for expansion of technical and professional programs, regulation of general traditional programs to make them more relevant, beneficial and effective in terms of quality and efficiency. Similarly UGC intends to enhance practical and work oriented academic programs and activities with emphasis on grants support to experiment/application oriented lab based programs. UGC has supported restructuring of SHEP with the provision of incentives for TU institutions, campuses and departments that launch market oriented technical/professional new window programs.

There is need and scope for opening new institutions and programs of technical education/applied science relevant to and needed for economic development. UGC emphasizes development of new universities and other higher education institutions with this need in view. UGC is aware of the need to train or orient the staff including teaching and non-teaching staff in the higher education institutions. There is also need for institutionalized training provision and teacher support system. For undertaking challenges of development of such provisions there is need for good and capable human resource-- well trained, proactive and entrepreneurial.

Eventually, ICT need to be incorporated in the institutional management as well as in the teaching and learning process. This can be addressed through training and technical support. This area can be addressed best in collaboration with international institutions and with technical and funding support. There are also other areas of high importance where some reform efforts have already been initiated such as, performance based reform grants, QAA system establishment, student financial assistance fund development, EMIS system development, national teacher eligibility test. In order to consolidate the efforts into a comprehensive national higher education reform program there is need and scope for collaborations in drawing technical and funding support of different international development partners.

Most importantly, UGC considers that there is need to address the dilemma of political issues affecting higher education organizations and institutions. This will be possible only through consensus in considering that higher education reform and development are of common interest and are highly important, and that the tasks should be supported by all stakeholders.

Addressing the issues and challenges of higher education require proper and careful procedures. There should be logical/rational approach to solving the issues of reform and development of higher education. University Grants Commission considers collaboration and cooperation with the stakeholders as the key strategy in addressing the issues and challenges.

## ANNEX A

### The Lists of the Committees in 2011/12

#### 1. The List of the University Coordination Committee

SN	Name	Designation
1	Prof. Ganesh Man Gurung, Chairman, UGC	Coordinator
2	Prof. Suresh Raj Sharma, Vice Chancellor (VC), KU	Member
3	Prof. Hira Bahadur Maharjan, VC, TU	Member
4	Prof. Maheshwor Shrestha, VC, PU	Member
5	Prof. Khagendra Pd. Bhattarai, VC, PokU	Member
6	Prof. Shiva Hari Marahattha, VC, NSU	Member
7	Prof. Tri Ratna Manandhar, VC, LBU	Member
8	Prof. Kailash Nath Pyakuryal, VC, AFU	Member
9	Prof. Padam Lal Devkota, VC, MWU	Member
10	Prof. Jai Raj Awasthi, VC, FWU	Member
11	Mr. Bholanath Pokharel, Member Secretary, UGC	Member Secretary

#### 2. The List of the Second Higher Education Project Steering Committee

SN	Member	Designation
1	Chairman, UGC	Chairman
2	Vice Chancellor, TU	Member
3	Vice Chancellor, KU	Member
4	Secretary, Ministry of Education	Member
5	Member Secretary, UGC	Member
6	Vice Chairman, Higher Secondary Education Board	Member
7	Director General, Department of Education	Member
8	Representative, National Planning Commission	Member
9	Representative, Ministry of Finance	Member
10	Prof. Kedar Bhakta Mathema	Member
11	Prof. Dr. Balkumar K.C.	Member
12	Mr. Ganga Prasad Upreti	Member
13	Joint Secretary, Ministry of Education	Member Secretary

### 3. The List of the Research Council Members

SN	Name	Designation
1	Prof. Ganesh Man Gurung, Chairman, UGC	Chairman
2	Mr. Bholanath Pokharel, Member Secretary, UGC	Member
3	Prof. Guna Nidhi Neupane, Member, Rector, TU	Member
4	Mr. Dil Bdr Gurung, Executive Director, NARC	Member
5	Prof. Choplal Bhusal, Nepal Health Research Council	Member
6	Prof. Parthibeshwor Timilsina, NIC College Maitidevi, Kathmandu	Member
7	Prof. Dr. Govind Ram Agrawal	Member
8	Prof. Jiwan Shrestha, Gyaneshwor, Kathmandu	Member
9	Prof. Hari Gautam, Valmiki Campus	Member
10	Prof. Mana Prasad Wagle, School of Education, KU	Member
11	Mr. Suraj Baidhya, FNCCI	Member
12	Prof. Dr. Harinder Thapaliya, Research Director, UGC	Member Secretary

### 4. The List of Quality Assurance and Accreditation Committee (QAAC) Members

SN	Name	Representation
1	Prof. Dr. Ganesh Man Gurung	Chairman, UGC Nepal
2	Mr. Bholanath Pokharel	Member secretary, UGC Nepal
3	Prof. Dinesh Raj Pant	Nepal Sanskrit University
4	Dr. Ishwor Chandra Baniya	Dean, Science & Technology, Pokhara University
5	Prof. Keshab Kumar Shrestha	Executive Director, Curricular Development Centre, TU
6	Prof. Puspa Raj Adhikari	Controller of Examinations, Kathmandu University
7	Prof. Monahar Prasad Gupta	Prominent Professor
8	Prof. Novel Kishore Rai	Prominent Professor
9	Prof. Sanu Devi Joshi	Prominent Professor
10	Prof. Upendra Bahadur Pradhananga	Prominent Professor
11	Mr. Janardan Nepal	Joint Secretary Higher & Technical Education Section, MOE

12	Dr. Hari Lamsal	Chairman, Nepal Health Professional Council
13	Er. Saligram Singh	Chairman, Nepal Engineering Council
14	Prof. Dr. Chandra Raj Sapkota	Chairman, Nepal Ayurved Medical Council
15	Mr. Yagya Prasad Neupane	Chairman, Nepal Pharmacy Council
16	Mr. Lav Kumar Mainali	Chairman, Nepal Bar Council
17	Dr. Damodar Gajurel	Chairman, Nepal Medical Council
18	Ms. Daya Laxmi Joshi	NNC
19	Ms. Lal Kumari Pokharel	Students' representative
20	Dr. Narayan Pd. Ghimire	Registrar, Nepal Veterinary Council
21	Prof. Dr. Kanhaiya B. Mathema	Director, QAAD

### 5. The List of Research Evaluation Committee Members

SN	Name	Designation
1	Prof. Yogendra P. Yadav	Head, Central Department of Linguistic, TU
2	Prof. Bharat Mani Pokhrel	Central Department of Microbiology, TU
3	Prof. Shree Ram Lamichhane	Head, Faculty of Education, TU
4	Dr. Lav Dev Awasthi	Ministry of Education
5	Dr. Bal Gopal Baidya	New Era
6	Prof. Prem Raj Panta	Apex College, Kathmandu
7	Prof. Megh Raj Dhital	Head, Central Department of Geology, TU
8	Prof. M. Jeffry	International Expert
9	Prof. Harinder Thapaliya	Director, Research Division, UGC
10	Prof. Fanindra Neupane	Entomology
11	Prof. Sudharshan Raj Tiwari	Pulchowk Engineering Campus
12	Prof. Chitra Kumar Gurung	Teaching Hospital, TU

### 6. The List of Quality Assurance and Accreditation Technical Committee

SN	Name	Designation
1	Prof. Shiba K. Rai	Member
2	Prof. Upendra Pradhananga	Member
3	Prof. Panna Thapa	Member
4	Ms. Mana Rai	Member
5	Prof. Dr. Kanhaiya B. Mathema, Director, QAAD	Coordinator

## ANNEX B

### The List of Persons Awarded Mini Research in 2011/12

SN	Name	Title	Institution
<b>Management Cluster</b>			
1	Kapil Dev Regmi	Impact of Teaching Methodology in Learning	Kathmandu Don Bosco College
2	Madan Kandel	Gold Price mechanism and its future prospective	Nepal Commerce Campus
3	Krishna Bdr Thapa	Corporate social responsibility position in Nepal	Nepal Commerce Campus
4	Dilip Parajuli	Customer Performance and satisfaction measurement in Nepalese Telecom Industry	Bhaktapur Multiple Campus
5	Rajesh Gurung	Macro Economic Forces and cross sectional stock return in Nepal	Nepal Commerce Campus
6	Rameshwor Neupane	Study of achievement score of Secondary level mathematics in private and govt school	Balkumari college
7	Indra Dhoj KC	The macroeconomic determinants of stock returns: Evidence from Nepal	Public Youth Campus
8	Ramita Awal	The impact of gender inequality in career advancement in banking sector in Nepal	Liberty College
9	Prem Prasad Sapkota	A analysis of tax planning of Nepalese manufacturing industries	Nepal Commerce Campus
10	Kul Chandra Pandit	An empirical study of individual investment patterns among management teachers in Ktm, Pokhara and Chitwan	Balkumari College
11	Lucky Prasad Joshi	A study on relationship between job satisfaction, organizational commitment and turnover intention of public & private sector employees in Rupendehi	Bhairahawa Multiple Campus

<b>Education Cluster</b>			
1	Ram Chandra Dahal	College students' sexual behavior and its impact on their health and social behavior	Siddha Jyoti Education Campus, Sindhuli
2	Suresh Jung Shahi	An investigation on academic and teaching situation of three years B ED programme in Kathmandu valley	Central Dept of Education, TU
3	Ashok Sapkota	Self monitoring practices of EFL Teachers for their professional development at University Level	Adarsha Saula College
4	Tara Pd Awasthi	A study of tourism development in Nepal: its problems and prospects	Dept. of Geography, TU
5	Dinesh Raj Dahal	Teaching Compulsory English at B.Ed First year guidelines and gaps	Siddhajyoti Edu Campus
6	Nani Babu Ghimire	Teachers professional Development: realities, expectations and responsibility	Siddhajyoti Edu Campus
7	Kusum Yadav	Knowledge on Swine flu among secondary level student in selected school of Kathmandu district, Nepal	Karnali College of Health Sciences
8	Shree Krishna Panthee	Assessing quality in teacher education	PN Campus
9	Ichchha Purna Rai	Attitude and Effectiveness of Multilingual Education: A Case Study of Athpahariya Community	Dhankuta M Campus
<b>Science and Technology Cluster</b>			
1	Kul Raj Rai	Microbiology of <i>kinema</i> - an indigenous fermented soybean food of Nepal	Shi-Gan Intl college of Science and Technology
2	Laxmi Nath Bhattarai	Assessment of noise level in Siddharthanagar Municipality, Rupehdehi, Nepal	Butwal M Campus
3	Sharmila Tandukar	Detection of parasites from the school going children under fifteen years age of Lalitpur district, Nepal	Kantipur College of Medical Sciences

4	Hem Raj Pandey	Knowledge and factors influencing the tobacco use among the school teacher in Kanchanpur district of Nepal	Nepal Engineering College
5	Prakash Lamichhane	Preparation of thin film coating of ZnO for photovoltaic purpose	KU
<b>Engineering Cluster</b>			
1	Bishnu Prasad Bhattarai	Power Theft Detection in Electric Distribution System	Pulchowk Campus
2	Ram Sewak Dahal	The cross layer design for QoS Routing in Manet AODV Based on BER	NEC, Bhaktapur
<b>Medicine and Nursing Cluster</b>			
1	Kalpana Shrestha	Breast Cancer knowledge and screening practices among women visited KIST Medical Colleges	Kist Medical College
<b>Humanities and Law Cluster</b>			
1	Shanta Gautam	Economic Impact of community development program on rural people : A case study of Lamatar VDC of Lalitpur District	Patan M Campus
2	Jagadish Oli	Impact of modernization on religion and traditional occupation on sarki community	Padma kanya Campus
3	Sindhu Dahal	Knowledge, attitude and practice of family planning method	Hetauda School of Management and Social Sciences
4	Dinesh Kumar Malla	Current status and recent trend of abortion service utilization in two facilities of Chitwan District	Birendra M Campus
5	Susmita Gautam	Livelihood Strategies and occupational vulnerability of the street vegetable vendor	Tri chandra Campus

6	Hem Raj Kafle	Media Activism in April Movement: A Fantasy theme analysis of the Editorials of The Kathmandu Post and The Himalayan Times	KU
7	Naba Raj Bhattarai	Role of women in household decision making	Tri chandra Campus
8	Arjun Pd. Sharma	Food habit of landless people and its relation to their health	Balkumari college
9	Ram Pd Rai	The Grammar of Chamling Language	Ratna Rajya Laxmi Campus
10	Devi Pd Poudel	Non- Timber forest products based livelihood in Tharu Community: A case study of Sunwal VDC Nawalparasi	Butwal M Campus
11	Mukunda Sharma	पाल्पा जिल्लाका प्रचलित बालन र चरित्र नाचहरुको तुलनात्मक अध्ययन	Tribhuwan M Campus, Palpa
12	Santosh Raj Dahal	Fertility Differentials between migrants and non-migrants currently married women in Nepal	Padmakanya M Campus
13	Pratima Gurung	Family responses regarding education to children with disabilities	Padmakanya M Campus
14	Chhabi Ram Baral	Livelihood assets, vulnerability and coping strategies of urban poverty in Kathmandu Nepal	Patan M Campus
15	Saurav Kiran Shrestha	History of social work in Nepal	Classic College
16	Vijay Kumar Yadav	Child Labor: Socio-economic correlates of child labor in Dhanusa	RRM Campus, Janakpur
17	Ananta Raj Dahal	Agricultural Development of Community People through Cooperative	Patan M Campus

## ANNEX C

### The List of Persons Received Travel Grants in 2011/12

SN	Name & Address	Country	Title
1	Indra Mani Bhagat, Post Graduate College, Biratnagar	India	Integrated Management of Seedling Blight of Tea Caused By Sclerotium Rolfsii
2	Moti Kala Subba Dewan, Ratna Rajya Campus, Kathmandu	Malaysia	Efforts to Solve Sediment Challenges in Nepal
3	Sukra Raj Paudel, IoE, Lalitpur	India	Climate Change in the Himalayas of Nepal: Impacts and the Way forward
4	Dil Bahadur Gurung, Kathmanu University, Kavre	India	Mathematical Model for Prediction of Temperature Limit Values Touching Cold Surface
5	Prof. Dr. Jeevan Bahadur Sherchan, IoM, Maharajgunj	America	Hospital Acquired Rotavirus Gastroenteritis and Molecular Evidence in Nepal
6	Dr. Manoj Humagain, Kathmanu University, Kavre	India	Gingival Depigmentation: A case Report with Review
7	Prof. Dr. Indira Sharma, Padma Kanya Campus, Kathmandu	India	Empowerment of Women in Nepal Through ICT
8	Ishwori Acharaya, Padma Kanya Campus, Kathmandu	India	Indigenous Flood Management Techniques from Gender Perspective : A Case of Kailali District
9	Prof. Dr. Resh Bahadur Basnet, Patan Campus, Lalitpur	India	Education Relevance for the Humanities and Social Sciences (Arts) in a Technocratic World
10	Mandira Tamrakar, Padma Kanya Campus, Kathmandu	Japan	Nuclear Weapon free Peaceful and Just World

11	Sandhya Basnet, Central Department of Dept. of Sociology/ Anthropology, TU	Japan	Nuclear Weapon free Peaceful and Just World
12	Indra Bahadur Karki, Patan Campus, Lalitpur	India	Detection of Tea Aroma Through Zing Oxide Nanorod Sensing Element
13	Prof. Prem Shanti Tuladhar, Dept. of Nepal Bhasa, Patan	England	History of Nepal Bhasa
14	Bhawendra Bhandari, Mahendra Bindeshori Campus, Rajbiraj	Japan	Relativization in Danuwar
15	Devendra Prasad Shrestha, Central Dept. of Economics, TU	Canada	Who Benefits from Health Sector Subsidies in Nepal
16	Rinita Rajbhandari Joshi, IoE, Lalitpur	England	The Future of Water, Sanitation and Hygiene in low-income Countries
17	Kashi Raj Pandey, Kathmandu University, Kavre	Israel	Media Strategies for Social Change
18	Dr. Bijaya Panta, Central Dept. of Botany, TU	Singapore	Orchids of Nepal with Medicinal Values and their Conservation by in vitro Techniques
19	Prof. Dr. Lila Kansakar, Central Dept. of Education, TU	India	Elementary Education of Fundamental Right and Education for all
20	Subas Ghimire, Kathmandu University, Kavre	Korea	The Role of Geometrics Engineering Education for National Development
21	Yasad Dangol, Kist College	India	Non-protein Nitrogen Metabolism and Renal Physiologic Adjustments During the 3 <sup>rd</sup> trimester Pregnancy near Term
22	Surendra Gautam, Tri Chandra College	Singapore	Effect of Dilution and Precursors on Structure and Particle Size of Zine Sulfide Nanoparticles

23	Umesh Kumar Mandal, Central Dept. of Geography, TU	India	International Labour Migration as a Livelihood Strategy of Marginalized Terai – Madheshi Communities in Nepal: A Structures of Exclusionary Perspective of Socio-Political and Regional-Economic Approach
24	Bhanu Timilsena, Central Department of Sociology/ Anthropology, TU	Honkong	Transport Dynamics
25	Pushpa Acharaya, Central Technology Campus, Dharan	India	Physico-Chemical and Microbiological Characteristics of Commercial Samples of Gundpak A Traditional Khoa Based milk Product of Nepal
26	Prof. Dr. Shankar Thapa, Lumbini Bauddha University	India	Making of History of Ch"an Buddhism: Contribution of Venl. Buddhahadra in Textual Translations and Popularizing "Kashmiri Meditation Tradition" in Fifth Century China
27	Kanaiya Jha, Kathmandu University, Kavre	India	Generalized Common Fixed Point Theorem for weak Contraction in Fuzzy Metric Space
28	Dr. Dan Raj Regmi, Central Department of Linguistics, TU	Japan	Discourse Structuring in Bhujel
29	Min Bahadur Shakya, IoE, Lalitpur	Korea	Newar Buddhism: Lay Budhisattva Practices in Himalayan Kingdom
30	Raj Narayan Yadav, Mahendra Morang Adarsha Campus, Biratnagar	India	Activity of Mercury in the Molten Amalgams of Alkali Metals
31	Dr. Keshav Raj Joshi, Shankar Dev Campus	India	Strategic Resource Management

32	Prof. Dr. Suniti Shrestha, Central Department of Management, TU	Canada	Relative Efficiency of Commercial Banks of Nepal
33	Jitendra Chaudhari Purwanchal Campus	India	Effect of Doubly Fed Induction Generator Based Wind Farms on the Small Signal Stability of Multi-Machine Power System
34	Dr. Dubi Nanda Dhakal, Central Department of Linguistics, TU	India	Contact Induced Change in Baram
35	Gauri Shankar Shrestha, MoE, Maharajgunj	Singapore	Causes of Blindness and Visual Impairment among Children Studying at integrated Schools in Central Development Region of Nepal
36	Krishna Prasad Bhandari, Pashchimanchal Campus, Pokhara	Taiwan	Climate Change and Land Use Dynamics; Perspective on Soil Erosion and Sedimentation Problem in Phewa Lake Watershed Area of Nepal
37	Bhanu Timilsena, Central Department of Sociology/Anthropology, TU	Honkong	Transport Dynamics
38	Sanjiv Kumar Mishra	Honkong	Effectiveness of Measuring the Central Field with Amsler Grid test and Berkeley Central Field Test

## ANNEX D

### The List of Higher Education Institutions that Received Grants for Conducting Seminar/Workshop/Conference in 2011/12

SN	Campus Name, Address	Title of Program
<b>Far Western Development Region</b>		
1	Durga Laxmi Multiple Campus, Kailali	Regional Conference on the Problems Being Faced By Far Western Campuses
2	Sunkuda Campus, Bajhang	Training on Methodology of Teaching Practicum
3	Lamki Multiple Campus, Kailali	Workshop on Teaching Techniques
<b>Mid Western Development Region</b>		
4	Chamunda College, Dailekh	Refresher Training
5	Surkhet Campus Birendranagar	Seminar on Curriculum Development of Inclusive Education in Proposed Mid-West University
<b>Western Development Region</b>		
6	Prithvi Narayan Campus	National Seminar on Sociology of Tourism
7	Tansen Multiple Campus, Palpa	नेपाली शिक्षा विषयक शैक्षिक गोष्ठी कार्यक्रम
8	Galkot Multiple Campus, Baglung	नेपाली अंग्रेजी भाषा शिक्षण विधिको कार्यशाला गोष्ठी
<b>Central Development Region</b>		
9	Kathmandu School of Law	आर्थिक, सामाजिक तथा विकास अधिकार र सुशासन
10	Central Department of English	National Seminar on Research Writing
11	Central Department of Public Administration, Jamal	Reinventing Governance for Managing Climate Change its Adaptation
12	Central Department of Management, TU	Refresher Cum Research Methodology Training
13	Central Department of Computer Science and Tech.	Teacher's Orientation Program
14	Research Division, Kirtipur	Research Methodology Workshop

15	Sanothimi Campus, Sanothimi	Seminar/Workshop to Promote Thesis Writing
16	Central Department of Economics, Kirtipur	Workshops for Training M.A Economics Courses
17	Pashupati Multiple Campus, Chabhil	अनुसन्धान प्रविधि गोष्ठी
18	Ratna Rajyalaxmi Campus,	National Seminar on Practical Course under the first Year of Bachelor's Level of Journalism and Mass Communication at TU
19	Central Department of Linguistics	A Proposal for Organizing the 32nd annual Conference of The Linguistic Society of Nepal
20	Central Dept. of Zoology, TU	Seminar on Field Biology Problems and Challenges
21	Shepherd College	To review the ways of Imparting Knowledge and Skills on Reporting & Editing as Prescribed by the Curriculum of Bachelors' Level Under Purbanchal University
22	Institute of Engineering, Pulchowk	International Seminar on Quality Reliability Information Technology
23	Centre for Energy Studies Institute of Engineering, TU	Addressing Climate Change for Sustainable Development through Up-scaling Renewable Energy Technologies (International Conference)
24	Central Department of Nepalbhasa, Patan	अनुसन्धान प्रविधि कार्यशाला गोष्ठी
25	Shankar Dev Campus,	Research Methodology and Data Processing Training
26	Central Dept. of Physics, TU	International Conference on Astrophysics and Cosmology
27	Nepal Sanskrit University	नेपालमा तन्त्र शिक्षण र साधना परम्परा विषयक
28	Central Dept of Library and Information Science, TU	Workshop on Digital Library (SAARC Region Level)
29	Central Department of Biotechnology	Workshop on Revision of M.Sc Curriculum of TU
30	Shi-Gan Int's College of Science and Technology	Workshop on Research Methodology and Scientific Paper Writing
31	Central Department of Chemistry, TU	International Conference on Advanced Materials and Nanotechnology for Sustainable Development

32	Department of Languages and Mass Communication, Kathmandu University	Media Research Conference
33	Thapathali Campus, Thapathali	Workshop on Balance Scorecard and Best Practices
34	B P Koirala Campus, Dhanusha	Seminar cum Dissemination
35	Birendra multiple Campus, Chitwan	Research Methodology Training for Sociology/Anthropology
36	Institute of Agriculture and Animal Science Dean Office	A Joint Symposium on Climate Change Organic Agriculture and Food Security
37	Dumarwana Multiple Campus, Bara	शैक्षिक भौतिक तथा आर्थिक व्यवस्थापन समस्या र चुनौती
38	Tinpatan Education Campus, Sindhuli	Uniformity of Teaching Practice for all Campuses in Sindhuli District
39	Thakur Ram M. Campus, Birgunj	Federalization and Constitution Making Knowledge-Experiences Sharing
<b>Eastern Development Region</b>		
40	Dhankuta Multiple Campus, Dhankuta	अनुसन्धान विधि तालिम कार्यक्रम
41	Post Graduate Campus, Biratnagar	Federalism Constitution & National Intergration Challenges and Opportunities (International Conference)
42	Tridev Campus, Jhapa	Faculty Orientation Program For ELT Strategies in B.Ed. English
43	Mahendra Morang Adarsha M Campus, Biratnagar	National Chemistry Seminar

## ANNEX E

### The List of Community Campuses that Received Regular Grants and Physical Development Grants in 2011/12

सिन	क्याम्पसको नाम, ठेगाना	स्थापना	सम्बन्धन दिने विश्व- विद्यालय	कार्यक्रम स्तर	विद्यार्थी संख्या (२०६७/६८)			आ.व. २०६८/६९			कै फि य त	Scheme (SHEP)

## **ANNEX F**

### **Universities and Institutions of Higher Education**

The history of higher education started in Nepal with the establishment of Tri-Chandra College in 1918. Tribhuvan University came into existence in 1959 and it was the only university in Nepal until 1985. In the early 80s, the government developed the concept of a multi-university system; and, as a result, Mahendra Sanskrit University was established in 1986; it was followed by Kathmandu University in 1991, Purbanchal University in 1994, Pokhara University in 1997, and Lumbini Buddha University in 2005. All of these universities were established through the Acts approved by the Parliament and they function as the public institutions.

B. P. Koirala Institute of Health Sciences is the first Health and Medical Academy of Nepal, established in 1994 and it was upgraded as a deemed university in 1999. Similarly, two other academies: National Academy of Medical Sciences (NAMS) and Patan Academy of Health Sciences (PAHS) were established in 2002 and 2009 respectively.

Similarly, Nepal government has established three more universities: Mid-Western University, Far-Western University, and Agriculture and Forestry University in 2010.

Below is the list of universities and academies which are currently in operation in Nepal.

#### **Universities:**

1. Tribhuvan University (TU),1959
2. Nepal Sanskrit University (NSU),1986
3. Kathmandu University (KU),1991
4. Purbanchal University (PU),1994
5. Pokhara University (PokU),1997
6. Lumbini Bouddha University (LBU), 2005
7. Far-western University (FWU), 2010
8. Mid-western University (MWU), 2010
9. Agriculture and Forestry University (AFU), 2010

#### **Academies:**

10. B.P. Koirala Institute of Health Sciences (BPKIHS),1993
11. National Academy of Medical Sciences (NAMS), 2002
12. Patan Academy of Health Sciences (PAHS), 2009

## 1. Tribhuvan University (TU)

Tribhuvan University (TU), established in 1959 (2016 BS), is the largest university of Nepal in terms of the courses it offers, and the number of students and the teachers it has. Its central office is located in Kirtipur, Kathmandu, and it conducts its operations across the country through five institutes, four faculties, and four research centers that are mentioned below.

### Institutes:

- a. Institute of Agriculture and Animal Sciences (IAAS)
- b. Institute of Medicine (IoM)
- c. Institute of Engineering (IoE)
- d. Institute of Forestry (IoF)
- e. Institute of Science and Technology (IoST)

### Faculties

- a. Faculty of Education
- b. Faculty of Humanities and Social Sciences
- c. Faculty of Management
- d. Faculty of Law

### Research Centers

- a. Centre for Economic Development and Administration (CEDA)
- b. Research Centre for Educational Innovation and Development (CERID)
- c. Centre for Nepal and Asian Studies (CNAS)
- d. Research Centre for Applied Science and Technology (RECAST)

(See Annex G for detail information about TU.)

The institutes are technical, i.e., they offer specialized education on technical courses such as, management, humanities, education, engineering, medicine, law, and arts at the Bachelor, Master, M. Phil., and Ph.D. levels.

Among the universities of the country, TU claims more than 86 percent of the total enrolment in higher education. Now, the university has 382,927 students in 916 campuses (60 constituent, 336 community, 520 private campuses), with 14,422 teachers and 7,122 administrative and support staff.

## 2. Nepal Sanskrit University (NSU)

Established in 1986 (2043 BS), NSU aims to modernize the education of Sanskrit in the country. It situated in Beljhundi, Dang, and has 1925 students with 770 teachers and

376 administrative staff in 21 campuses (13 constituent and 8 affiliated). It offers courses on Uttarmadhyama (Sanskrit), Shastree (Sanskrit), Kabiraj (Intermediate in Ayurved), Bachelor in Ayurved, Acharya (Sanskrit), Ph.D. (Sanskrit), Language Training, and Yoga Training related to Sanskrit. (See Annex H for the detailed information about NSU.)

### **3. Kathmandu University (KU)**

Established in 1991, Kathmandu University (KU) is located in Dhulikhel, a tourist destination, of Kavre district. Currently, it has 11,310 students, 323 teachers, 82 visiting faculties with 181 administrative and support staff in 21 campuses (6 constituent, 15 affiliated). The university offers 98 programs in the field of science, engineering, management, fine arts, education and medicines from intermediate level to the M. Phil. and Ph.D. level. (Annex I offers information in detail on KU.)

### **4. Purbanchal University (PU)**

Established in 1994, Purbanchal University (PU) is located in Biratnagar, Nepal's second largest city in Morang district. PU has 26,967 students, 114 campuses (3 constituent, community 5, private 106), 46 teachers, and 296 administrative and support staffs. PU offers 72 programs with courses on science, law, engineering, management, fine arts, education, etc. (See Annex J for the details on PU.)

### **5. Pokhara University (PokU)**

Pokhara University (PokU) was established in 1997 in Pokhara, one of the most popular tourist destinations of the country, of Kaski district. It has 20,229 students, 53 campuses (4 constituent, 49 affiliated), 62 teachers, and 177 administrative and technical staffs offering 43 programs and courses on humanities, management, science and technology, engineering, medicines etc. (See Annex K for details on PokU.)

### **6. Lumbini Bouddha University (LBU)**

Lumbini Bouddha University, established in 2005, is located in Lumbini, the birthplace of Gautam Budhha, Rupandehi district. The university is established primarily to teach/study the philosophies promulgated by Gataum Bouddha. It has 226 students enrolled in the university. (See Annex L for details on LBU.)

### **7. Far-western, Mid-western and Agriculture and Forestry Universities**

These three universities have just been established and they are going to start their programs soon. Currently they are in preparation stage and they will start their full operation once all the preparation is made.

## 8. B.P. Koirala Institute of Health Sciences (BPKIHS)

Established in 1993, BPKIHS is located in Dharan (Sunsari district) with an aim to provide education in medical sciences. Its single campus has 1,155 students and 183 teachers offering 10 programs in medical sciences including M.D./M.S., M.Sc., M.P.H., M.L.T., M.B.B.S., B.Sc., B.D.S., Nursing, etc. (For details on BPKIHS, see Annex M.)

## 9. National Academy of Medical Sciences (NAMS)

NAMS was established in 2002 in Kathmandu to provide education in medical sciences. The campus has 200 students and 142 teachers offering 14 programs in medical sciences at M.D. level in Anaesthesiology, Dermatology, General Practice, Neurosurgery, General Surgery etc. (For details on NAMS see Annex N.)

## 10. Patan Academy of Health Sciences (PAHS)

Established in 2009, PAHS is located in Patan of Lalitpur district, adjacent to the capital city of Kathmandu. PAHS is based at Patan Hospital, which is likely to become a major teaching hospital for the academy and the academy is planning to open a School of Nursing, a School of Allied Health Sciences, and other schools to train other health care professionals. Its single campus has 55 students and 85 teachers. (For details on PAHS see Annex O.)

## Basic Data on Universities and Institutions of Higher Education 2011-12

## 2. TU Community Campuses

SN	Campus Name	Region	District	Female	Total
1	Adarsha Azad College, Bhaktapur	Central	Bhaktapur	100	125
2	Adarsha Kanya Campus, Lalitpur		Lalitpur	93	93
3	Adarsha Multiple Campus, Gajura, Dhading		Dhading	337	423
4	Adarsha Multiple Campus, Sanothimi, Bhaktapur		Bhaktapur	na	na
5	Adarsha Saula College, Sainbu, Lalitpur		Lalitpur	103	159
6	Amar Janashakti Multiple Campus, Patihani, Chitwan		Chitwan	117	170
7	Araniko College, Barhabise, Sindhupalchok		Sindhupalchok	166	295
8	B.P. Koirala Campus, Janakpurdham, Dhanusha		Dhanusha	103	292
9	Bagiswori College, Bhaktapur		Bhaktapur	435	739
10	Bal Kumari College, Narayanghat, Chitawan		Chitwan	117	227
11	Balkumari College, Narayangadh, Chitwan		Chitwan	894	2123
12	Baneshwor Campus, Baneshwor		Kathmandu	426	1044
13	Bansha Gopal Multiple Campus, Hetauda, Makwanpur		Makwanpur	239	298
14	Bardibas Janata Multiple Campus, Mahottari		Mahottari	259	461
15	Bhim Jyoti Campus, Bhimeshwor, Sindhuli		Sindhuli	69	107
16	Bhuvanishankar Multiple College, Khairahani, Chitwan		Chitwan	377	432
17	Chaitanya Multiple Campus, Banepa		Kavre	396	619
18	Chautara Multiple Campus, Sindhupalchok		Sindhupalchok	228	369
19	Chiran Milan Bishwa Shanti Campus, Bansbari, Kathmandu		Kathmandu	146	253
20	Dedithumka Public Campus, Mahadevasthan, Kavre		Kavre	60	96
21	Dhulikhel Campus, Kavre		Kavre	na	94
22	Dhumarwana Multiple Campus, Bara		Bara	na	na
23	Dhunibesi Adarsha Campus, Jeevanpur-6, Dhading		Dhading	na	42

24	Dilli Bazar Kanya Multiple Campus, Kathmandu	Kathmandu	789	789
25	Education Campus, Nayabaneshwor, Kathmandu	Kathmandu	na	na
26	Ganesman Singh Multiple Campus, Kathmandu	Kathmandu	121	216
27	Gauri Shankar Campus, Nijgadh, Bara	Bara	122	175
28	Gauri Shankar Yadav Rautahat Campus, Gaur, Rautahat	Rautahat	373	1485
29	Gaurishankar Multiple Campus, Bhimeshwor, Dolakha	Dolakha	na	na
30	Gaurishankar Multiple Campus, Ramechhap	Ramechhap	na	na
31	Gramin Aadarsha Multiple Campus, Nepaltar	Kathmandu	48	115
32	Gramin Adarsha Multiple Campus, Nepaltar, Kathmandu	Kathmandu	569	1578
33	Hanumanteshwor Campus, Kabre, Dolakha	Dolakha	112	191
34	Hari Khetan Multiple Campus, Birgunj, Parsa	Parsa	654	1294
35	Hetauda Campus, Makwanpur	Makwanpur	437	636
36	Himganga Campus, Saghutar, Ramechhap	Ramechhap	82	146
37	Indrawati Campus, Melamchi, Sindhupalchok	Sindhupalchok	103	187
38	Indreshwor Campus, Panauti, Kavre	Kavre	252	356
39	Jan Jagriti, Bhiman, Sindhuli	Sindhuli	69	101
40	Jan Jyoti Multiple Campus, Chandranigahpur, Rautahat	Rautahat	564	1244
41	Jan Jyoti Multiple Campus, Lalbandi, Sarlahi	Sarlahi	566	1084
42	Jana Adarsha Multiple Campus, Birendranagar, Chitwan	Chitwan	242	345
43	Jana Bhawana Campus, Chapagaun, Lalitpur	Lalitpur	88	153
44	Jana Maitri Campus, Balkhu, Kathmandu	Kathmandu	na	na
45	Janak Multiple Campus, Methinkot, Kavre	Kavre	60	71
46	Janakpur Campus, Dhanusha	Dhanusha	160	488
47	Janamaitri Multiple Campus, Kuleshwor, Kathmandu	Kathmandu	755	1464

48	Jiri Campus, Jiri, Dolakha	Dolakha	na	83
49	Jugal Multiple Campus, Sangachor, Sindhupalchowk	Sindhupalchowk	93	135
50	Kabhre Multiple Campus, Banepa, Kavre	Kavre	na	na
51	Kailashkoot Multiple Campus, Chabahil, Ktm	Kathmandu	98	185
52	Kalika Himalaya Campus, Dhaibung, Rasuwa	Rasuwa	na	na
53	Kamala Multiple Campus, Dudhauri, Sindhuli	Sindhuli	154	270
54	Kamala Science Campus, Dhungrbas, Sindhuli	Sindhuli	na	na
55	Kanpur Campus, Kanpur, Kavre	Kavre	na	52
56	Kantipur Campus, Thali, Danchhi, Ktm	Kathmandu	72	112
57	Kathmandu Campus, Kalimati, Kathmandu	Kathmandu	na	na
58	Kathmandu Shiksha Campus, Ramshah Path, Kathmandu	Kathmandu	84	154
59	Kavre Campus, Kavre, Banepa	Kathmandu	73	143
60	Khwopa College, Bhaktapur	Bhaktapur	611	1079
61	Kitni College, Godawari, Lalitpur	Lalitpur	117	161
62	Koteshwor Multiple Campus, Mahadevsthan, Ktm	Kathmandu	270	447
63	Kumari Namuna Campus, Kumari, Nuwakot	Nuwakot	na	na
64	Kuseshwor Bidhyapith Multiple Campus, Dumja, Sindhuli	Sindhuli	42	88
65	Kushadevi Campus, Kavre	Kavre	42	53
66	Lalit Multiple Campus, Lalitpur	Lalitpur	173	223
67	Lampantar Multiple Campus	Sindhuli	155	318
68	Madan Bhandari Memorial College, Ratopul, Ktm	Kathmandu	326	466
69	Madan Bhandari Memorial College, Ratopul, Ktm.	Kathmandu	na	87
70	Madi Multiple Campus, Madi, Chitwan	Chitwan	85	144
71	Maiya Devi Kanya College, Bharatpur, Chitawan	Chitwan	567	567
72	Makawanpur Multiple Campus, Hetauda	Makwanpur	850	1850
73	Makawanpur Multiple Campus, Hetauda	Makwanpur	484	1424

74	Mangal Multiple Campus, Kirtipur, Kathmandu	Kathmandu	128	206
75	Manohar Sahid Smarak Multiple Campus, Gongabu, Ktm	Kathmandu	na	na
76	Manthali Sahid Smriti Multiple Campus, Manthali, Ramechhap	Ramechhap	354	695
77	Marin Multiple Campus, Mahadevsthan, Sindhuli	Sindhuli	77	157
78	Melamchi Valley Campus, Mahankal, Sindhupalchok	Sindhupalchok	84	136
79	N.R. College, Manamaiju, Ktm	Kathmandu	394	700
80	Namuna Machhindra Campus, Lagankhel, Lalitpur	Lalitpur	186	379
81	Navadurga Multiple Campus, Navadurgasthan, Bhaktapur	Bhaktapur	na	na
82	Netrawati Community Campus, Tripureshwor, Dhading	Dhading	136	160
83	Nilkanth Campus, Dhadingbesi, Dhading	Dhading	381	699
84	Nilkanth Campus, Dhadingbesi, Dhading	Dhading	43	112
85	Nuwakot Adarsh Multiple Campus, Battar, Nuwakot	Nuwakot	391	779
86	Palung Multiple Campus, Palung, Makwanpur	Makwanpur	na	na
87	Pashupati Multiple Campus, Chabahil	Kathmandu	535	1037
88	Pashupati Multiple Campus, Chabahil, Kathmandu	Kathmandu	966	3314
89	People's Campus, Paknajole, Kathmandu	Kathmandu	258	748
90	People's Campus, Paknajole, Kathmandu	Kathmandu	303	448
91	Prabha Multiple Campus, Kattike Deurali, Kavre	Kavre	130	165
92	Prayageshwor Multiple Campus, Pakarbas, Ramechhap	Ramechhap	76	96
93	Ram Raja Multiple Campus, Kaliya, Bara	Bara	220	486
94	Ramnandan Bisheswar Mahendra Campus, Jaleshwor	Mahottari	205	356
95	Ratnashiksha Public Campus, Koteshwor, Kathmandu	Kathmandu	258	395

96	Sahayogi Multiple Campus, Gokarneshwor, Kathmandu	Kathmandu	na	53
97	Sahid Adarsha Campus, Bhadrawas, Kathmandu	Kathmandu	100	133
98	Salyantar Campus, Salyantar, Dhading	Dhading	57	113
99	Samudayak Sewa Sadan Campus, Naya Baneshor	Kathmandu	61	122
100	Sanjiwani College, Dhilikhel, Kavre	Kavre	142	224

## ANNEX J

### Information on PU

#### 1. PU Constituent Campuses

SN	Campus Name	Region	District	Program	Faculty	Level	Female	Total
1	Center for Pop. & Dvt., Pur. U., Biratnagar	Eastern	Morang	M.A.	Humanities	Master	5	21
2	Mgt. Cam., Biratnagar, Morang		Morang	B.B.A.	Management	Bachelor	168	377
			Morang	M.B.A.	Management	Master	41	100
3	Pur. U. School of Eng. & Tech., Biratnagar		Morang	B.E. (Computer)	Engineering	Bachelor	30	112
			Morang	B.E. (Elect. & Comm.)	Engineering	Bachelor	17	120
			Morang	B.C.A.	Science	Bachelor	10	65
			Morang	B.I.T.	Science	Bachelor	2	61

#### 2. PU Community Campuses

SN	Campus Name	Region	District	Program	Faculty	Level	Female	Total
1	Man,Mgt. Development Cam., Ktm.	Central	Kathmandu	E.M.B.A.	Management	Master	5	24
2	Lumbini Adarsh Degree College, Kawasoti, Nawalparasi	Western	Nawalparasi	1yr B.Ed.	Education	Bachelor	3	32
			Nawalparasi	B.A.	Humanities	Bachelor	11	15
			Nawalparasi	B.Ed.	Education	Bachelor	63	108
			Nawalparasi	M.Ed.	Education	Master	82	207
3	Tribhuvan Campus, Rupakot, Tanahun	Western	Tanahun	B.Ed.	Education	Bachelor	129	209
			Tanahun	1yr B.Ed.	Education	Bachelor	2	16
4	Himalaya Campus, Khandbari, Sankhuwasava	Eastern	Sankhuwasava	B.Ed.	Education	Bachelor	145	263
5	Shree Madan Ashrit Memorial Multiple Campus, Topgachhi, Jhapa		Jhapa	B.Ed.	Education	Bachelor	145	226
			Jhapa	1yr B.Ed.	Education	Bachelor	26	89
		Jhapa	B.B.S.	Management	Bachelor	10	24	

### 3. PU Private Campuses

SN	Campus Name	Region	District	Program	Faculty	Level	Female	Total
1	Acme Eng. Col., Sitapaila Chock, Ring road Ktm.	Central	Kathmandu	B.E. (Arch.)	Engineering	Bachelor	70	132
			Kathmandu	B.E. (Civil)	Engineering	Bachelor	24	320
			Kathmandu	B.E. (Computer)	Engineering	Bachelor	19	100
			Kathmandu	B.E. (Elect. & Comm.)	Engineering	Bachelor	13	126
			Kathmandu	MS in Engineering Mgmt.	Engineering	Master	1	32
			Kathmandu	MS in Information System Engineering.	Engineering	Master	4	12
2	Alka Hospital Pvt. Ltd. Kathmandu		Kathmandu	P.B.N.	Medicine	Bachelor	77	77
3	Aryan School Pvt. Ltd., Kathmandu		Kathmandu	B.E. (Civil)	Engineering	Bachelor	4	94
4	Asian College of Management & Technology Pvt. Ltd., Kathmandu		Kathmandu	B.B.A.	Management	Bachelor	33	129
5	Asian Fdn. for Edu. & Research Gwarko, Lalitpur		Lalitpur	B.Pharm	Medicine	Bachelor	27	73
			Lalitpur	P.B.N.	Medicine	Bachelor	80	80
			Lalitpur	B.P.H.	Medicine	Bachelor	27	84
			Lalitpur	B.Sc.Nursing	Medicine	Bachelor	71	71
6	B & B Med. Inst., Gwarko, Lalitpur		Lalitpur	P.B.N.	Medicine	Bachelor	72	72
7	Bal Kumari Col., Narayanghard, Chitwan		Chitwan	B.B.A.	Management	Bachelor	67	162
8	Birganj Pub College, Panitanki, Birgunj, Parsa		Parsa	B.B.A.	Management	Bachelor	64	248
			Parsa	M.B.A.	Management	Master	25	59
9	Central Engineering College		Dhanusha	B.E. (Civil)	Engineering	Bachelor	2	84

10	Chakrabarti Habi Education Academy Pvt. Ltd., Kathmandu	Bhaktapur	B.Sc.Nursing	Medicine	Bachelor	50	50
		Bhaktapur	P.B.N.	Medicine	Bachelor	38	38
		Bhaktapur	L.L.B.	Law	Bachelor	27	57
		Bhaktapur	L.L.M.	Law	Master	31	178
11	Col. of AF&DT, Samakhushi, Katmandu	Kathmandu	B.Sc. Dairy Technology	Science	Bachelor	12	24
		Kathmandu	B.Sc. Food Tech.	Science	Bachelor	21	51

21	Bachelor (Public Health)			
22	PGD (Computer Application)			PGD
23	M.C.A. (Master of Computer Application)			Master
24	M.Sc. (Master of Science)in Life Science			
25	M.Sc. (Master of Science)in Meat Technology			
26	M.Sc. (Master of Science)in Dairy Technology			
27	M.Sc. (Environment & Resource Mg.)			

28	M.Sc. (Information System Engineering)		
29	M.Sc. (Engineering Mgt)		
30	M.Sc. (Urban Design in Conservation)		
31	M.Sc. (Rural Dvt. Planning & Gender Studies)		
32	M.Sc. (Regional Dvt Planning & Mg.)		
33	M.Sc. (Pop. Mgt & Rural Development)		
34	B.E. (Bachelor of Engineering) in Computer	Bachelor	Engineering
35	B.E. (Civil)		
36	B.E. (Electronics & Communication)		
37	Bachelor (Biomedical Engineering)		
38	B.E. (Geomatics & Land Resources Mg.)		
39	M.E. (Earthquake)	Master	
40	B.Sc. (Nursing)	Bachelor	Medicine
41	Bachelor in Pharmacy		
42	Bachelor (Homeopathic Medicine & Surgery)		
43	M.B.B.S. (Bachelor of Medicine & Surgery)		
44	Post Basic Bachelor of Nursing		
45	M.Sc. (Nursing)	Master	
46	B.A.	Bachelor	Humanities
47	Bachelor (Media Technology)		
48	B.A. (Journalism & Mass Communication)		
49	Bachelor in Liberal Arts & Science		
50	Bachelor of Interior Design		
51	B.S.W. (Bachelor of Social Work)		
52	PGD (Peace and Conflict Journalism)	PGD	
53	PGD (Psycho-Social Intervention)		
54	PGD (Conflict Management & Peace Building)		
55	PGD (Rural Economics)		
56	PGD (Development and Planning Studies)		

57	Master (Human Rights)	Master	
58	Master (Conflict and Intl. Humanitarian Law)		
59	Master (Sociology / Anthropology)		
60	Master (Development Communication)		
61	Master (Social Work)		
62	Master (Development Studies)		
63	M.A. (Mass Communication & Journalism)		
64	Bachelor of Science (Hon Agriculture)	Bachelor	AAS
65	Bachelor (Vet. Sc. & Animal Husbandry)		
66	Master (Agriculture Business Mg.)	Master	
67	B.Ed.	Bachelor	Education
68	B.Ed. (one year)		
69	B.Ed. (Distance Mode)		
70	M.Ed.	Master	
71	Legisum Laterum Bachelor	Bachelor	Law
72	Legisum Laterum Masterom	Master	

## ANNEX K

### Information on PokU

#### 1. PokU Constituent Campuses

SN	Campus Name	Region	District	Program	Faculty	Level	Female	Total
1	School of Business, Lekhnath, Kaski	Western	Kaski	B.B.A.	Management	Bachelor	128	333
			Kaski	M.B.A. trimester	Management	Master	52	157
			Kaski	B.B.A.-B.I.	Management	Bachelor	61	134
2	School of Development & Social Engineering, Lekhnath, Kaski		Kaski	M.P.G.D.	Humanities	Master	11	29
			Kaski	B.A.D.A.S	Humanities	Bachelor	38	58
3	School of Engineering, Lekhnath, Kaski		Kaski	B.E. (Civil)	Engineering	Bachelor	19	144
			Kaski	B.E. (Elect. & Electronics)	Engineering	Bachelor	12	135
4	School of Health & Applied Science, Leknath, Kaski		Kaski	B.Pharm	Science	Bachelor	60	159
			Kaski	B.M.L.T.	Science	Bachelor	42	94
			Kaski	B.P.H.	Science	Bachelor	85	146
		Kaski	B.Sc.Nursing	Science	Bachelor	59	59	
		Kaski	M.Pharm (Natural Product Chemist)	Science	Master	na	5	
		Kaski	M.Pharm (Clinical Pharm)	Science	Master	na	6	

#### 2. PokU Private Campuses

SN	Campus Name	Region	District	Program	Faculty	Level	Female	Total
1	Ace Institute of Management, Kathmandu	Central	Kathmandu	E.M.B.A.	Management	Master	17	81
			Kathmandu	M.B.A.	Management	Master	78	112
			Kathmandu	M.B.A. (Evening)	Management	Master	91	251
			Kathmandu	B.B.A.-B.I.	Management	Bachelor	147	281
			Kathmandu	B.B.A.	Management	Bachelor	186	340

2	Apex College, Kathmandu	Kathmandu	B.B.A.	Management	Bachelor	207	452
		Kathmandu	B.B.A.-B.I.	Management	Bachelor	185	446
		Kathmandu	B.B.A.-I.T.	Management	Bachelor	50	108
		Kathmandu	B.C.I.S.	Management	Bachelor	60	290
		Kathmandu	M.B.A. Trimester (Evn.)	Management	Master	41	137
		Kathmandu	M.B.A. Trimester	Management	Master	82	169
3	Apolo International College, Baneshwor, Kathmandu	Kathmandu	B.B.A.	Management	Bachelor	81	176
4	Atlantic International College, Samakhushi, Kathmandu	Kathmandu	B.B.A.	Management	Bachelor	70	137
		Kathmandu	B.B.A.-B.I.	Management	Bachelor	78	138
5	Bostan International College, Bharatpur , Chitwan	Chitwan	B.B.A.	Management	Bachelor	121	274
6	Citizen College, Jwalekhel, Lalitpur	Lalitpur	B.B.A.	Management	Bachelor	88	248
7	Cosmos College of Management & Technology, Lalitpur	Lalitpur	B.E.I.T.	Engineering	Bachelor	11	136
		Lalitpur	B.E. (Civil)	Engineering	Bachelor	37	337
		Lalitpur	B.E. (Elect. & Comm.)	Engineering	Bachelor	19	159
		Lalitpur	B.E. (Computer)	Engineering	Bachelor	27	154
		Lalitpur	B.B.A.	Management	Bachelor	55	167
8	Everest Engineering and Management College, Sanepa, Lalitpur	Lalitpur	B.B.A.-B.I.	Management	Bachelor	59	91
		Lalitpur	B.E. (Computer)	Engineering	Bachelor	12	86
		Lalitpur	B.E. (Elect. & Comm.)	Engineering	Bachelor	32	35
9	Excel International College, Chahabil, Kathmandu	Kathmandu	B.B.A.	Management	Bachelor	72	218

10	Institute of Advance Communication, Education & Research Center, Baneshwor, Kathmandu	Kathmandu	M.Phil. English	Humanities	MP	24	56
		Kathmandu	M.A. English	Humanities	Master	7	38
11	Kamad College, Sokedhara, Kathmandu	Kathmandu	B.B.A.	Management	Bachelor	67	191
		Kathmandu	B.A.D.A.S	Humanities	Bachelor	2	10
12	Liberty College, Anamnagar, Kathmandu	Kathmandu	B.B.A.	Management	Bachelor	87	247
13	Modern Technical College, Khumaltar, Lalitpur	Lalitpur	B.M.L.T.	Science	Bachelor	19	43
14	National Open College, Sanepa, Lalitpur	Lalitpur	B.B.A.	Management	Bachelor	60	146

48	Tilottama Campus, Butwal	Rupandehi	B.B.A.	Management	Bachelor	140	298
49	Tulashimehere Memorial College, Shankarnagar, Butwal	Rupandehi	M.P.G.D.	Humanities	Master	6	9

### 3. Programs List of PokU

SN	Program	Level	Faculty
1	B.E. (Civil)	Bachelor	Engineering
2	B.E. (Electronics & Communication)		
3	B.E. (Computer)		
4	B.E. (IT)		
5	B.E. (Software Engineering)		
6	B.E. (Electrical and Electrinics)		
7	Bachelor of Architecture		
8	M.E. (Disaster Risk Management)	Master	Engineering
9	M.E. (Communication)		
10	M.E. (Computer)		
11	B.Sc. (Biochemistry)	Bachelor	Science
12	Bachelor of Computer Information Systems		
13	Bachelor of Computer Applications		
14	B.Sc. (Computer)		
15	B.Sc. (Environmental Management)		
16	M.Sc. (Environmental Management)	Master	Science
17	M.Sc. (Computer Science)		
18	M.Sc. (Natural Resource Management)		
19	M.Sc. (Construction Management)		
20	M.Sc. (Computer Sc. & Data Processing)		
21	Master of Computer Information System		
22	PGD (Computer Applications)	PGD	Medicine
23	Bachelor of Pharmaceutical Sciences	Bachelor	
24	B.Sc. (Medical Laboratory Technology)		
25	Bachelor of Public Health		
26	B.Sc. (Medical Microbiology)		
27	B.Sc. (Medical Biochemistry)		
28	B.Sc. (Nursing)		

29	Master In Pharmaceutical Sciences	Master	Medicine
30	Bachelor of Hotel Management	Bachelor	Management
31	Bachelor of Travel and Tourism Management		
32	B.B.A. (Banking and Insurance)		
33	B.B.A.		
34	Bachelor of Health Care Management		
35	M.B.A.		
36	M.B.A. (Executive)		
37	Master of Healthcare Management		
38	PGD (Healthcare Management)	PGD	
39	Bachelor of Arts	Bachelor	Humanities
40	M.A. (English)	Master	
41	M.A. (Pop, Gender & Devt)		
42	M.Phil. (English)	M.Phil.	
43	Ph.D. (English)	Ph.D.
