

# SECTION I

## INTRODUCTION

---

### 1.1 Background

The University Grants Commission (UGC) was established under the *UGC Act* approved by the parliament on November 22, 1993 (Mangsir 7, 2050 BS) as a statutory, autonomous body. The establishment of UGC is one of the important attributes of the revolutionary changes in Nepal in the decade of 1990s brought by the realizations that Nepal needed big thrusts in almost every aspects including higher education in order for the country to be able to move ahead and join the world development trend.

Until 1990, higher education development was highly constrained; there were only two universities, Tribhuvan University (TU) and Mahendra Sanskrit University (MSU). TU was established in 1959 and MSU in 1986. In 1980 the total number of students enrolled in TU was thirty eight thousand, majority of them enrolled at proficiency certificate level (PCL). After grade ten, those students who passed the national level school leaving certificate (SLC) examination were eligible to join university at PCL. Nepal National Commission of Education 1992 viewed importance of 10+2 school structure and emphasized on implementation Higher Secondary Education as the first step towards specialization and higher educations. By 1990 the total university enrolment had risen to ninety four thousands, but the country's gross enrolment ration (GER) was only about 5%, a small improvement compared to 3% in 1980. Social equity with inclusion of disadvantaged section of society including female, dalits and other disadvantaged social groups in higher education were rather emerging issues. Only about 23% of the students enrolled were female students in 1990. Enrolment of dalits and disadvantaged ethnic groups; such as Satar, Chepang, Chamar, Mushhar were insignificantly sparse. Many districts totally lacked access to higher education. It is in such contexts that in 1990 there was a major political uprising that abolished absolute monarchism and established multiparty system. Development of higher education has been one of the priority concerns of the country ever since. It is in these contexts that the University Grants Commission (UGC) was established to promote, facilitate, and support development of higher education in Nepal.

### 1.2 Functions of the UGC

The *UGC Act* envisages UGC to function as a statutory, autonomous body, making proper allocation and disbursement of the grants to the universities, for their operation

and development ensuring quality of the education that they deliver. UGC is expected to address the need for defining academic standards in higher education, need for formulating plans and policies for higher education development, as well as launching new programs relevant to the overall development of the country. Besides, it has been expected to ensure good rapport and coordination among the universities in the country. Cooperation, collaborations and academic exchanges at national as well as international levels are also important aspects of higher education development that UGC has been expected to fulfill.

In line with the spirit and expectations of establishing UGC, the *UGC Act* has mandated it to carry out the following functions:

- Formulate policies on the allocation of the government grants to universities and higher education institutions.
- Disburse grants to the universities and make recommendations to the government for the grants provision.
- Award research grants, scholarships, and fellowships.
- Take necessary measures to determine and maintain the criteria and standards of higher education.
- Formulate necessary policies and programs to promote and enhance the quality of higher education.
- Advise the Government of Nepal on the establishment of new universities. This also applies in the process of establishment of new institutions of higher education in affiliation to foreign universities/institutions.
- Make arrangements necessary for the exchange of facilities and fellowships between universities and educational institutions within and outside Nepal.

### **1.3 Organization and Structure of UGC**

The overall authority of UGC system lies with the Commission consisting of eleven members. The Executive Chairman and the Executive Member Secretary of the commission are nominated by the Council of Ministers from among the educationist and professors upon the recommendation of MOE. Secretaries of the Ministry of Education and Ministry of Finance and the member of National Planning Commission (Social Sector/Education Desk) are the ex-officio members. Two Vice Chancellors are represented, usually one from Tribhuvan University and one from among the other remaining universities. Further, two distinguished professors and two prominent educationists are nominated. All the members are nominated by the Government of Nepal according to Article 5 of the *UGC Act*.

The term of the members including the Chairman and the Member Secretary is of four years from the date of appointment. The members are eligible for reappointment. The present Board Members of the UGC are:

**Table 1. The University Grants Commission Members List – 2067/68**

SN	Name	Designation	From	To
1	Prof. Ganesh Man Gurung	Chairman	2068/02/01	Continue
2	a) Prof. Vinod K. Shrestha	Member-Secretary	2063/04/08	2067/04/07
	b) Mr. Bhola Nath Pokharel		2068/02/01	Continue
3	Member National Planning Commission (Social Sector/Education Desk)	Member (Ex-officio)	—	—
4	Secretary Ministry of Finance	Member (Ex-officio)	—	—
5	Secretary Ministry of Education	Member (Ex-officio)	—	—
6	Prof. Madhav Sharma Vice Chancellor, TU (Nominated among the Vice Chancellors)	Member	2064/03/18	2068/03/17
7	Prof. Keshar Jung Baral Vice Chancellor, PokU (Nominated among the Vice Chancellors)	Member	2064/03/18	2068/03/17
8	Prof. Bal K. KC (Nominated among the distinguished Professors )	Member	2063/03/19	2067/03/18
9	Prof. Krishna Manandhar (Nominated among the distinguished Professors )	Member	2064/02/20	2068/02/19
10	Prof. Bharat Jha (Nominated among the prominent educationists)	Member	2064/02/20	2068/02/19
11	Prof. Shanti Devi Sharma (Nominated among the prominent educationists)	Member	2064/02/20	2068/02/19

*Note: The present Chairman and Member Secretary were appointed by the Government on 2011/05/15. The term of the previous Chairman and Member Secretary completed on 2010/06/02 and 2010/07/23 respectively. UGC was without Chairman for over eleven months and Member Secretary for about ten months. The dilemma relates to the political circumstance in the country contributing to indecisiveness in the the appointments. The issue also affected appointment of other members upon their term completion.*

In order to undertake the various roles and responsibilities, UGC had initially set up four divisions: Administration Division, Finance Division, Planning Division and Monitoring Division. With the implementation of the Second Higher Education Project in 2007, it has further added Quality Assurance and Accreditation Division and Research Division as well as EMIS Section and Reform Unit. The Administration Division is headed by a Joint Secretary Level officer, Finance Division by Under Secretary Level Financial Controller, Research Division and Quality Assurance and Accreditation Division by Professor Level academic staff.

UGC forms different committees and tasks force to undertake various responsibilities. Accordingly, its regulation has listed various provisions for the formation of different committees as well as to temporarily provision staffing, or hire service providers, or get services of consultants/experts. Currently, it has following committees:

- University Coordination Committee
- Second Higher Education Project Steering Committee
- Research Council
- Quality Assurance and Accreditation Committee
- Research Evaluation Committee
- Quality Assurance and Accreditation Technical Committee
- Academic Committee

Besides the committees mentioned above, which are formed to support UGC system, several other teams, tasks force, and task committees are also formed. This include Reform Committee, Cluster Committees, Peer Review Team, and theme/task committee such as university feasibility study task committee. UGC has also formed publication board.

(See Annex A for the list of the Committees in 2010/11.)

## **1.4 UGC Operation and Functioning**

### **Process of starting a new university**

For establishing a university MOE asks UGC for formation of a task committee to undertake feasibility assessment, prepare suitable outline of the university, and develop proposal. Accordingly, UGC forms a high level committee to undertake the study -- review documents, interaction with the stakeholders, visit the field to investigate the infrastructure as well as human resources. The committee then prepares a report with recommendations listing the steps to be undertaken along with a draft Act and submits to MOE. The final draft Act is tabled in the parliament for approval. The new university is approved by the Parliament with the endorsement of the Act.

Regarding opening of higher education institution in the country by foreign institutions/programs or in their affiliation the interested party/institution applies at MOE with detailed proposal. MOE forwards the proposal to UGC for review and prepare a report along with suggestions/recommendations. Decisions are made on the basis of the report.

### **Policy formulation**

For the development of Higher Education Policies MOE asks UGC for initiation of the task to draft the policies. UGC forms a policy drafting committee and task groups which undertake extensive review of the documents, consult and interact with different stakeholders to prepare the policy draft. The draft is then submitted to MOE to proceed for formal adoption. It is then tabled in the cabinet for endorsement.

### **Process of budget allocation and grants distribution**

UGC coordinates with the universities to prepare higher education budget. The education sector budgeting is coordinated by the concerned Ministry, MOE for education including higher education. MOE forms a task committee representing major organizations to formulate sector budget. The final allocation of the budget is done by the Ministry of Finance in consultation with NPC and MOE. MOE and MOF may consult the concerned organizations and institutions in the process by. Basically, budgeting process covers recurrent aspect and development aspect and is based on previous year's allocations, particularly in the case of the recurrent budget. Due considerations are however given to the needs of the institutions, proposed along with the strategic development plan.

Details of the Higher Education Budget and UGC Grants are listed in Section II.

### **Setting criteria, norms and standards of higher education**

UGC has initiated establishment of a system of Quality Assurance and Accreditation (QAA) in 2007. For this it has formed a Quality Assurance and Accreditation Committee consisting of 17 members including the UGC Chairman, Member Secretary, QAA Division Director, Representatives of all the Professional Councils, selected representatives of Universities, MOE, Student Union, representative of Deans and Department Heads, and Prominent Professors. QAA Division has been formed at UGC.

UGC with the recommendation of QAA Committee has adopted criteria, benchmark and process for quality assessment and accreditation. Schemes of quality enhancement based on important criteria and indicators have been developed and the process of QAA

piloted in selected number of campuses with the support of the Second Higher Education Project (SHEP). Currently the process of QAA has been opened for participation of all interested and eligible institutions on voluntary participation basis.

Process has already been launched to form an independent QAA board for quality assessment and accreditation.

### **Funding research and academic enhancement activities**

UGC has been providing small grants support to enhance research capacity of university teachers, similarly it has been providing support for conducting academic seminars, workshops, and curriculum orientation programs. The provision also includes travel support for university teachers to participate in academic seminars and conferences. An Academic Committee consisting of professors from different subject areas facilitate the various quality enhancement programs funded by UGC.

Since 2007 UGC initiated various schemes of research support to faculty members and institutions in order to link teaching and learning to the issues and development needs of the country through research activities, and inculcate research culture in higher education in the country. The schemes which is a subcomponent of SHEP included provisions of funding support to competitively selected research projects developed by the faculty members and the institutions, supporting training on research methodology, conducting dialogues with industry and business establishments, establishing research management cells, and development of research library, etc.

UGC has formed a 13 member Research Council represented by various stakeholders including universities, professional researchers, and the Federation of Nepalese Chamber of Commerce and Industries. It has also established a Research Division to undertake the initiatives and develop an effective system of research support. The initiatives are being supported by SHEP.

### **EMIS Report**

UGC has been publishing higher education management information system data annually since 2007/8 as a part of SHEP subcomponent of system capacity development. UGC has identified system indicators of major importance for higher education policy implementation and policy formulation. Accordingly it has developed tools for data collection which is circulated every year to collect the data. It has also selected consultant on competitive basis for the development of software for higher education EMIS.

### **Major Reform Undertaking: The Second Higher Education Project (SHEP)**

In line with the major national goals of improving quality and relevance of higher education in the contexts of social and economic development needs of the country the

Government of Nepal has been implementing the Second Higher Education Project (SHEP, 2007-2014) with the support of International Development Agency (IDA). The main objectives of the project are to achieve (a) enhanced quality, efficiency and relevance of higher education through a set of systemic reforms, and incentives to selected institutions; and (b) improved access for academically qualified students from disadvantaged groups in higher education and higher secondary education. There are four major components of SHEP: i) Reform in higher education; ii) Student financial assistance; iii) Enhancing higher secondary education; and iv) Strengthening system capacity. UGC along with TU and Student Financial Assistance Fund Development Board (SFAFDB) is responsible for the implementation of components 1, 2 and 4. MOE/DOE is responsible for the implementation of component 3.

SHEP implementation expected i) enhancing stakeholders' contributing participation in the reform process with the provision of matching grants; ii) providing performance grants on the basis of criteria and indicators based performance assessment; iii) using proxy means test for selecting most needy poor and disadvantaged students for providing financial assistance to join and complete their higher education; iv) motivating and providing support to public higher secondary schools for better performance and expansion of access; and v) Strengthening system capacity through development of (a) a system of quality assurance and accreditation, and (b) higher education EMIS. The detail of the project implementation progress is discussed in Section V.

### **1.5 Highlights of the UGC Activities in 2067/68**

The fiscal year 2067/68 was difficult year for UGC because it remained without the Chairman and the Member Secretary for almost the whole year. The terms of the previous Chairman Dr. Kamal Krishna Joshi completed on 2011/07/03 and subsequently the term of the Member Secretary Prof. Binod Kumar Shrestha completed on 2011/07/23. The difficult circumstances remained until the present Chairman and the Member Secretary were appointed by the government on 2011/05/15. Following the appointment of the Chairman and the Member Secretary, UGC was padlocked from 2011/05/18 by one of the Teacher Union demanding its differal because they thought that the appointments did not take place with proper political consensus. It remained padlocked for almost 2 months, until 13<sup>th</sup> July 2011.

Despite the dilemma, UGC managed to deliver important regular activities as well as SHEP activities and some other important activities with the initiatives of UGC Staff and the remaining UGC members in the period of the absence of the Chairman and the Member Secretary. The most important regular activities is to ensure government budget allocation for higher education and provide grants support to the universities and

community campuses. The second important regular activity is to provision and implement quality improvement program. Seminars, academic exchanges, and policy reviews constitute the third major activities. Implementation of the Second Higher Education Project, a major higher education reform project, currently constituted bulk of UGC activities. These different activities are elaborated in details in the following major four sections:

1. Budget and finances of the UGC – Section II
2. Quality Improvement Program – Section III
3. Second Higher Education Project – Section IV

The following are some of the brief highlights of the other major activities undertaken:

### **Interaction Program**

University Grants Commission (UGC) organized an interaction program on ‘The Role of Ministry of Education (MoE), University Grants Commission (UGC) and other stakeholders regarding development, operation and management of higher education in federalism’ on 2011 March 23 in the UGC Seminar Hall.

The purpose of the interaction program was to initiate interaction on development, operation and management of higher education system in Nepal with focus on forthcoming federal structure. The interaction was especially focused on the roles and responsibilities of MoE, UGC and the other stakeholders. Most of the participants in the program also talked about the roles and responsibilities of central and local government in governing the higher education. The discussion highlighted some issues that call for nationwide discussion on the issues like governance and management, access and quality, monitoring and evaluation, capacity development, financing, institutional arrangements, establishment of new universities and quality assurance.

The program generated different perspectives from the point of view of educationists, professors, policy makers and experts regarding restructuring of higher education in federal structure. They stressed particularly on how power and responsibilities may be distributed between the central and local governments. The program stimulated and encouraged for further discussion regarding how inclusive, high quality higher education can be delivered in federal context.

Speaking on the theme, Dr. Kamal Krishna Joshi, Former Chairman, UGC, said that the capacity of UGC must be strengthened to enhance the role of monitoring and regulating higher education in the federal structure. He also stressed that the

government must take the recommendations of UGC in establishing new universities. Similarly, Prof. Vinod Kumar Shrestha, Former Member secretary, UGC, elaborated on the role of UGC in quality monitoring, academic coordination and supporting development of academic programs of higher education .

Prof. Keshar Jung Baral, Vice Chancellor, Pokhara University, recommended that there must be powerful body at central level to regulate and monitor higher education institutions. Likewise, Prof. Ram Avatar Yadav, Vice Chancellor, Purbanchal University, stressed on restructuring the whole higher education system in federal structure and emphasized on the need for establishment of a central university.

UGC Member Prof. Krishna Manandhar insisted on empowering the UGC by giving full authority and responsibility for the overall development, operation and management of higher education in the country.

Dr. Prem Kunwar, Member, National Planning Commission; Shankar Prasad Pandey, Secretary, MoE; Prof. Triratna Manandhar, Vice Chancellor, Lumbini Buddha University; Prof. Arjun Karki, Vice Chancellor, Patan Academy of Health Science; and Prof. Shanti Devi Sharma, Member, UGC; also put their perspectives on the roles and responsibilities of MoE, UGC and other stakeholders on development, operation and management of higher education.

Highlighting on the summed up points from the discussion Prof. Hridaya Ratna Bajracharya, Technical Advisor of UGC emphasized that there is need for focussed discussion on issues of quality, access, institutional management, capacity development, funding and monitoring. Closing the session Prof. Krishna Manandhar, Member, UGC, elaborated on the need for critical assessment of the current roles, policies and provisions and accordingly plan for future, taking into consideration that lead the higher education onto the international scope.

Chief Administrator of UGC, Subash Chandra Dhungel welcomed all the guests and Finance Controller, Kedar Prasad Acharya thanked all for their encouraging participation on the program.

### **The Conference on Higher Education Policy**

A Conference on 'Higher Education Policy in Nepal' was organized on 11<sup>th</sup> - 12<sup>th</sup> February 2011 in Kathmandu.

The two-day conference was inaugurated by Honourable Chairperson of the Constituent Assembly Mr. Subash Chandra Nemwang. In the inaugural speech, Honourable Nemwang emphasized the need for a coherent and effective policy to govern higher education (HE) in the country. Honourable Nemwang wished for the success of

the conference in coming up with concrete suggestions for higher education policy in the country.

The conference jointly organized by the Ministry of Education (MoE), National Planning Commission (NPC), University Grants Commission (UGC) and UNESCO, highlighted the roles and responsibilities of different stakeholders governing and regulating HE. The conference highlighted the need for expansion of access ensuring equality; need for ensuring quality and relevance in terms of national and socio-economic development and in the context of global trends of HE development; ways and means of financing HE and need for comprehensive system of quality assurance and accreditation.

The conference brought together national and international experts in the field of HE. Five different papers were presented in the conference: i) Financing HE by Prof. Jandhyala Tilak, NUEPA, India. ii) Quality Assurance and Qualification Recognition by David Woodhouse, Executive Director, Australian University Quality Agency. iii) University Governance and Management by Dr. N.V. Varghese, UNESCO IIEP, Paris. iv) World Bank Presentation on access and equity by Ms Leoni Siok Yoong Lee, Education Specialist, World Bank, and v) Country presentation on UGC by Dr. Sultan Mahmud Bhuiya, UGC, Bangladesh. Two Former Finance Ministers Dr. Baburam Bhattarai & Dr. Ramsharan Mahat and Former Education Minister Prof. Mangalsiddhi Manandhar chaired three different sessions of the conference. Similarly, Dr. Kamal Krishna Joshi, Former Chairman, UGC; and Prof. Ramavtar Yadav, Vice Chancellor, Purbanchal University, chaired the other two different sessions. The paper presenters as well as the commentators stressed on the need of sound and consistent policy with contextual reforms particularly focusing on quality, access and equity in HE.

In the closing ceremony, the Country Director of UNESCO, World Bank Representative of Nepal, Joint-Secretary of MoE, Mr. Masharam Sharma, Member of NPC, Prof. Tirtha Raj Khaniya, and Members of UGC Prof. Shanti Devi Sharma and Professor Krishna Manandhar delivered their closing remarks.

### **Quality Improvement Programs**

- The UGC provided fellowship to higher education faculty members for pursuing their higher studies: Ph. D. Fellowship was awarded to 33 teachers and M. Phil. Fellowship to 41 teachers.
- One hundred and fifteen faculties from different higher education institutions were awarded the mini research grants by the UGC.
- The UGC provided support to 24 handicapped students from different central departments and campuses.

- The UGC provided financial grants to thirty–three teachers invited by international institutions to participate in conferences, workshops, and seminars to present working papers or posters.
- Five teachers of TU who are pursuing Ph.D. study without any support from any other sources were provided financial supports for field study, research materials, typing and binding.

### **Second Higher Education Project**

- UGC continued to make provisions of incentive grants, matching grants and performance grants for the participating universities TU, KU, PU and PokU, selected Autonomous and Decentralized campuses of TU as well as the Community Campuses selected under Scheme A, B, C and D.
- The provisions of Research Fundings are made to the selected institutions and faculty members, supports are provided to the institutions to conduct training on research methodology, conduct seminar on industry-academia cooperation, and on the culture of inquiry. UGC continued to support strengthening of TU central Library to develop it as a national research library.
- Earlier in 2066/67 Damak Multiple Campus, Janapriya Multiple Campus and Siddha Nath Multiple Campus Completed the QAA cycle. Balkumari Multiple campus got accredited in the fiscal year. In 2067/68 Lumbini Banijya Campus and Makwanpur Multiple Campus completed the QAA cycles.
- The UGC has successfully launched the Annual Higher Education EMIS Report in 2066/67 it has already published and circulated the first issue. In 2067/68 it has prepared the second issue ready for publication.
- The UGC has initiated provisioning of formula funding mechanism for KU, PokU, & PU as per the MOU between UGC and the Universities regarding their participation in SHEP Reform Grants.

## SECTION II

### BUDGET & FINANCES OF THE UGC

University Grants Commission manages the government funding to Universities and Community Campuses. The government funding to universities are made in the form of block grants. Block grants consisted of two funds – operational and developmental. The operational funds for TU and NSU are estimated based on the salaries and basic logistics of the teachers and other staffs of the universities including the constituent campuses. In the case of other universities the funds are provided on the basis of the last year budget. In the case of the community campuses token amount of grants are provided on the basis of number of students and programs run. Development funds are provided on the basis of need as well as the available government fund.

TU and NSU are run mainly with the government grants, almost 90% of their operating costs are covered by the government grants. Government grants also form parts of the operating costs of PU and PokU. The operating cost of LBU which is still at the development stage is almost totally covered by the government grants. Government grants are also allocated for the upcoming universities for their establishment and development. Since last two years community campuses are receiving government grants on the basis of its location, student numbers and the types and levels of the programs run.

The UGC has allocated and disbursed budget for different programs and institutions as shown in the following tables. The total budget includes grants to universities, community campuses and other institutions, and UGC operation expenses. The UGC has received regular, basic, additional and development grants.

#### 2.1 Budget of the UGC

**Table 2. Budget for the Year 2010-2011 (In Thousands )**

SN	Programs/Institutions	Regular Budget	Development Budget	Total Budget
1	University Grants Commission	341,256.00	462,500.00	803,756.00
2	Grants to Community Campuses	152,500.00	190,000.00	342,500.00
3	Quality Improvement Program	15,000.00	-	15,000.00
4	UGC Operation	17,000.00	-	17,000.00
5	Other Programs	274,746.00	272,500.00	547,246.00
6	Tribhuvan University	3,051,044.00	265,000.00	3,316,044.00
7	Mahendra Ratna Campus, Ilam, TU	30,000.00	-	30,000.00
8	Nepal Sanskrit University	229,400.00	65,000.00	294,400.00
9	Purbanchal University	21,728.00	10,000.00	31,728.00
10	Pokhara University	20,472.00	12,500.00	32,972.00
11	Kathmandu University	9,000.00	-	9,000.00
12	Lumbini Boudha University	6,000.00	20,000.00	26,000.00
	<b>Total</b>	<b>3,826,890.00</b>	<b>835,000.00</b>	<b>4,661,890.00</b>

## 2.2 Grants Received by UGC

**Table 3. Grants Received by UGC during 2010-2011**

SN	Particulars	Amount
1	Regular Grants 65-3-164	3,826,889,999.87
2	Basic Grants	3,826,889,999.87
3	Additional Grants	-
4	Development Grants 65-4-164	835,000,000.00
5	Basic Grants	835,000,000.00
<b>Total</b>		<b>4,661,889,999.87</b>

## 2.3 Grants Disbursed to HEI

**Table 4. Grants Disbursed to Higher Educational Institutions (HEI) in 2010/11**

S N	Particulars	Annual F. Y. 2067/68		
		Regular Grants (Rs.)	Development Grants (Rs.)	Total (Rs.)
1	Tribhuvan University	3,081,044,000.00	265,000,000.00	3,346,044,000.00
2	Nepal Sanskrit University	229,400,000.00	75,000,000.00	304,400,000.00
3	Purvanchal University	21,728,000.00	10,000,000.00	31,728,000.00
4	Pokhara University	20,472,000.00	12,500,000.00	32,972,000.00
5	Kathmandu University	9,000,000.00	-	9,000,000.00
6	Lumbini Boudha University	6,000,000.00	20,000,000.00	26,000,000.00
7	Regular Grants to Community Campuses	154,682,000.00	-	154,682,000.00
8	Nepal University Teachers Association: NUTA	-	10,000,000.00	10,000,000.00
<b>Total</b>		<b>3,522,326,000.00</b>	<b>392,500,000.00</b>	<b>3,914,826,000.00</b>

## 2.4 Regular Grants Disbursed to Community Campuses

**Table 5. Regular Grants Disbursed to Community Campuses in 2010 – 2011**

SN	Program Name	No. of Campus Involved	Grants (Rs.)
1	Regular Grants to Community Campuses	300	154,682,000.00

(See Annex B for the list community campuses that received regular grants in 2010/11 )

## 2.5 Grants Disbursement for Girls Scholarships

**Table 6. Grants Disbursement for Girls Scholarships in 2010-2011**

SN	Program	No. of Girls Receiving Scholarships	Total Grants (Rs.)
1	Girls Scholarships	594	5,940,000.00

Annual financial audit is a must for all the higher education institutions and organizations in the country. In the case of the public organization/institution receiving significant regular government grants audit by the office of the Auditor General is a must. Thus University Grants Commission has provisioned first auditing of its fiscal transactions by licensed auditor and then by the auditor general, in the case of Tribhuvan University it has developed a unit of internal auditing which makes the first audit followed by the auditing from the office of the Auditor General. The universities are also regulated to prepare and table annual performance reports in the governing Council along with the financial report.

## SECTION III

### QUALITY IMPROVEMENT PROGRAM

The UGC ensures quality education in order to meet with the national need and the context of globalization. In this regard, it every year launches Quality Improvement Program which modifies and improves curricula, conducts refresher courses and launches programs for the enhancement of skills and capacity building of teachers. It promotes research culture. It further improves academic, educational and physical capacities of the higher education institutions. Quality improvement programs are launched as per the Quality Improvement Program Guidelines, 2007 and necessary endeavors and improvements are made on the basis of the review of the past programs and suggestions received from the stakeholders. In 2010/11, the UGC planned the following programs to support but some of the programs could not be accomplished or supported as the tenure of the UGC Chairman, the Member Secretary and other Board members was over and the vacant posts were not fulfilled in time. Despite this, some major scheduled programs were successfully conducted.

**Table 7. Expenses Details for Quality Improvement Programs under Regular Scheme of UGC in 2010/11**

SN	Programs	Expenses
<b>1</b>	<b>Refresher Course/Training Programme/Research</b>	
	Refresher Course	
	Training Programme	
	Research Methodology Training	
<b>2</b>	<b>Fellowship Programme</b>	<b>1,505,135.00</b>
	Ph.D. Study	886,218.00
	M.Phil. Study	233,917.00
	Support for M.Phil. Research	15,000.00
	Support for Handicapped Students	370,000.00
<b>3</b>	<b>Research Promotion</b>	<b>41,000.00</b>
	Mini Research	
	Special Research	
	Research Reference Materials	
	Ph.D. /M.Phil. Infrastructure Development	
	Miscellaneous Support (Ph.D.)	41,000.00
<b>4</b>	<b>Study/Teaching Visit</b>	<b>875,000.00</b>

	Grants for Purchasing Furniture	
	Grants for Purchasing Equipment	
<b>7</b>	<b>Physical Facility Development</b>	
<b>8</b>	<b>Teaching Material Development</b>	
	<b>Miscellaneous</b>	
	<b>Total</b>	<b>2,421,135.00</b>

### 3.1 Refresher Training/Training Program

The main objective of this program is to bring into discussion the changes in courses and teaching methodologies among the teachers. It also helps the teachers build their capacity by acquainting themselves with the latest information technology and tools used in teaching. This program could not be launched due to the lack of timely decision of the appointment of the UGC officials.

#### 3.1.1 Refresher Training

The objective of the training was to help keep the university teachers updated on the changes in the course contents and teaching methodologies. The refresher trainings are conducted by universities, subject committees, Dean's Offices, Departments, Campuses or other higher education institutions. In order to get this support, the host organization has to submit a grant proposal to the UGC office and the programs that meet the specified criteria will be selected for the support. The proposal should be prepared based on the following guidelines

- The proposal for refresher training and workshop can be prepared and submitted by a university, a campus, a department, or a subject committee.
- The proposal should include recommendation of the Dean, Department Chief or Campus Chief.
- The timeframe for the refresher training should in general, be of up to three weeks.
- The subject matter of the program should be related to the curriculum of Bachelor's or Master's level.
- The related subject teachers of the constituent and affiliated campuses of the universities participate in the program.
- The accepted grants can be used for the following purposes:
  - Development of educational materials for training/workshop
  - Remunerations for the expert
  - Report preparations
  - Other necessary expenditures.
- The grant amount will be decided by the Commission.

### **3.1.2 Training Program**

Under this program, different trainings can be conducted to develop the capacity of the teachers and staff as proposed by the University, Subject Committee, Dean Office, Department, Campus or other related body. Proposals for training Program should meet the following criteria:

- The proposal should include recommendation from the University, Dean, Central Department Chief or the Campus Chief concerned.
- Subject teachers and staffs of the University or constituent and affiliated campuses can participate in the program.
- The accepted grants can be used for the following purpose:
  - Educational materials for training
  - Remuneration for experts
  - Report preparation
  - Other necessary expenditures
- The grant amount will be as decided by the Commission.

### **3.2 Fellowship Program**

Fellowships are provided every year to teachers of universities and their affiliated and constituent campuses to strength their academic capabilities.

#### **3.2.1 Ph.D. Study**

Ph.D. fellowship is provided for teachers to enhance the quality of higher education through capacity building. To be considered for the Ph. D. fellowship, permanent teachers from universities/affiliated campuses apply by submitting an application along with recommendations of the educational organization with which they are affiliated. The application and award process for Ph.D. is as follows:

#### **Application process:**

- The candidates should fill out the standard application form of the Commission and submit it within the deadline. Incomplete and late applications are not entertained.
- The application fee of Rs 100 can be paid to the Financial Administration Division of the Commission or sent through a bank draft payable to the Commission through Rastriya Banijya Bank, Sanothimi branch.
- For Ph.D. study fellowship, the age of the applicant should not exceed 50 years by the application deadline (for women, Dalits, and Janajatis the age limit is 52 years).
- Fellowship is provided for Ph.D. study only within Nepal or SAARC countries.

- Teachers that have not yet enrolled for Ph.D. study can still apply. If they are selected for fellowship, they should begin the study within one year of nomination.
- Candidates must submit a study leave approval letter from the University/Campus concerned.
- An interview will be conducted. The merit list of candidates will be published based on their academic performance, publications, subject matter of the study proposal, knowledge of the subject matter, presentation, quota and quality of the research proposal.
- The number of fellowships will be determined in accordance with the availability of the budget.
- The following fellowships will be provided:
  - a. Fellowships of Rs 4,500 per month.
  - b. A maximum of Rs 10,000 for field study on the recommendation of the supervisor. For this purpose, the candidate should present a detailed plan . Half of the amount will be provided in advance, the remaining amount will be provided after submission of the field report along with the recommendation of the supervisor.
  - c. Rs 8,000 for books and reference materials in two installments.
  - d. Up to Rs 7,000 for laboratory expenditures for candidates of the faculty of science and technology. The candidate should present the bills of the items procured and a proof of use of the items along with a recommendation of the supervisor.
  - e. Rs 10,000 for typing and binding after submission of the thesis.
  - f. Rs 10,000 as an incentive for the candidates submitting the thesis within three years after enrollment for the program.
  - g. Monthly fellowships will be awarded in two installments per year. However, the fellowship for the last six months is to be provided only after the submission of the thesis.
  - h. Scholars should submit progress reports in every six month along with the recommendation of the supervisor or the institution concerned. The UGC can withhold the installment if the candidate fails to submit their progress report.
  - i. The progress of the fellows will be reviewed through the presentations organized at the UGC office. The Ph. D. fellows are required to present the progress report once in a year. The payment is withheld in case of a failure to present the progress.
  - j. The miscellaneous work related to the fellowship will be as decided by the Commission.

- k. The Ph.D. fellows should sign an agreement with the terms and conditions of the fellowship.
- l. This fellowship is only for candidates who have not received support from any other sources. The academic committee can terminate the fellowship and recover the amount if the Commission is made aware of other sources of funding for the Ph. D. fellows.
- m. The Chief Supervisor of each Ph.D. fellow from any university in Nepal is provided Rs 5,000 once the fellow submits their thesis.
- n. The fellowship recipient will have to submit a report with appropriate reasons in case of failure to submit the thesis within three years after registration for Ph.D. study. With a review of the report, the academic committee of the UGC can extend the deadline for a maximum of two years, one year each time, if the reasons look satisfactory.
- o. The file of the scholars will be closed after five years and they will not get any support thereafter. The Scholarship term will be terminated after five years wherein the candidate may not reapply for the same thesis topic.

**Table 8. List of Ph.D. Fellowship Awarded in 2010/11**

SN	Name	Institution	Subject
1	Binod Lekhak	Central Dept. of Microbiology, TU	Microbiology

32	Dhirendra Thakur	Kailali Multiple Campus, Kailali	Mathematics
33	Gaj Ram Damai	Siddhanath S. Campus, Mahendranagar	Mathematics

### 3.2.2 M.Phil. Study

A limited number of M. Phil. Fellowships are provided every year to university or campus teachers pursuing M. Phil. Study in their University or affiliated/constituent campuses. Fellows are selected through open competition. The number of fellowships depends on the availability of budget.

Under this program, a stipend of Rs 2,500 a month is provided to each fellow in two installments in a year. An additional Rs 5,000 is provided to the candidates once they submit a copy of their thesis and a letter of thesis submission to the department concerned. Academic qualifications, publications, and interview will be the basis of selection to this program.

**Table 9. List of M. Phil. Fellows Candidates Awarded in 2010/11**

SN	Name	Institution	Subject
1	Purushottam Neupane	Kumari Namuna Campus, Nuwakot	Nepali

41	Sukuman Dangol	Nuwakot Adarsha M. Campus, Nuwakot	Population

### 3.2.3 Support for M.Phil. Thesis Preparation

A pre-defined number of teachers pursuing M. Phil. study in Nepalese universities who have not received this fellowship or any other previous support are eligible for this funding. A maximum of two best theses selected by the central departments concerned will be awarded Rs 15,000 each. Each year, a maximum of two students from each central department will be awarded such support. The central departments of universities in Nepal will have to select the theses of two best students every year and submit them to the Commission for support.

**Table 10. List of M. Phil. Thesis Support in 2010/11**

SN	Name	Institution	Support Amount (Rs.)
1	Juju Bhai Manandhar	Kathmandu University, Dhulikhel	15,000

### 3.2.4 Support for Handicapped Students

Under this program, up to 15 handicapped students pursuing Master's degree in Nepalese universities are provided up to Rs 20,000 each for thesis preparation every year

through open competition. The application should include a letter from their respective departments testifying that the student has been registered for thesis, and photocopies of certificates of disability, Bachelor's degree, and provisional mark sheets of Master's degree. Half of the amount will be released in advance and the rest after submission of the thesis. The full amount is to be provided in a single installment if the student submits the thesis during the selection period. The Commission had provided support to the following handicapped students:

**Table 11. Support Programs for Handicapped Students in 2010/110**

SN	Name	Address
1	Tilak Raj Khanal	Tansen Campus, Palpa
2	Kumari Khagisara Thapa	
3	Indra Narayan Shah	
4	Bishwa Shanti Subedi	
5	Jiwan Kumari Gautam

23	Saraswoti Acharaya	Central Department of Education, TU
24	Amri Rai	Tri Chandra Campus

### 3.3 Research Promotion

Research furthers academic knowledge and helps improve the quality of not only an individual but also an educational institution. In this effect, the UGC has promulgated research support program since its inception.

The following programs were carried out under this program in the year 2010/11:

### **3.3.1 Mini Research Projects**

The aim of mini research projects is to orient teachers towards research by providing financial support to academicians who are up to Associate Professor Level without a Ph.D. degree for a period of six-months. If the research is not completed within six months, the candidates can apply for the extension with justification up to two times.

The procedures for the grants are:

- A notice calling for research proposals will be published. The proposals should be submitted within the deadline.
- The proposal should be submitted in the format prescribed by the UGC.
- The proposal should include recommendation from the concerned department and or campus and an updated CV of the researcher.
- Selected candidates should sign an agreement within 45 days of the acceptance of the proposal.
- The researcher is provided with maximum Rs 30,000 including taxes.
- The researcher should complete the research and furnish three spiral-bound copies of the draft report of the research work within the deadline to the Commission.
- Incorporating the evaluations and suggestions received during presentation, the researcher should submit three corrected and final hard-bound copies and a CD copy of the report to the Commission.
- The grant approved is to be provided in three equal installments. The first will be paid after acceptance of the proposal and submission of research plan, the second; after submission of the draft research reports, and the third; after submission of the final report.
- The draft and final reports must include an abstract of at least two pages.
- After submission of the draft report, Rs 5000 will be provided for supplementing the typing and binding costs.
- The best researchers completing the research within the set deadline are conferred special awards during the anniversary day of the Commission.

(See Annex C for the list of individual who were awarded the mini research grants for the year 2010/11.)

### **3.3.2 Special Research**

Under this program, one or more teachers/experts are provided grants for the research on defined topics. The academic committee invites applications for research on specific topics. Grants can also be provided for special research proposals received from educational institutions, departments, Dean Offices, and professors and associate professors with a Ph.D. degree.

### 3.3.3 Research Materials

Grants can be provided to researchers for certain research journals, books, equipment, and educational materials needed in the course of the research. After completing the research, they should submit the equipments acquired to their related department/campus. This support will not apply for those receiving a Ph. D. fellowship from the UGC.

### 3.3.4 Miscellaneous Support

Under this program, teachers of constituent and affiliated campuses pursuing Ph.D. study without any support from any other sources are provided with financial grants. This support can be applied towards field study, research materials, typing and binding and other works depending on the nature of the work. Candidates can apply for support by submitting a recommendation of the campus chief or supervisor along with a proposal/progress report. Every year, funding is available which is provided to candidates for one activity every six month. The support for typing and binding will be available after submission of the thesis. Candidates who have crossed the five years of Ph.D. registration are not eligible for this support. For support towards field study; candidates should furnish the supervisor's recommendation as well as a detailed plan. For books; candidates must submit the associated bills.

SN	Particulars	Maximum Amount (Rs.)
1	Field Study	10,000
2	Book/Reference	8,000
3	Typing/ Binding	7,000

**Table 12. The list of miscellaneous supports in 2010/11**

SN	Name	University	Support Amount (Rs.)
1	Siman Gautam	TU	7,000.00
2	Medeni Pd. Sedhai	TU	8,000.00
3	Kamal Raj Sharma	TU	10,000.00
4	Manahari Dhakal	TU	8,000.00
5	Jayanti Rupakheti Pudel	TU	8,000.00
<b>Total</b>			<b>41,000.00</b>

## 3.4 Teaching/Study Visits

### 3.4.1 Senior Professors' Teaching Visits to the Campuses

Under this program, subject teachers are provided grants for short-term teaching visits to constituent/affiliated campuses of universities in order to improve teaching-learning activities and provide assessments to improve teaching standards.

The following processes should be followed:

- The teacher has to be a professor or senior associate professor having expertise and experience on the subject.
- The UGC or the campus concerned will select the teacher and the program should be conducted by the campus itself.
- The campus concerned should submit the details about the subject, time period, and the service expected from the expert to the UGC.
- If the proposal is accepted, necessary expenditures needed for up to two teachers per college can be provided. The amount provided can be used to cover the daily allowance, travel allowance, and remuneration of the teachers concerned.
- The remuneration will be paid after the teacher submits the details of the activities certified by the campus to the UGC.

### **3.4.2 Visit to Institutions of the SAARC Countries for Special Study/Research**

Under this program, financial support is offered to university/affiliated campus teachers to participate in short-term special study or research within the SAARC countries.

The following process should be followed:

- With justifications and recommendations of the department concerned, application can be made to travel to any university or educational institution within SAARC for special study or research.
- Under this program, UGC will pay partial costs of the teacher's travel, accommodation, and living costs during the stay in the institution.
- Candidates should submit the acceptance letter from the host institution along with the application.
- This support is not provided to those already receiving fellowship from the UGC or any other organization.
- The amount of support will be decided by the academic committee of the UGC.

### **3.4.3 Travel Grants for Participation in Seminars/Conferences**

Under this program, partial financial support is offered to teachers invited by international institutions to participate in conferences, workshops, and seminars to present working papers or posters. The support can include travel costs, living costs, and in special circumstances, registration charges.

The following documents need to be furnished to seek travel grants:

- Letter of Invitation from the host institution.

- Recommendation letter from the head of the applicant's educational institution.
- A letter from the host organization clarifying the availability or non-availability of the financial or other support.
- A ticket or letter from the official sales agent or travel agency with the tariff.
- Acceptance letter from organizers about the presentation of the working paper/poster of the applicant and a brief summary of the working paper and poster.

The academician concerned must present a report with program description to the Commission within one month after returning from the visit. Although the Commission can approve the travel grant before the travel, the amount is reimbursed after submission of the necessary documents to the Commission upon completion of the travel. While providing travel grants, priority will be given to teachers who have not received the support in the past. This grant will be provided only once per year. In the case that a group of teachers/writers are going abroad to present their paper; the support is provided only to the group leader.

(The details on travel grants received by teachers are presented in Annex D.)

Following is the mode of support:

SN	Country	Maximum Amount (Rs.)
1.	Bhutan, Bangladesh and India	10,000
2.	Pakistan, Sri Lanka, Maldives, Thailand, Barma, Malaysia and Combodia	15,000
3.	Country expect 1 and 2	20,000

### 3.5 Seminars/Workshops/Conferences

Under this program, partial financial support is provided to academic societies of universities, campuses, departments, and related agencies to host seminar, workshop, and conference to study and analyze contemporary issues and problems in a specific area. The societies should organize such events jointly with the campus or the department concerned.

The following procedure should be followed:

- The institution should submit a proposal with the details on the theme, nature, time period, and venue of program along with the estimated costs, topics of the working papers, lists of writers, and detailed schedule.
- The teachers' whose subject is related with the theme of the program, will be the participants of the program to the extent possible.
- The agreed amount will be provided after the completion of the program and submission of the report.

- After the completion of the event, detail description of the program and documents should be submitted to the UGC office.
- To apply for support, the proposals should be submitted in a prescribed format of the Quality Improvement Program of the Commission.

The amounts for such support is decided depending upon the nature of the seminar/workshop/conference, duration of the program, number of participants, objectives of the event, and the possible impact of the program. Below is the range of the support that can be provided to such events:

SN	Program	Support Amount (Rs.)
1.	Local level program	30,000
2.	National level program	50,000
3.	Regional ( SAARC) level program	75,000
4.	International level program	1,00,000

### **3.6 Grants for Strengthening Library and Equipment**

Under this program, community campuses are provided with the following supports:

#### **3.6.1 Grants for Purchasing Books**

Under this Program, the UGC provides grants to community campuses to purchase books for their libraries. The process for receiving this grant is as follows:

- Campuses should submit a proposal seeking grants to purchase textbooks and reference books explaining the overall situation of their library.
- Proposals should include separate list of the textbooks and reference books deemed essential, the prices of the books, and the number of copies required.
- Proposals should arrive at the UGC office within the deadline set by the notice or the circular issued by the Commission.
- The grants received under this heading should be used only for the purchase of textbooks and reference books.
- In the case of constituent campuses, a grant for books and journals can be provided if the campus/department is running a new degree course, or a new subject is going to be added at the Master's level.

#### **3.6.2 Grants for Purchasing Furniture**

Under this program, grants can be provided to community campuses to purchase furniture for libraries. The process is as follows:

- The campus should submit a proposal along with the detail on the situation of furniture in their library.
- The proposal should also include details on the furniture needed.
- The proposal should arrive within the deadline mentioned in notices or the circulars issued by the Commission.
- The proposal should mention the amount sought from the UGC and the amount the campus concerned can bear.
- Support received under this heading should be used strictly to the furniture listed.

### **3.6.3 Grants for Purchasing Computer**

The Commission also provides grants to community campuses to purchase computers to help them efficiently execute their administrative and academic activities through a systematic use of information technology. To receive this support, the campuses should apply within the deadline and the grant thus received should be used only to purchase computers. The amount approved is released only after the bills are furnished.

### **3.6.4 Physical Facility Development**

Grants under this program are provided to add classrooms and library rooms in community campuses where they are running Bachelor's or Master's courses. The operational procedure to obtain the grants is given below:

- Proposals, which have to be submitted within the deadline, should explain the current situation of classrooms and library rooms, reasons for adding the rooms and the estimated cost.
- A partial grant can be provided on the basis of matching fund depending on the physical situation of the campus and the number of students.
- The campus receiving the grant should submit a report on expenditure details for the construction of library room/classrooms.
- The UGC can monitor or supervise the activities under this funding program.

### **3.6.5 Development of Teaching Materials**

Under this program, financial support is provided to institutions to publish books, reference materials, and study materials by forming an expert taskforce or by organizing workshops on a specific subject. To receive this support, proposals should be submitted by a university, campus, Dean's office, subject committee, department or educational institution. The proposal must mention the names of experts, date, venue, and period of the event as well as the number of participants.

## SECTION IV

### SECOND HIGHER EDUCATION PROJECT (SHEP II)

---

#### Provisions and Progress

##### 4.1 Introduction

The overall national objective of developing higher education system in Nepal is to produce professional human resource, with knowledge and technological base, capable of supporting economic growth and social reform towards building a prosperous, harmonious and knowledge based inclusive society. Towards achieving the national objective the government of Nepal (GON) has launched Second Higher Education Project (SHEP) with the grant support of the IDA. The project has been effective since July 2007 and will continue till January 2014. The project implementation is reviewed annually and an exhaustive midterm review (MTR) of SHEP implementation was carried out in February 2010. Following MTR, a restructuring mission was convened in July 2010. The objectives, outcomes, and the provisions are tuned up by the restructuring to ensure more effective and efficient implementation of the project. The following descriptions follows the project restructuring.

##### 4.2 SHEP Objectives

The main objectives of SHEP are to achieve

- i. enhanced quality, efficiency and relevance of higher education through a set of systemic reforms, and incentives to selected institutions; and
- ii. improved access for academically qualified students from disadvantaged groups in (a) higher education and (b) higher secondary education.

The project specifically aims to a) achieve better quality and relevance in higher education; b) instill a culture that values research and development opting for sustained better professional quality and academic excellence; c) ensure financial sustainability of higher education institutions; and d) ensure equitable access of higher education to meritorious students from poor and disadvantaged section.

##### 4.3 Key Indicators

The Project has been designed to address indicator based outcomes. The following are the Key Project Indicators (KPIs):

1. Number of institutions accredited
2. Student pass rates in bachelors and masters levels in participating institutions

3. Share of students enrolled in science, technology, management, and other employment/economic development focused programs in participating institutions<sup>1</sup>
4. Share of enrollment from disadvantaged groups in participating institutions at (a) higher education and (b) higher secondary education levels [disaggregated by gender, Dalits and educationally disadvantaged Janajati for both (a) and (b)]

#### 4.4 Project Components

The project has following four major components:

1. Reform grants
2. Student financial assistance
3. Enhancing higher secondary education, and
4. Strengthening system capacity

The Second Higher Education Project (SHEP) envisages to help achieve these national higher education objectives by supporting (a) reform in higher education institutions through performance grant, incentive grant and matching grant for resource mobilization initiatives (b) improvements in the teaching and learning with strengthened research capability (c) improvements in governance, management and financial sustainability; (d) establishment and operation of a student financial assistance scheme (e) establishment of quality assurance and accreditation system and Higher Education Management Information system (HEMIS).

UGC along with TU and SFAFDB is responsible for implementing components 1, 2, and 4. DOE is responsible for component 3. The components have been further specified in terms of subcomponents, major specific aspects and provisions.

##### 4.4.1 Component 1: Reform Grants

This component is designed to provide financial incentives to improve the efficiency, accountability and financial sustainability of higher education institutions in line with the decentralization goal established by the GON for higher education institutions and Tribhuvan University for its constituent campuses. The component also supports community campuses and other universities. It has been emphasized that the use of the grants should be to promote development of new programs in employment/economic development focused areas, and advancement of research in the higher education sub-sector.

Following the project restructuring as suggested by the Mid-term review in February 2010, this Component has provisioned three sub-components:

- 1.A University Grants Commission Reform Grants
- 1.B Advancing Research in Higher Education; and
- 1.C Tribhuvan University (TU) Reform Grants

---

<sup>1</sup> More specifically, in the following areas: (i) basic and applied sciences, (ii) engineering, (iii) medicine, (iv) management, (v) agriculture and forestry, and (vi) other employment/economic development focused areas.

### ***Sub-Component 1.A: University Grants Commission Reform Grants.***

UGC had been implementing all the Reform Grants provisions as listed in the Project Appraisal Document (PAD) and initial Financing Agreement until the project restructuring. After project restructuring, TU has been fully responsible for Reform Grants for TU and its constituent campuses.

The UGC reform grants subcomponent has following provisions:

- i. Incentive grants for Kathmandu University (KU), Purbanchal University (PU) and Pokhara University (PokU) for signing the MOU and the agreement for formula based funding; incentive grants for all the selected community campuses for developing strategic plans as well as for participation in the QAA process.
- ii. Performance grants for selected community campuses and KU, PU, and PokU.
- iii. Matching grants for selected community campuses and KU, PU, and PokU.

In view of a very successful intervention focusing on community campuses in the first three years of the project and responding to growing demands from other community campuses, GON has strongly advocated supporting at least one campus in each of the 75 districts in the country. In this line the reform grants support has been extended to 90 community campuses from the initial provisions for 10. Those selected for initial provisions thru national and regional competitive selection process are termed Scheme A and entitled to get the same extent of provisions as for the universities and autonomous TU constituent campuses except for incentive grants. Subsequently in 2008/09, 10 campuses were selected for Scheme B thru the same process as of Scheme A but lowering the minimum eligibility criteria. Further lowering the eligibility requirements 28 campuses were selected for Scheme C in the same year and 43 in 2010/11 for Scheme D thru district level and regional level selection. Also, to consider remoteness of districts, it is suggested that the share of the project resources in the matching fund for campuses be increased from 1:1 (project contribution to community contribution) up to 2:1 in proportion to the Human Development Index of each district.

### ***Sub-Component 1.B: Advancing Research in Higher Education.***

Research funding consisted of the following provisions

- i. Training and seminars on research and professional/academic enhancements
- ii. Scholarships for PhD, and Post Doc,
- iii. Support for Master of Philosophy and Masters thesis preparation
- iv. Faculty research –individual and group
- v. TU Central library strengthening
- vi. Networking of libraries and research laboratories and testing services
- vii. Strengthening of research laboratories

- viii. Development of research management cells
- ix. Conducting university-industry dialogues

In view of the importance of support for research in the higher education sub-sector, this sub-component has been restructured to make it more rational and with better financial management addressing the need to ensure that the fund is used effectively and efficiently while complying with the country's regulatory requirements. In accordance with the restructuring provisions are made for i) prioritizing research areas in line with the issues and development needs of the country and ii) supporting research scholars with proven track records.

A scheme has been prepared outlining the modalities to ensure effectiveness, efficiency, and comprehensiveness in the formulation and conduction of research studies with explicit provisions and methods for conducting research seminars, workshops and dialogues. The scheme also includes the revised actions to complete the first cycle of monitoring and evaluation of the already awarded research proposals.

### ***Sub-Component 1.C: Tribhuvan University Reform Grants.***

TU is responsible for implementing TU Reform Grants component. This component has following provisions:

- i. Incentive grants to constituent campuses /institute for their in-house consultations and preparing Strategic Plan opting autonomy.
- ii. Incentive grants for the Decentralized Campuses that have become autonomous; and for the TU central office for facilitating autonomy
- iii. Matching grants to the selected autonomous and decentralized campuses.
- iv. Performance grants the selected autonomous and decentralized campuses.
- v. New Program-Window grants to the selected Institutes / Faculties / Departments and decentralized constituent campuses.

In view of the need for more contextual and relevant programs in TU a window has been added to the TU Reform Grants sub-component, to finance up to twenty new academic programs in the following areas: (i) basic and applied sciences, (ii) engineering, (iii) medicine, (iv) management, (v) agriculture and forestry, and (vi) other employment/economic development focused areas. These new programs are being introduced in autonomous and decentralized campuses as well as in selected faculties, institutes, central departments and campuses opting for decentralization. The selection will be done on a competitive basis. TU will also review and undertake necessary revisions in the existing programs.

TU has also developed comprehensive institute/campus autonomy packages for decentralized campuses to help address the issues of information gaps, transparency and accountability.

#### **4.4.2 Component 2: Student Financial Assistance**

This component has been provisioned with the objectives of:

- i) establishing a pro-poor targeting method for scholarship distribution, and
- ii) ensuring that students from disadvantaged groups have an opportunity to obtain higher secondary and higher education through financial assistance provided by the project.

The provisions under student financial assistance consist of:

- Student scholarships for: a) higher secondary school students and b) Bachelor students
- Student loan for Bachelor students
- Support for work-study scheme

The component provides financial assistance to the eligible higher secondary and higher education students on the basis of identification and ranking against the economic quintiles using Proxy Means Test (PMT). It will encourage the administering financial institution for Student Loan. It has provisioned Work-study Program (WSP) designed to encourage beneficiary students to earn additional income in case the stipend amount was insufficient.

#### **4.4.3 Component 3: Higher Secondary Education**

This component has been provisioned with the primary aim of supporting the GON in its effort to phase out the TU-run Proficiency Certificate Level by making community school-based higher secondary education more accessible to students who would otherwise attend the TU-run programs.

MOE is giving priority to schools with science streams when allocating performance grants to schools. Recognizing the growing demand for higher-secondary schooling, MOE has also increased the number of schools supported from 200 to 250. The fund has been allocated for this component will be increased accordingly. Measures are being taken to strengthen the monitoring of this component.

#### **4.4.4 Component 4: Strengthening System Capacity.**

Component 4 consists of two subcomponents:

4. A: UGC and SFAFDB System Capacity Strengthening, and
4. B: TU System Capacity Strengthening

##### ***4. A: UGC System Capacity Strengthening***

The tasks under this component include:

- a. QAA system development

- b. Development of Higher Education Management Information System (HEMIS)
- c. Higher Education Policy Studies
- d. Institutional Capacity building of UGC, and
- e. Procurement of goods and services

A National Accreditation Board for Quality Assurance will be established; a comprehensive National Policy on Higher Education will be developed; EMIS in higher education strengthened and annual statistical report published regularly. This component includes support to UGC and TU-PIU components, and also includes enhanced support for policy research, and confidence building measures and communication strategies for reforms.

#### **4. B: TU System Capacity Strengthening**

This subcomponent consists of the following activities:

- a. Consolidating TU academic calendar implementation and measures of confidence building regarding examination
- b. Preparation of guidelines/implementation manual for TU reform
- c. Enhancing TU EMIS

#### **4.5 Regular Reviews and Monitoring Provisions**

SHEP implementation is regulated with Project Appraisal Document (PAD), implementation plan, and most importantly Financing Agreement between the Government of Nepal and IDA.

The project implementation is structured in line with the government of Nepal regulation and format including annual and trimester activities and budget planning and progress reporting. The implementation is also monitored through the Governance and Accountability Action Plan and most importantly through the joint annual reviews by the Government, IDA/World Bank, and UGC as well as the implementing partners. The joint reviews are undertaken on annual basis.

A midterm review of SHEP implementation was carried out in February 2010. The review found that the objectives set by the project were relevant and the participation of the selected institutions was highly encouraging, particularly the participation of the community campuses. The review team recognized the effectiveness, relevance and importance of the SHEP core strategies – incentivizing the undertaking of challenging tasks, indicator based progress monitoring and rewarding grants for better performance, and motivating public participation with matching grants. Similarly the concept of financial assistance to the academically eligible students from poor and disadvantaged communities was welcomed by all the stakeholders and concerned. The importance of

QAA and EMIS in higher education was noted and the progress made in the system building was appreciated.

It was however noted that the implementation progress in terms of budget disbursement, particularly disbursements to TU constituent campuses, was not to the level expected initially by the project. Therefore a need for implementation restructuring was suggested. The major restructuring suggested was to upgrade the role and responsibility of TU as an implementing agency from the earlier role of beneficiary. The other important suggestion was to set up Project Implementation Units (PIU) at TU and UGC to expedite the implementation tasks.

Before project restructuring, UGC had been providing the incentive grants, matching grants and performance grants for the selected Autonomous and Decentralized campuses as well as incentive grants for TU. UGC has also provided incentive grant for TU for the preparation and implementation of Campus and Institutional Autonomy Regulation 2062.

#### **4.6 Brief Overview of the Major Achievements by the FY 2010/2011**

##### **Reform Grants**

- Tribhuvan University has made breakthrough in the implementation of its policy of Institutional and Campus Autonomy Regulation 2062. Mahendra Ratna Multiple Campus (MRMC) from Ilam district of the Eastern development Region has successfully become its first Autonomous Campus. In the FY 2009/10, MRMC had prepared a comprehensive 5-year strategic development plan mobilizing all the stakeholders and accomplished all the process required for becoming autonomous. Accordingly, as per regulation, TU central office has granted the status of autonomy to MRMC.

Also, MRMC has produced baseline data, first and second rounds of performance progress data and accordingly has received 1 round of performance grant after becoming autonomous campus. As per the Financing Agreement between the Government of Nepal (GON) & International Development Association (IDA), UGC has provisioned earmarking of grant to MRMC, Ilam within the grant for TU starting from the FY 2010/11. It is a landmark for initiating reform in the funding modality for TU constituent campuses.

- Twenty-six decentralized campuses have already undertaken in-house consultation regarding campus autonomy. Many of the campuses have come up with positive outcomes in taking further steps towards autonomy. Mahendra Ratna Campus, Kathmandu has already applied for taking necessary steps towards achieving Autonomy.
- Ten Decentralized campuses of TU selected for participation in the SHEP reform grant have produced baseline data and progress data and have obtained 1<sup>st</sup> round of

performance grant. After MRMC became autonomous campus of TU, there are nine campuses remaining in this group. All of the nine Decentralized campuses have received performance grants. Three of the campuses have applied for Matching grants. Rupandehi, Prithvinarayan Multiple Campus, Kaski have set to prepare their respective strategic plans towards autonomy.

- Because of the success of the 9 Community Campuses selected for initial provisions of quota for SHEP reform grants participation by 10, there have been popular high demand for increasing the provisions for the community campuses. Accordingly, new provisions have been added under Scheme B (10) and Scheme C (28). In 2010/11 additional provision has been made for selection of 43 community campuses under Scheme D with the intention of ensuring at least one community campus per district receiving SHEP reform grants. With this provision, total of 90 community campuses will be participating in SHEP reform grants.
- All the 9 community campuses selected under scheme A have produced performance indicator baseline data as well as progress data for 1<sup>st</sup> round in 2009, 2<sup>nd</sup> round in 2010 and accordingly they have received 1<sup>st</sup> and 2<sup>nd</sup> round of performance grants in FY 2008/9 and 2009/10. They are now in the process of getting the third round of the performance grants. All of them have prepared their respective strategic development plans on the year of their selection and have made annual review of the plan for necessary revision. The campuses are on the process of undertaking the reform activities in line with their strategic development plans using the SHEP provisions of matching grants as well as performance grants.
- Ten community campuses selected under scheme B have produced baseline and the performance progress data and accordingly received 1<sup>st</sup> round of performance grant in FY 2009/10. They are now in the process of getting the 2<sup>nd</sup> round of the performance grants. All of them have prepared their respective strategic development plans and are on the process of undertaking the reform activities using the SHEP provisions of matching grants as well as performance grants.
- Twenty seven community campuses selected under scheme C have produced baseline and the performance progress data and accordingly received 1<sup>st</sup> round of performance grants except Bheri Gyanodyodya Campus of Jajarkot. All 28 community campuses under Scheme C are in the process of getting performance grants for 2010/11. All of them have prepared their respective strategic development plans and are on the process of undertaking the reform activities using the SHEP provisions of matching grants as well as performance grants.
- Applications for Scheme D Community Campuses are being collected. Although the deadline was designated for the 20<sup>th</sup> of May, the office of UGC was forcibly padlocked by one of the University Teacher Organization and therefore the process

remained impaired until June 2011. The selection process could be completed in the next fiscal year only.

- Pokhara University has received second round of performance grant and is in the process of getting the third round. Purbanchal University has received first round of performance grant in FY 2009/10 and is in the process of getting the second round. Kathmandu University is preparing the baseline data and progress data and preparing to claim first, second and third round of performance grants.
- Reform grants disbursement increased substantially in FY 2009/10 because of the rapid progress made by the participating institutions, particularly the community campuses. UGC and higher educational institutions (TU-Central, 9 TU decentralized campuses, 1 autonomous campus, 3 other universities, 9 scheme A community campuses, 10 scheme B community campuses, 28 scheme C community campuses) have prepared strategies and are undertaking activities to ensure effective and efficient use of incentive grant, matching grant and performance grant in line with the spirit and goals of SHEP.
- In 2010/2011 the disbursement has however fallen down because of the difficult circumstances in the fiscal year, firstly due to the fact that UGC function was impaired because of the absence of the UGC top executives (Chairperson from the first week of July and the Member Secretary from the third week July 2010). The positions were filled in the 2<sup>nd</sup> week of May 2010, however from 18<sup>th</sup> of May 2011 one of the university Teacher Unions padlocked the whole office demanding for differing the appointments made by the Ministerial Cabinet saying that it did not follow the line of the agreements between the political parties.

### **Research Funding**

- The first round of research funding including Ph.D. fellowship, Faculty/Institutional research grants, support for research methodology training, Seminar for industry – academia dialogue, support for workshop on culture of inquiry, support for research management cells, was accomplished successfully as targeted in the FY 2009/10. The funding was provided on the basis of proposals selected thru national level competitions. The funding support has also been provided to TU for development of TUCL as National Research Library on the basis of the strategic development plan that it has submitted. Support for research infrastructure development and lab networking are being assessed. Also the 2<sup>nd</sup> round of award for the research management cell has been provided to selected campuses.
- Research funding for 2010/11, however, remained seriously impaired due to the absence of the UGC top executives. UGC Chairperson is also the Chairperson of the Research Council. The fund flow to the research fellows and the institutions could

not be resumed because the decision system was absent until an ad hoc work committee was constituted by the UGC board members. The 2<sup>nd</sup> round of public call inviting proposals from the faculties and higher education institutions for research funding was already made, however the selection of the proposals was delayed to the early next fiscal year because of the disturbances caused to UGC.

### **Student Financial Assistance**

- SFAFDB accomplished sort listing, verifying and finalizing the list of the students for the scholarship support at higher secondary level and bachelor's level for FY 11/12. It has also published the final list of fourth cohort students to support at higher secondary and higher level.
- It has formed the Work Study Committee (WSC) and the Fund Raising Committee (FRC). It has made analysis of the number of students receiving financial assistance from SFAFDB (disaggregated by level of education, gender, *Dalits* communities and disadvantaged Janajati). In order to ensure more effective and efficient implementation of the SFA plan, SFAFDB has developed a communication strategy and updated the SFA Information Booklet.

### **Quality Assurance and Accreditation**

- QAA system development made an important land mark of success. All the preparatory work for implementing QAA system are now in place, all the basic documents have been prepared including the guidelines, preparing legal framework, preparing the roster of the resource persons and mobilizing the stakeholders readying them for participation. Further, UGC has developed functional relation with National Assessment and Accreditation Council (NAAC), India for collaborating on the development and implementation of QAA in Nepal. It has become a member of Asia Pacific Quality Network (APQN) for Higher Education and has extended relation with other international organizations such as Australian Universities Quality Agency (AUQA) and Council of Higher Education for Accreditation (CHEA) of higher education institutions.
- Application of QAA system started with pilot implementation in the 9 Community Campuses (Scheme A) selected from national and regional level competition for participation in the SHEP Reform Grants. One of the campuses participating in SHEP, Balkumari College had already accomplished the QAA cycle and was also conferred the status of accredited campus by UGC. Peer Review Teams (PRT) formed to assess the Self Study Reports of Damak Multiple Campus; Janapriya Multiple Campus and Siddhanath Multiple Campus have accomplished their tasks including field observation and verification work in the last year. Based on the

assessment reports the campuses are already declared having completed the QAA cycle. They have also received the performance grants for QAA cycle completion in FY 2009/10.

- The rest of the scheme “A” community campuses have already produced SSR. Makwanpur Multiple Campus and Lumbini Banijya Campus have submitted final SSR for assessment and accreditation. Accordingly two PRTs were formed to assess their SSR and make field observations. The PRTs have already accomplished their tasks including observation visits in July 3-10. These two campuses have also thus completed the QAA cycle this year.
- With the strategy of system development, disseminations, and media mobilization QAA has gained public interest and participation. In response to the public call for participation of higher education institutions in QAA, 11 institutions have applied, 9 of them were eligible for participation at the time. The eligible institutions have been provided orientation and technical support for participation. They are currently preparing Self Study Reports (SSR).
- It was targeted to accomplish completion of QAA cycle by at least 14 institutions this year however because of the impaired situation of UGC the target could not be accomplished.

### Higher Education EMIS

- EMIS for higher education is on the progress with accomplishment of consolidating the system of routine data collection from higher education institutions. UGC has successfully launched the Annual Higher Education Statistical Report; it has already published and circulated the first issue. The second issue draft has already been prepared and is on ready for final publication task.
- Similarly UGC started to publish and circulate *Fact Sheet on Higher Education* annually listing the data on major indicators of public concerns. The first issue has already been published and circulated.
- UGC has been, on annual routine basis, contributing data for higher education statistics of the Ministry of Education; preparing performance grants baseline and progress data. Besides, UGC Annual Report has been prepared on annual basis for publication and circulation. UGC is planning to gear up its EMIS unit in developing a central database system on higher education. It will be undertaking consultations with the universities and other higher education institutions in this regard.
- Framework for a dynamic website has been prepared and launched; Preparation of the data for progress monitoring and calculation of performance grants has been accomplished routinely supporting implementation of the SHEP Reform Grants.

## Overall HE System Development

- Orientation was given to the higher education institutions participating in SHEP including the universities and the campuses on Reform Process including strategic planning and undertaking development tasks, on QAA, EMIS and procurement procedures including the provisions and regulations. System of follow-up supervision and technical support has been gradually built with the participation and support of the institutions. Procurements processes are gradually progressing in acquiring goods and services as listed in the plan including vehicle, equipments and services.
- UGC has initiated provisioning of formulae funding mechanism for KU, PokU, & PU as per the MOU between UGC and the Universities regarding their participation in SHEP Reform Grants. UGC has already proposed additional regular budget from the GON source for the universities on the basis of the agreed formula.
- Systematic reform of Financial Management Division is further geared up. TOR of Computerized Financial Management System has prepared and selection process of FMIS consultant initiated. Similarly, internal audit, settlement of audit compliance as well as overall capacity development of procurement, financial management, planning and program development, monitoring and evaluation have been initiated.

### 4.7 SHEP Implementation Issues and Mitigation Steps Taken

#### Issues

- Higher education institutions remained affected by difficult political and social milieu. Campuses faced more tough challenges in reforming, particularly in opting for autonomy. Even regular functioning of UGC office was affected by the milieu.
- Matching grants claim remained at the lower side than expected. This is due to difficulty on the part of the institutions in mobilizing the fund from their sides. The difficulties relate to two major aspects – difficulties faced by the institutional management in convincing the stakeholders and donors that there is need for larger contribution from the stakeholders in order to get substantive matching grants. Second, the institutions faced difficulties in fully understanding and complying with the procurement rules and regulations. The current unstable environment with implications of increased security concerns in major contractual projects requiring bidding process also contributed to the difficulties.
- The process and requirements of getting performance grants and matching grants have been recognized as important aspects of campus reform; however the process has remained a challenging task for the participating universities and the campuses.

- Capacity building of all concerned institutions continued to remain challenging task.
- Participating universities still need to be clear about SHEP provisions and requirements, their commitments to implementation of activities like campus autonomy, development of decentralized campuses, formula based funding and use of performance grants. There is a need for regular consultation, facilitation and coordination in the implementation of the activities.

### **Steps Taken to Mitigate the Issues**

1. Regular consultations are made with the stakeholders to mitigate the issues arising from the disturbing political milieu.
2. Project implementation plan are revisited regularly on the basis of realistic assessment of the situation.
3. Follow up provisions carried out:
  - i. Orientation program organized regarding SHEP participation: Training Workshop on Reform Grants Management and Public Procurement
  - ii. Base line of system indicators and project indicators have been established
  - iii. Regular consultation meetings carried out with the participating institutions
  - iv. Technical support provided to the campuses for taking necessary steps for better performance.
4. Units responsible for the implementation of planned activities have been strengthened. In this line, additional staffs are recruited.
5. Necessary measures have been provisioned in SFAFDB for processing student selection and providing the funding support.
6. Flexible measures are taken to address the issues regarding matching grants.
7. Scheme for development of implementation capacity of UGC is being seriously reflected on and necessary steps are being undertaken.

## SECTION V

### HIGHER EDUCATION ISSUES, CHALLENGES & WAY FORWARD

---

#### 5.1 Issues and Challenges

Nepal needs rapid development of access to higher education in the country to increase its level of enrolment (GER of about 10%) at par with the world average which is presently 26%. However the development must address the concerns of equity, relevance, quality, effectiveness and sustainability. The issues of equity relates to poor access of poor and disadvantaged groups including disadvantaged indigenous ethnic groups, *dalits*, and female. The major challenge therefore is to support such poor and disadvantaged groups with financial assistance and counseling services. There is also a need for the development of a well sustained student support system to address such challenges.

Currently development higher education access in Nepal is highly skewed to non-technical and general traditional programs, almost 87% of the student enrollments are in Education, Management and Humanities. Student enrollments in Science and Technology, Engineering, Medicine are very low. Enrollment in Agriculture and Forestry programs are insignificantly low. The access development must be relevant to national development plans, strategies as well as future prospects to ensure that higher education is meaningful and beneficial to the students and the country. There is need for regulating institutional development and enrolment expansion tuned to the national priorities and opportunities. For example the national strategy for poverty reduction requires human resource with knowledge and skill of financial leaderships, planning, creativity and entrepreneurship. Similarly, Nepal's development priority is agriculture, to address these priorities new higher education programs need to be developed and existing programs need reformed. The new programs or reform should ensure practical and knowledge application oriented curriculum contents, modalities and practices. Higher education need to be made more research oriented for this. This will require a national policy and a curriculum framework for program as well as institutional development.

Quality Assessment and Accreditation (QAA) System has been just started in the country with the purpose of establishing quality assurance for all concerned. There is

need for support to consolidate the QAA system in view of its future scope as mandatory aspect of institutional development and as basis of national monitoring system and government funding. In this line UGC has initiated the process of establishing a National Board for QAA. The draft Act has been prepared and submitted to the MOE for final endorsement by the government. There is need for the government to expedite the process and form the Board.

The government has passed the guidelines for provision of National Teacher Evaluation and certification. But the system still needs to be developed. In this line there is scope for establishing a comprehensive higher education teacher training and support system in the country.

There is a need to develop a national regulatory framework that define the nature and scope of the various agencies and institutions of higher education and help systemic reform whereby the government, higher education institutions including the universities and their colleges, stakeholder organizations including the teachers unions and the student unions, have more clearly defined and publicly regulated roles and responsibilities. The framework should also outline clear criteria and modalities of public funding, norms for financial management, and provision of ensuring transparency and accountability. The framework should help develop financial sustainability of the institutions while safeguarding the students and parents from undue exploitations. The framework should also provide basis for institutional analysis to promote effectiveness and efficiency. UGC has earlier prepared a draft policy framework and submitted to the MOE for necessary action. Recently, MOE has initiated a process of adopting an umbrella act by tabling in the constitutional assembly. UGC has thoroughly reviewed the tabled draft and provided technical inputs for its betterment. There is need to move ahead with a more comprehensive approach in the development of higher education policy development.

There is also a need for a higher education monitoring and feedback system for this there is a need to consolidate higher education EMIS to support monitoring and to provide reliable and verifiable basis for planning, and developing policies. EMIS should also help make management and operation of higher education institutions publicly transparent and liable.

Most importantly, higher education institutions remained highly affected by difficult political circumstances in the country. Campuses faced more tough challenges almost in all reform undertakings, particularly in opting for autonomy. Even regular functioning of UGC office was affected by the contexts. The problem of political circumstances affecting higher education institutions are deep rooted in the political

milieu of the country. All the major political parties have their party organizations extended deep into the university and the campuses to the level of student unions, administrative staff unions and teacher unions. Consequently the political issues raised by the parties or inter-party issues often get into the development, management and operation of the institutions.

## **5.2 Way Forward**

University Grants Commission considered collaboration and cooperation with the stakeholders as the key strategy in addressing the issues and challenges. For this it has formed University Coordination Committee represented by the VCs of all the universities and Chaired by the UGC Chairman. The coordination committee agreed to give priority to harmonize academic calendar, mutual recognition of the degrees and prepare agreed minimum quality norms and standards.

Development and implementation of a comprehensive Higher Education Policy Framework is key to addressing many of the issues and challenges. Such framework needs to be developed with wider participation of the stakeholders. UGC intends to prepare a program for drafting policy framework mobilizing the stakeholders.

UGC has initiated discriminating grants support to institutions and programs in favour of professional and technical programs that are potential for economic development and job creation. The SHEP performance grants provisions 3 times more performance grants for technical and professional programs compared to general traditional programs. Similarly UGC regular grants support discriminates programs on the basis of experiment/application oriented lab based programs and general non lab based programs. UGC has supported restructuring of SHEP with the provision of incentives for TU institutions, campuses and departments that launch market oriented technical/professional new window programs.

There is need and scope for opening new institutions and programs of technical education/applied science relevant to and needed for economic development. UGC emphasizes development of new universities and other higher education institutions with this need in view. UGC is aware of the high scope for the upcoming Mid-west University, Far-west University and the University of Agriculture and Animal Science in this line.

UGC is aware of the need to train or orient the staff including teaching and non-teaching staff in the higher education institutions. There is also need for institutionalized training provision and teacher support system. For undertaking

challenges of development of such provisions there is need for good and capable human resource-- well trained, proactive and entrepreneurial.

Eventually, ICT need to be incorporated in the institutional management as well as in the teaching and learning process. This can be addressed through training and technical support. This area can be addressed best in collaboration with international institutions and with technical and funding support.

There are also other areas of high importance where some reform efforts have already been initiated such as, performance based reform grants, QAA system establishment, student financial assistance fund development, EMIS system development, national teacher eligibility test. In order to consolidate the efforts into a comprehensive national higher education reform program there is need and scope for collaborations in drawing technical and funding support of different international development partners.

Most importantly, UGC considers that there is need to address the dilemma of political issues affecting higher education organization and institutions. This will be possible only through consensus in considering that higher education reform and development are of common interest and are highly important, and that the tasks should be supported by all stakeholders. There should be logical/rational approach to solving the issues of reform and development of higher education.

## ANNEX A

### The Lists of the Committees in 2010/11

#### 1. The List of the University Coordination Committee

SN	Name	Designation
1	Prof. Ganesh Man Gurung, Chairman, UGC	Coordinator
2	Prof. Suresh Raj Sharma, Vice Chancellor (VC), KU	Member
3	Prof. Hira Bahadur Maharjan, VC, TU	Member
4	Prof. Maheshwor Shrestha, VC, PU	Member
5	Prof. Khagendra Pd. Bhattarai, VC, PokU	Member
6	Prof. Shiva Hari Marahattha, VC, NSU	Member
7	Prof. Tri Ratna Manandhar, VC, LBU	Member
8	Prof. Kailash Nath Pyakuryal, VC, AFU	Member
9	Prof. Padam Lal Devkota, VC, MWU	Member
10	Prof. Jai Raj Awasthi, VC, FWU	Member
11	Mr. Bhola Nath Pokharel, Member Secretary, UGC	Member Secretary

#### 2. The List of the Academic Committee

SN	Name	Designation
1	Prof. Ganesh Man Gurung	Chairman
2	Mr. Bhola Nath Pokharel	Member
3	Prof. Santosh Paudyal	Member
4	Prof. Lok Narayan Jha	Member
5	Prof. Timila Yami	Member
6	Mr. Subas Chandra Dhungel	Secretary

#### 3. The List of the Second Higher Education Project Steering Committee

SN	Member	Designation
1	Chairman, University Grants Committee	Chairman
2	Vice Chancellor, Tribhuvan University	Member
3	Vice Chancellor, Kathmandu University	Member
4	Secretary, Ministry of Education	Member
5	Member Secretary, University Grants Committee	Member
6	Vice Chairman, Higher Secondary Education Board	Member
7	Director General, Department of Education	Member
8	Representative, National Planning Commission	Member
9	Representative, Ministry of Finance	Member
10	Prof. Kedar Bhakta Mathema	Member
11	Prof. Dr. Balkumar K.C.	Member
12	Mr. Ganga Prasad Upreti	Member
13	Joint Secretary, Ministry of Education	Member Secretary

#### 4. The List of the Research Council Members

SN	Name	Designation
1	Prof. Ganesh Man Gurung, Chairman, UGC	Chairman
2	Mr. Bholanath Pokharel, Member Secretary, UGC	Member
3	Prof. Guna Nidhi Neupane, Member, Rector, TU	Member
4	Mr. Dil Bdr Gurung, Executive Director, NARC	Member
5	Prof. Choplal Bhusal, Nepal Health Research Council	Member
6	Prof. Parthibeshwor Timilsina, NIC College Maitidevi, Kathmandu	Member
7	Prof. Dr. Govind Ram Agrawal	Member
8	Prof. Jiwan Shrestha, Gyaneshwor, Kathmandu	Member
9	Prof. Hari Gautam, Valmiki Campus	Member
10	Prof. Mana Prasad Wagle, School of Education, KU	Member
11	Mr. Suraj Baidhya, FNCCI	Member
12	Prof. Dr. Harinder Thapaliya, Research Director, UGC	Member Secretary

#### 5. The List of Quality Assurance and Accreditation Committee (QAAC) Members

SN	Name	Representation
1	Prof. Dr. Ganesh Man Gurung	Chairman, UGC Nepal
2	Mr. Bholanath Pokharel	Member secretary, UGC Nepal
3	Prof. Dinesh Raj Pant	Nepal Sanskrit University
4	Dr. Ishwor Chandra Baniya	Dean, Science & Technology, Pokhara University
5	Prof. Keshab Kumar Shrestha	Executive Director, Curricular Development Centre, TU
6	Prof. Puspa Raj Adhikari	Controller of Examinations, Kathmandu University
7	Prof. Monahar Prasad Gupta	Prominent Professor
8	Prof. Novel Kishore Rai	Prominent Professor
9	Prof. Sanu Devi Joshi	Prominent Professor
10	Prof. Upendra Bahadur Pradhananga	Prominent Professor
11	Mr. Janardan Nepal	Joint Secretary Higher & Technical Education Section, MOE

12	Dr. Hari Lamsal	Chairman, Nepal Health Professional Council
13	Er. Saligram Singh	Chairman, Nepal Engineering Council
14	Prof. Dr. Chandra Raj Sapkota	Chairman, Nepal Ayurved Medical Council
15	Mr. Yagya Prasad Neupane	Chairman, Nepal Pharmacy Council
16	Mr. Lav Kumar Mainali	Chairman, Nepal Bar Council
17	Dr. Damodar Gajurel	Chairman, Nepal Medical Council
18	Ms Daya Laxmi Joshi	NNC
19	Ms. Lal Kumari Pokharel	Students' representative
20	Dr. Narayan Pd. Ghimire	Registrar, Nepal Veterinary Council
21	Prof. Dr. Kanhaiya B. Mathema	Director, QAAD

## 6. The List of Research Evaluation Committee Members

SN	Name	Designation
1	Prof. Yogendra P. Yadav	Head, Central department of Linguistic, TU
2	Prof. Bharat Mani Pokhrel	Central Department of Microbiology, TU

### The List of Persons Received Travel Grants in 2010/11

SN	Name & Address	Country	Title
1	Dr. Ramesh Prasad Acharaya, MoE, Maharajgunj	Singapore	Emergency Dep. Triage: An Ethical Analysis
2	Mahanand Chalise, Central Department of Mangement, TU	United Kingdom	Investment Analysis of Human Resources of Banking Institution of Nepal
3	Sarsowti Acharaya, Kalika Himalayan College	India	Five Layerd Temporation Distribution in Human Dermal Part
4	Dr. Ram Prasad Regmi, Central Department of Biology, TU	Bangaladesh	Application of Numerical Weather Prediction Model in Making Agro-meteorology
5	Dr. Sangeeta Shrestha, Nepal Medical College	China	Glaccoma Screening in Nepal: A Radical Approach
6	Dr. Bishwas Pradhan, IoM, Maharajgunj	China	Anaesthesia Service for Vascular Procedures in TUTH Nepal
7	Binod Kumar Yadav, IoM, Maharajgunj	America	Effect of Use of Depo Medroty Proges Term Acctate Constrictive of Serum
8	Bhabendra Bhandari, Mahendra Bindeshowri Multiple Campus	India	Sequential Nonverbal Construction in Danuwar at IC on Recent Advance in Linguistics
9	Mahesh Kumar Chaudhari, Mahendra Bindeshowri Multiple Campus	India	Mood in Tharu
10	Ajay Bhattarai, Mahendra Morang Adarsha M. Campus	Austria	The Solubility of Sodium Polystyrene in Methanol Water Mixed
11	Rameshwor Adikari, Central Department of Chemistry, TU	Germany	Fully Biodegradable Polymer Composite with Bamboo Flour
12	Lok Bahadur Baral, Amrit Science Campus	Japan	Study of the Technology Development of Harvesting Gravitational Potential
13	Deepak Dhakal, Patan Multiple Campus	Spain	Assement of Multireside Analysis for target Pesticidum Selected on Fruits of Kathmandu Valley

14	Dr. Tilak Ram Shrestha, Bhaktapur Multiple Campus	Australia	Growth hormone Gene Manipulation in Channa Striatae
15	Dhurba Kumar Gautam, Sarswoti Multiple Campus	India	Practices of Knowledge management by University teachers in Nepal
16	Prof. Dr. Dev Raj Adikari, Central Department of Management, TU	Pakistan	Decent Work and Work life Quality in Nepal
17	Bharat Babu Shrestha, Central Department of Botany, TU	India	Invasion of Parthenium Hysterophorus in Nepal
18	Ushana Shrestha, College of Biomedical Engineering and Applied Sciences	India	Development of CL. Sensor Device for the Quantitative Detection of B. HCG by Chemilumines
19	Dr. Joyti baba Shrestha, IoM, Maharajgunj	China	Gender Equity in Eye Care in Nepal
20	Diwakar Pandey, Apex College	China	Services Quality Management Customer Satisfaction and Behavioural Intentions
21	Dr. Kamal Mani Baral, IoE, Pulchok	India	Mysterious of Eigen Values Eigen Vectors and their Application in the Diagonalization of a Matrix
22	Sachin Sharma Bhandari, Kantipur Engineering College	Singapore	Knowledge based Model for Power transformer Life Cycle Management Using Knowledge
23	Hitendra Raj Joshi, IoE, Pulchok	UAE	Feasibility of Recharging Quainter through Rain Water in Patan
24	Dr. Ramesh Kumar Maharjan, IoM, Maharjgunj	Japan	Present Situation of Pre- Hospital Emergency Services in Nepal
25	Subodh Adhikari, Amrit Science Campus	America	A Preliminary Study of the Pollination Ecology of Punica Grantum, Kathmandu Valley
26	Dr. Dil Bahadur Gurung, Kathmandu University	India	Temperature distribution Model in Human Body under Air Flow
27	Dr. Bijaya Panta, Central Department of Botany, TU	Bangladesh	In Vitro Synthesis of active Components in Some Medicinal Plants in Nepal

28	Dr. Ila Shrestha, Patan M. Campus	Germany	Plant and People of Langtang national Park, Central Nepal Himalayan
29	Joti Giri, Tri-Chandra Campus	Germany	Effect of Oxidation on Morphology and Properties of Styronic Block Copolymers
30	Sharmila Amatya Pradhan, Amrit Science Campus	Germany	Preparation and Characterization of Nanocomposites Using Ethylene- Octene Copolymer as Matrix
31	Mohan Devkota, Amrit Science Campus	Germany	Distribution Pattern of Mistletoe in Nepal
32	Dr. Minu Chaudhari, IoM, Maharajgunj	Australia	Aetiology and Predisposing actors
33	Lunu Raj Neupane, Tri-Chandra College	Cyprus	Earthquake Disaster Risk management: A Global Perspective Challenge and Mitigation Measures

## **ANNEX E**

### **Universities and Institutions of Higher Education**

The history of higher education started in Nepal by the establishment of the first college i.e. Tri-Chandra College in 1918. Tribhuvan University came into function in 1959 and it was the only university in Nepal until 1985. In the early 80s, the Government developed the concept of a multi-university system and as a result Mahendra Sanskrit University was established in 1986, followed by Kathmandu University in 1991, Purbanchal University in 1994, Pokhara University in 1997 and Lumbini Buddha University in 2005. All of these universities were established through the Acts approved by the Parliament and they function as the public institutions.

B.P. Koirala Institute of Health Sciences is the first Health and Medical Academy of Nepal, established in 1994 and it was upgraded as a deemed university in 1999. Similarly, two other academies: National Academy of Medical Sciences (NAMS) and Patan Academy of Health Sciences (PAHS) were established in 2002 and 2009 respectively.

Similarly, Nepal government has established three more universities viz. Mid-Western University, Far-Western University and Agriculture and Forestry University in 2010.

Below is the list of universities and academies which are currently in operation in Nepal.

#### **Universities:**

1. Tribhuvan University (TU), 1959
2. Nepal Sanskrit University (NSU), 1986
3. Kathmandu University (KU), 1991
4. Purbanchal University (PU), 1994
5. Pokhara University (PokU), 1997
6. Lumbini Bouddha University (LBU), 2005
7. Far-western University (FWU), 2010
8. Mid-western University (MWU), 2010
9. Agriculture and Forestry University (AFU), 2010

#### **Academies:**

10. B.P. Koirala Institute of Health Sciences (BPKIHS), 1993
11. National Academy of Medical Sciences (NAMS), 2002
12. Patan Academy of Health Sciences (PAHS), 2009

## 1. Tribhuvan University (TU)

Tribhuvan University (TU), established in 1959 (2016 BS) is the largest university of Nepal in terms of the courses it offers, and the number of students and teachers it has. Its central office is located in Kirtipur, Kathmandu, and it conducts its operations across the country through five institutes, four faculties, and four research centers that are mentioned below.

### Institutes:

- a. Institute of Agriculture and Animal Sciences (IAAS)
- b. Institute of Medicine (IoM)
- c. Institute of Engineering (IoE)
- d. Institute of Forestry (IoF)
- e. Institute of Science and Technology (IoST)

### Faculties

- a. Faculty of Education
- b. Faculty of Humanities and Social Sciences
- c. Faculty of Management
- d. Faculty of Law

### Research Centers

- a. Centre for Economic Development and Administration (CEDA)
- b. Research Centre for Educational Innovation and Development (CERID)
- c. Centre for Nepal and Asian Studies (CNAS)
- d. Research Centre for Applied Science and Technology (RECAST)

(See Annex F for detail information about TU.)

The institutes are technical i.e. they offer specialized education on technical courses such as, management, humanities, education, engineering, medicine, law, and arts at the Bachelor, Master, M. Phil., and Ph.D. levels.

Among the universities of the country, TU claims more than 87% percent of the total enrolment in higher education. Now, the university has 353,718 students in 878 Campuses (56 constituent, 296 community, 526 private Campuses), with 13,679 teachers and 7,122 administrative and support staff.

## 2. Nepal Sanskrit University (NSU)

Established in 1986 (2043 BS) NSU aims to modernize the education of Sanskrit in the country. It situated in Beljhundi, Dang and has 1798 students with 770 teachers and

376 administrative staff in 17 campuses (6 constituent and 11 affiliated) . It offers courses on Uttarmadhyama (Sanskrit), Shastree (Sanskrit), Kabiraj (Intermediate in Ayurved), Bachelor in Ayurved, Aacharya (Sanskrit), Ph. D. (Sanskrit), Language Training, and Yoga Training related to Sanskrit. (See Annex G for the detail information about NSU.)

### **3. Kathmandu University (KU)**

Established in 1991, Kathmandu University (KU) is located in Dhulikhel, a tourist destination, of Kavre district. Currently, it has 9,658 students, 341 teachers, 82 visiting faculties with 181 administrative and support staff in 21 campuses (6 constituent, 15 affiliated). The university offers 106 programs in in the field of science, engineering, management, fine arts, education and medicines from intermediate level to the M.Phil. and Ph.D. level. (Annex H offers information in detail on KU.)

### **4. Purbanchal University (PU)**

Established in 1994, Purbanchal University (PU) is located in Biratnagar, Nepal's second largest city in Morang district. PU has 24,726 students, 114 campuses (3 constituent, community 5, private 106), 49 teachers, and 296 administrative and support staffs. PU offers 56 programs with courses on science, law, engineering, management, fine arts, education, etc. (See Annex I for the details on PU.)

### **5. Pokhara University (PokU)**

Pokhara University (PokU) was established in 1997 in Pokhara, one of the most popular tourist destinations of the country, of Kaski district. It has 16,666 students, 53 campuses (4 constituent, 49 affiliated), 116 teachers, and 177 administrative and technical staffs offering 41 programs and courses on humanities, management, science and technology, engineering, medicines etc. (See Annex J for details on PokU.)

### **6. Lumbini Bouddha University (LBU)**

Lumbini Bouddha University, established in 2005, is located in Lumbini, the birthplace of Gautam Budhha, of Rupandehi district. The university is established primarily to teach/study the philosophies promulgated by Gataum Bouddha. LBU is in its starting phase and the students are yet to be enrolled. (For details on LBU, see Annex K.)

### **7. Far-western, Mid-western and Agriculture and Forestry Universities**

These three universities have just been established and they are yet to start their programs. Currently they are in preparation stage and they will start their full operation once all the preparation is made.

## 8. B.P. Koirala Institute of Health Sciences (BPKIHS)

Established in 1993, BPKIHS is located in Dharan (Sunsari district) with an aim to provide education in medical sciences. Its single campus has 1,072 students and 183 teachers offering 11 programs in medical sciences including M.D. /M.S., M.Sc., M.P.H., M.L.T., M.B.B.S., B.Sc., B.D.S., Nursing, etc. (For details on BPKIHS, see Annex L.)

## 9. National Academy of Medical Sciences (NAMS)

NAMS was established in 2002 in Kathmandu to provide education in medical sciences. The campus has 203 students and 142 teachers offering 14 programs in medical sciences at M.D. level in Anaesthesiology, Dermatology, General Practice, Neurosurgery, General Surgery etc. (For details on NAMS see Annex M.)

## 10. Patan Academy of Health Sciences (PAHS)

Established in 2009, PAHS is located in Patan of Lalitpur district, adjacent to the capital city of Kathmandu. PAHS is based at Patan Hospital, which is likely to become a major teaching hospital for the academy and the academy is planning to open a School of Nursing, a School of Allied Health Sciences, and other schools to train other health care professionals. Its single campus has 60 students and 85 teachers. (For details on PAHS see Annex N.)

## Basic Data on Universities and Institutions of Higher Education 2010-11

## 2. TU Community Campuses

SN	Campus Name	Region	District	Program	Faculty	Level
1	Barun Multiple Campus, Khandbari, Sankhuwasabha	Eastern	Sankhuwasava	B.Ed.	Education	Bachelor
				B.A.	Humanities	Bachelor
				B.B.S.	Management	Bachelor
				M.Ed.	Education	Master
2	Bhasa Campus, Kagate, Dhankuta		Dhankuta	B.B.S.	Management	Bachelor
3	Birendra Namuna Campus, Chandragadi, Jhapa		Jhapa	B.Ed.	Education	Bachelor
				1 yr B.Ed.	Education	Bachelor

4	Damak Multiple Campus, Damak, Jhapa	Jhapa	B.Ed.	Education	Bachelor
			B.Sc.	Science	Bachelor
			B.B.S.	Management	Bachelor
			B.A.	Humanities	Bachelor
			M.A.	Humanities	Master
			M.B.S.	Management	Master
5	Dhulabari Campus, Jhapa	Jhapa	B.B.S.	Management	Bachelor
			B.Ed.	Education	Bachelor
			1 yr B.Ed.	Education	Bachelor
6	Diktel Multiple Campus, Khotang	Khotang	B.A.	Humanities	Bachelor
			B.Ed.	Education	Bachelor
			B.B.S.	Management	Bachelor
7	Gauradaha Multiple Campus, Gauradaha, Jhapa	Jhapa	B.A.	Humanities	Bachelor
			B.B.S.	Management	Bachelor
			B.Ed.	Education	Bachelor
			M.Ed.	Education	Master
8	Gauriganj Campus, Gauriganj, Jhapa	Jhapa	B.A.	Humanities	Bachelor
9	Gramodaya Yugakabi Siddhicharan Campus, Gamnangtar. Okhaldhunga	Okhaldhunga	B.Ed.	Education	Bachelor
10	Himal Darshan Campus, Necha, Solukhumbu	Solukhumbu	B.Ed.	Education	Bachelor
11	J.S. Murarka M. Campus, Lahan	Siraha	B.A.	Humanities	Bachelor
			B.Ed.	Education	Bachelor
			B.B.S.	Management	Bachelor
			1 yr B.Ed.	Education	Bachelor
			M.Ed.	Education	Master
12	Janata Campus, Rangeli, Morang	Morang	B.Ed.	Education	Bachelor
			B.B.S.	Management	Bachelor
13	Janata Multiple Campus, Itahari, Sunsari	Sunsari	B.A.	Humanities	Bachelor
			B.B.S.	Management	Bachelor
			B.Ed.	Education	Bachelor

				1 yr B.Ed.	Education	Bachelor
				M.Ed.	Education	Master
				M.B.S.	Management	Master
14	Jitpur Campus, Dhankuta		Dhankuta	B.Ed.	Education	Bachelor
15	Kakarvitta Campus, Mechinagar, Jhapa		Jhapa	B.B.S.	Management	Bachelor
				B.Ed.	Education	Bachelor
16	Kankai Multiple Campus, Surunga, Jhapa		Jhapa	B.A.	Humanities	Bachelor
				B.Ed.	Education	Bachelor
				B.B.S.	Management	Bachelor
				1 yr B.Ed.	Education	Bachelor

## ANNEX I

### Information on PU

#### 1. PU Constituents Campuses

SN	Campus Name	Region	District	Program	Faculty	Level
1	Center for Pop & Dvt, Pur.U., Biratnagar	Eastern	Morang	M.A.	Humanities	Master
2	Mgt. Cam., Biratnagar, Morang			B.B.A.	Management	Bachelor
				M.B.A.	Management	Master
3	PurU. School of Eng. & Tech, Biratnagar			B.E. (Computer)	Engineering	Bachelor
				B.E. (Elect. & Comm.)	Engineering	Bachelor
				B.C.A.	Science	Bachelor
				B.I.T.	Science	Bachelor
				M.C.A.	Science	Master

#### 2. PU Community Campuses

S N	Campus Name	Region	District	Program	Faculty	Level
1	Himalaya Campus, Khandbari, Sankhuwasava	Eastern	Sankhuwasava	B.Ed.	Education	Bachelor
2	Shree Madan Ashrit Memorial Multiple Campus, Topgachhi, Jhapa		Jhapa	B.Ed.	Education	Bachelor
				1 yr B.Ed.	Education	Bachelor
		B.B.S.		Management	Bachelor	
3	Man, Mgt. Development Cam., Ktm.	Central	Kathmandu	E.M.B.A.	Management	Master
4	Lumbini Adarsh Degree College, Kawasoti, Nawalparasi	Western	Nawalparasi	1 yr B.Ed.	Education	Bachelor
				B.A.	Humanities	Bachelor
				M.Ed.	Education	Master
				B.Ed.	Education	Bachelor
5	Tribhuvan Campus, Rupakot, Tanahun		Tanahun	B.Ed.	Education	Bachelor
				1 yr B.Ed.	Education	Bachelor

### 3. PU Private Campuses

SN	Campus Name	Region	District	Program	Faculty	Level	
1	Annapurna Campus, Biratnagar	Eastern	Morang	M.Ed.	Education	Master	
2	Annapurna Multiple Campus, Kanchalpur, Saptari		Saptari		B.Ed.	Education	Bachelor
					B.B.S.	Management	Bachelor
3	Birat Health College & Research Center, Biratnagar		Morang		B.Sc.Nursing	Medicine	Bachelor
					P.B.N.	Medicine	Bachelor
					B.P.H.	Medicine	Bachelor
4	Bright Vision College, Biratnagar		Morang		L.L.B.	Law	Bachelor
					L.L.M.	Law	Master
5	Caliber International Collge, Rajbiraj		Saptari		B.B.A.	Management	Bachelor
					B.Ed.	Education	Bachelor
6	Devaki College of Management, Mirchaiya		Siraha		B.B.A.	Management	Bachelor
7	Dharan College of Management, Dharan, Sunsari		Sunsari		B.B.A.	Management	Bachelor
8	Dhulabari Campus		Jhapa		1 yr B.Ed.	Education	Bachelor
9	Eastern College of Engineering, Biratnagar	Morang		B.E. (Civil)	Engineering	Bachelor	
				B.E. (Computer)	Engineering	Bachelor	
				B.E. (Elect. & Comm.)	Engineering	Bachelor	
10	Edenburg International College, Biratnagar	Morang		B.B.A.	Management	Bachelor	
				B.P.H.	Medicine	Bachelor	
				M.Ed.	Education	Master	
11	Everest College, Lahan, Siraha	Siraha		B.B.S.	Management	Bachelor	
12	Gograha College, Bargachhi, Biratnagar	Morang		B.Ed.	Education	Bachelor	
				B.B.S.	Management	Bachelor	
				1 yr B.Ed.	Education	Bachelor	
13	Gomendra Multiple College Birtamode, Jhapa	Jhapa		B.C.A.	Science	Bachelor	
				B.B.A.	Management	Bachelor	

14	Hamro School of Nursing, Biratnagar	Morang	B.Sc.Nursing	Medicine	Bachelor
15	Karfok Bidya Mandir Multipal Campus, Karfok, Illam	Illam	B.B.S.	Management	Bachelor
			B.A.	Humanities	Bachelor
			B.Ed.	Education	Bachelor
16	Kasturi College, Itahari, Sunsari	Sunsari	B.B.A.	Management	Bachelor
17	Koshi Health and Science Campus, Sansarimaisthan, Biratnagar	Morang	B.P.H.	Medicine	Bachelor
			P.B.N.	Medicine	Bachelor
18	Kshitiz Education Foundation, Rajbiraj	Saptari	B.B.A.	Management	Bachelor
19	Laxmi Ballav Narsingh Balkumari Campus, Rajbiraj	Saptari	B.Ed.	Education	Bachelor
20	Mother Memorial College, Saptari	Saptari	B.Ed.	Education	Bachelor
			B.B.S.	Management	Bachelor
21	National Mul. College, Dharan, Sunsari	Sunsari	B.B.S.	Management	Bachelor
			B.Ed.	Education	Bachelor

#### 4. Programs List of PU

SN	Program	Level	Faculty
1	B.B.A.	Bachelor	Management
2	Bachelor of Commerce Studies		
3	Bachelor of Travel & Tourism Studies		
4	Bachelor of Hotel Management		
5	Bachelor of Fashion Design		
6	Bachelor (Hospitality & Catering Mg.)		
7	Executive Master ( Business Administration)	Master	
8	Executive Master (Bus. Adm. Distance Mode)		
9	Master of Business Administration		
10	Master of Tourism Studies		
11	Master of Public Administration		
12	Master of Hotel and Hospitality Mgt		
13	Bachelor (Computer Application)	Bachelor	Science
14	Bachelor (Computer Application – Hons.)		
15	Bachelor (Information Technology)		
16	Bachelor of Architecture		
17	B.Sc. (Biotechnology)		

18	B.Sc. (Bio chemistry)		
19	Bachelor in Food Technology		
20	Bachelor in Dairy Technology		
21	Bachelor (Public Health)		
22	PGD (Computer Application)	PGD	
23	M.C.A. (Master of Computer Application)	Master	
24	M.Sc. (Master of Science)in Life Science		
25	M.Sc. (Master of Science)in Meat Technology		
26	M.Sc. (Master of Science)in Dairy Technology		
27	M.Sc. (Environment & Resource Mg.)		
28	M.Sc. (Information System Engineering)		
29	M.Sc. ( Engineering Mgt)		
30	M.Sc. ( Urban Design in Conservation)		
31	M.Sc. (Rural Dvt. Planning & Gender Studies)		
32	M.Sc. (Regional Dvt Planning & Mg.)		
33	M.Sc. (Pop. Mgt & Rural Development)		
34	B.E. (Bachelor of Engineering) in Computer	Bachelor	Engineering
35	B.E. (Civil)		
36	B.E. (Electronics & Communication)		
37	Bachelor (Biomedical Engineering)		
38	B.E. (Geomatics & Land Resources Mg.)		
39	M.E. (Earthquake)	Master	
40	B.Sc. (Nursing)	Bachelor	Medicine
41	Bachelor in Pharmacy		
42	Bachelor (Homeopathic Medicine & Surgery)		
43	M.B.B.S. (Bachelor of Medicine & Surgery)		
44	Post Basic Bachelor of Nursing		
45	M.Sc. (Nursing)	Master	
46	B.A.	Bachelor	Humanities
47	Bachelor (Media Technology)		
48	B.A. (Journalism & Mass Communication)		
49	Bachelor in Liberal Arts & Science		

50	Bachelor of Interior Design		
51	B.S.W. (Bachelor of Social Work )		
52	PGD (Peace and Conflict Journalism)	PGD	
53	PGD (Psycho-Social Intervention)		
54	PGD (Conflict Management & Peace Building)		
55	PGD (Rural Economics)		
56	PGD (Development and Planning Studies)		
57	Master (Human Rights)	Master	
58	Master (Conflict and Intl. Humanitarian Law)		
59	Master (Sociology / Anthropology)		
60	Master (Development Communication)		
61	Master (Social Work)		
62	Master (Development Studies)		
63	M.A. (Mass Communication & Journalism)		
64	Bachelor of Science (Hon Agriculture)	Bachelor	AAS
65	Bachelor (Vet. Sc. & Animal Husbandry)		
66	Master (Agriculture Business Mg.)	Master	
67	B.Ed.	Bachelor	Education
68	B.Ed. (one year)		
69	B.Ed. (Distance Mode)		
70	M.Ed.	Master	
71	Legisum Laterum Bachelor	Bachelor	Law
72	Legisum Laterum Masterom	Master
